

## **Single Feasible Source Purchase**

Title: Actuarial Analysis

Description: The Department of Insurance, Financial Institutions and Professional Registration needs to complete an actuarial analysis of multiple health plans that could be chosen as Missouri's Essential Health Benefit Benchmark Plan by June 1, 2015.

Towers Watson is the only feasible source from which to acquire actuarial services since they have the expertise and information readily available for them to provide the comparative analysis and provide the thorough benchmark in the limited timeframe required by HHS.
