

## **Single Feasible Source Purchase**

**Title:** Identity Verification and Authentication Solutions

**Description:** Various state agencies throughout the State of Missouri require Identity Verification and Authentication solutions. The Missouri Office of Administration – Information Technology Services Division (OA-ITSD) has named LexisNexis as the state product standard for Identity Verification and Authentication. The LexisNexis Identity Verification and Authentication products named as the state standard are only available from LexisNexis. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
