

Single Feasible Source Purchase

Title: Distribution of Funding to Federally Qualified Health Centers (FQHCs)

Description: Distribution of funds to Federally Qualified Health Centers (FQHCs) as authorized under Section 11.520 of HB 11 for State Fiscal Year 2016. The Missouri Primary Care Association will act as the fiscal intermediary for the distribution of the HB 11 funding for FQHCs and will serve as a central data collection point for evaluation of the FQHC initiatives.

The Missouri Primary Care Association is considered a single feasible source since they are the only federally recognized Primary Care Association in Missouri, authorized to oversee Missouri FQHCs. All Missouri FQHCs are members of the Missouri Primary Care Association, which is the only statewide organization that represents all Missouri FQHCs.
