

Single Feasible Source Purchase

Title: On-Site Bat Gate Construction

Description: The U.S. Fish and Wildlife Service will provide the Department of Natural Resources with funding to have Cave Research Foundation construct bat gating on-site at Valle Mines. The U.S. Fish and Wildlife Service require that the gating must be constructed by individuals that have knowledge and expertise in cave ecology and bat ecology and must be proficient with metal fabrication and gate construction. Cave Research Foundation is the only organization approved by the U.S. Fish and Wildlife Service to construct bat gates at Valle Mines.
