

## Single Feasible Source Purchase

Title: Mango Language Software

Description: The Missouri Department of Transportation (MoDOT) requires Mango language software products due to Mango's unique and proprietary capabilities and features. Mango language software is developed by and proprietary to Mango. As a result, this represents a proprietary requirement that meets the criteria of a single feasible source under RSMo 34.044. As a result, the State is pursuing this acquisition as a Single Feasible Source.
