

## Single Feasible Source Purchase

Title: WebEOC System Maintenance / Support

Description: The Office of Administration, Information Technology Services Division (ITSD) requires ongoing maintenance and support of their WebEOC system. The WebEOC system is proprietary and only available from Intermedix, doing business as ESi Acquisitions. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
