

Single Feasible Source Purchase

Title: Labor Exchange System Module

Description: The Office of Administration, Information Technology Services Division (ITSD) requires the Geographic Solutions labor exchange module to be compatible with and seamlessly integrate with their Geographic Solutions case management system. The Geographic Solutions labor exchange module is proprietary to and only available from Geographic Solutions. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
