

## Single Feasible Source Purchase

Title: Life Technologies DNA Laboratory Reagents and Supplies

Description: The Missouri State Highway Patrol (MSHP) Crime Laboratory desires to establish a contract for Life Technologies DNA Reagents and Supplies via a single feasible source with Life Technologies Corporation. Life Technologies is the sole manufacturer and distributor of the Life Technologies reagents and supplies. The Life Technologies products are the only approved products for use with the Life Technologies distributed Applied Biosystems instruments that are owned and validated by the MSHP Laboratory for Human Identification applications.
