

Single Feasible Source Purchase

Title: Maintenance & Support for Oracle PeopleSoft Software

Description: The Missouri Department of Transportation (MoDOT) requires ongoing software maintenance & support for PeopleSoft software. The software maintenance & support pricing available from Oracle America is not available from resellers. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
