Rechargeable Battery Recycling

The MO State Recycling Program (MSRP) in cooperation with the Rechargeable Battery Recycling Corporation (RBRC) is offering a simple, convenient, **FREE** way to recycle your rechargeable batteries.

Common Uses of Rechargeable Batteries by Type: (Most rechargeable batteries are labeled according to type)

Ni-Cd Nickel Cadmium	Li-ion Lithium Ion	Ni-Zn Nickel Zinc	Ni-MH Nickel Metal Hydride	Pb Small Sealed Lead
If you are dealing with a standard size battery (AA, AAA, C, D) AND it is rechargeable it is likely a Ni-Cd type battery.	Power tools, camcorders, 2-Way radios, remote control toys	Power intensive portable products	Power tools, camcorders, 2-Way Radios	Similar to a car battery. Small, sealed lead-acid batteries weighing up to 11 pounds are eligible for recycling through this program
Cordless and cell phones, power tools	Lap-top computer		Lap-top Computer	

Who is eligible to participate?

Any State of Missouri agency may sign up through the MO State Recycling Program.

What should I do if I have multiple locations generating batteries for recycling?

Register each site separately. Provide each mailing address in your email to the Recycling Program.

What batteries can be recycled through this program? Only the types of rechargeable batteries listed above. **Alkaline batteries cannot be recycled through this program.**

What do I need to do to get started? Email your name, agency name, phone number, address, and the number of boxes you want shipped (see additional information below) to Recycling@oa.mo.gov Please put RBRC in the subject line.

Additional Information

Once you are registered with RBRC you will receive 2, 4, or 8 postage paid boxes for shipping batteries. When deciding on the number of boxes, **please note each box will hold approximately 50 pounds of batteries.** When your box supply is exhausted, replacement boxes will automatically be shipped to you. Periodically, the MSRP will receive combined collection statistics for all agencies that register through the MSRP. This information will be used when compiling the Annual Recycling Report.
