

Single Feasible Source Purchase

Title: Software Maintenance/Support for Existing Sybase Software

Description: The Division of Insurance, Financial Institutions, and Professional Registration (DIFP) requires ongoing software maintenance their existing Sybase software. The software and associated services are proprietary to and only available from Sybase. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
