DIRECT TRANSFERS

Property obtained from GSAXcess does not have to come to our warehouse. You have the option to have the property directly transferred, which means, it will be brought right to you. This makes it easier and quicker to get your property where and when it is needed. Shipping costs and delivery are the responsibility of the donee.

VIEWING PROPERTY IS EASY

GSAXcess is a great way to view property available through the Federal Donation Program. If you see something that you are interested in and if we are allocated the property, we will contact you. The donee is responsible for the transfer fee associated with the property.

Once you log in, you will see several categories of property.

Each category will have a list of states that property can be found.

Once a state is chosen, you will see what property is available.

Email Tammy at tammy.anderson@oa.mo.gov to set up a GSAXcess account.
