**State Vehicular Travel Policy (SP-12) Requirements & Trip Optimizer:**

The State Vehicular Travel Policy requires employees to take the lowest cost travel option for in-state travel. Please refer to the following website to view the State Vehicular Travel Policy: <http://tripoptimizer.mo.gov/>.

The Trip Optimizer is a tool to help agencies determine the most cost effective mode of in state travel between state vehicles, rentals, mileage reimbursement and Amtrak. State employees simply have to enter the number of trip days and round trip miles and the most cost effective travel option is displayed. The Trip Optimizer can be found on the State Fleet Management website at: <http://tripoptimizer.mo.gov/>.

In the event it's more cost-effective to rent a car off this contract, then please do so.

**State Travel Regulations:**

All travel must be conducted in compliance with state travel regulations. Please consult this site for details:

<http://www.sos.mo.gov/adrules/csr/current/1csr/1c10-11.pdf>

**Accident Reporting Procedures:**

A driver involved in an accident in a state vehicle or rental vehicle should contact the nearest law enforcement official. Do not make any statement concerning assumption of liability. Give only the information required by the law enforcement authorities.

Collision damage and liability coverage are included in the daily rental rate. In the event of a serious accident where there is major damage to vehicles, property or bodily injury, please contact the Office of Administration, Risk Management Section to discuss whether the accident should be reported. In all cases, capture the following basic information: Names, addresses, vehicle registration, driver license number, and phone number of the other drivers and information on any other persons involved. Obtain insurance information from the other drivers. Record facts about the vehicle, property damage and any damage to other property. Get the names and addresses of all available witnesses to the accident.

Immediately contact the Enterprise renting branch listed on the pink copy of the rental agreement given to you at the time of rental, and complete an Enterprise Accident Report form. Do not sign any statements except those required by law enforcement officials, Risk Management or Enterprise. Report the accident to your state agency and contact OA Risk Management prior to completing the I Automobile Loss Notice Form # MO300-0068. If it is deemed necessary to report the accident to OA/Risk Management forward the completed form to Risk Management within two days. Request a copy of the police report and forward it to:

Risk Management  
Office of Administration  
P.O. Box 809  
Jefferson City, MO 65102.

State guidelines about accident reporting can be found at this Internet site:

**Hertz Specific Information**

**Rental Reservations**

Hertz has an online reservation system for the State of Missouri. Contract pricing is built in. A link to the online reservation website is included within the Trip Optimizer or can be directly accessed at:

<http://link.hertz.com/link.html?id=49142&LinkType=HZLK>. Reservations may also be made by calling Hertz at: 1-800-654-3131.

**Hertz Corporation** – In order to utilize the P-Card for rentals through Hertz, a division/department must obtain a direct billing account for the specific P-Card to be used (see instructions below). Each agency will be assigned a confidential direct bill number for booking reservations. **NOTE: If your agency does not have an applicant number (direct bill) (based on application process below), you can still access the contracted rates by providing the CDPID#, however the employee will have to pay for the rental with their own personal credit card and seek reimbursement.**

In order to facilitate direct billing or to make changes to an existing direct bill account please contact the following:

Hertz Corporation  
Jeffrey Greene  
540-841-8455

**Hertz Corporation** – Hertz offers two Direct Bill Options.

1. Guaranteed Charge Card option which the form of payment is linked to a P/Card or Credit Card. (GCC Application)
2. Central Billing is monthly statement and payment submitted back to Hertz through ACH. (HCC Application – we request a W-9 with this application)

Send the application to Nadika Perera via e-mail ([nadika.perera@hertz.com](mailto:nadika.perera@hertz.com)). This will basically give approval for reservations to be billed to the P-Card. Upon approval of the application, your agency will be assigned an applicant number for booking reservations.

**Accident reporting.**

When an accident occurs, please obtain a police report, if possible. Take photos and documentation to help the Hertz claims team. The insurance information for Hertz rental car will be located in the glove compartment. Call the location and notify them of the accident. Make sure to fill out a Vehicle Incident Report form and turn it in to the location. These forms are available at the location and on [www.hertz.com](http://www.hertz.com).
