

Single Feasible Source Purchase

Title: Building Blocks – Maternal, Infant and Early Childhood Home Visiting

Description: Provide nurse home visiting services to low-income, first time mothers enrolled in the Building Blocks of Missouri program prior to the 28th week of pregnancy and their infants until two years of age in the Southeast Region (Bollinger, Cape Girardeau, Dunklin, Mississippi, New Madrid, Perry, Scott, Ste. Genevieve, Pemiscot, and Stoddard Counties)

Building Blocks of Missouri qualifies as a single feasible source since they are certified to provide the copyrighted Nurse-Family Partnership program that provides home visiting services to first-time parents.

Contract Period: October 1, 2015 through September 30, 2016
