

Single Feasible Source Purchase

Title: Software License Maintenance/Support/Subscriptions for CA Mainframe Software

Description: The Missouri Information Technology Services Division - State Data Center requires ongoing software maintenance/support/subscriptions for CA, Inc. mainframe software. The software and associated services are proprietary to and only available from CA, Inc. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
