

## Single Feasible Source Purchase

Title: Electronic Student Record Verification

Description: The Missouri Department of Elementary and Secondary Education P-20 Interagency Workgroup will submit lists of former Missouri students to the National Student Loan Clearinghouse in order to obtain data on the students' enrollment status and educational achievements at educational institutions inside and outside the state. The Clearinghouse will compare Missouri's files with the Clearinghouse's database and provide the Missouri Department of Elementary and Secondary Education P-20 Interagency Workgroup with information on the enrollment and academic achievements of the individuals in the Missouri files with the information provided by postsecondary institutions to the Clearinghouse.

The National Student Loan Clearinghouse is the only central nationwide repository of information on the enrollment status and educations achievements of postsecondary students in the United States.
