# **OVERVIEW INFORMATION**

*This page left blank intentionally.*

October 1, 2024

The Honorable Mike Parson  
Governor of Missouri  
State Capitol Building, Room 216  
Jefferson City, MO 65101

Dear Governor Parson:

The State Board of Education and the Department of Elementary and Secondary Education are pleased to submit the Fiscal Year 2026 budget request—approved by the State Board of Education—for your consideration.

Quality public education increases opportunities for success for each of our students and is vital to Missouri’s future. Our budget contains requests that are critical to the current needs and future success in our state. Continued full funding of the foundation and school transportation formulas is essential to supporting schools. Restored federal funding is crucial to continue providing necessary services to our most vulnerable citizens. In addition to the mandatory items in the budget request, high priority requests that align with the Department’s strategic priorities are included. These priority requests are designed to improve early literacy efforts, sustain access to quality child care, enhance student learning through innovative assessments, and strengthen the education profession through the training and support of teachers, principals, and assistant principals.

Our commitment to quality schools, effective educators, and high expectations for ALL students has never been more important. The Department is committed to providing the support necessary for schools and districts in their efforts to better serve our children.

Investing in education has always been a priority for the state of Missouri. We appreciate your continued support.

Sincerely,

Dr. Karla Eslinger  
Commissioner of Education

# **PROGRAM DESCRIPTIONS**

*This page left blank intentionally.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.005

**Summer EBT Operations**

**Program is found in the following core budget(s):** Summer EBT Operations

**1a. What strategic priority does this program address?**  
**Needs-Based Funding & Resources**

**1b. What does this program do?**

The U.S. Department of Agriculture's Food and Nutrition Service (FNS) administers the National School Lunch Program (NSLP) and allows for a Summer Electronic Benefits Transfer (EBT) program to provide grocery-buying benefits to low-income families with school-aged children during the summer months. Beginning summer of calendar year 2024, qualified families, who are determined eligible for free or reduced priced school meals are eligible and will receive \$40 per eligible child per month. In collaboration with the Department of Social Services (DSS), DESE will determine eligibility and transfer eligibility information to DSS. DSS will then work with their card vendor to process payments (load the monetary benefit on the EBT cards) and distribute the benefits to the families. Additionally, the Summer EBT program requires a state level application. There will be families that apply outside of the school level meal eligibility program. This includes children who are in a Community Eligibility Program (CEP) school receiving free meals under the Provision, who would normally be eligible based on household income.

**2a. Provide an activity measure(s) for the program.**

The number of children served will be collected.

**2b. Provide a measure(s) of the program's quality.**

The required volume of interaction with school districts to collect and resolve eligibility data will be tracked.

**2c. Provide a measure(s) of the program's impact.**

The total benefits issued in the summer period will be reported.

**2d. Provide a measure(s) of the program's efficiency.**

Information on data collection and accuracy for timeliness of benefit issuance will be tracked.

**PROGRAM DESCRIPTION**

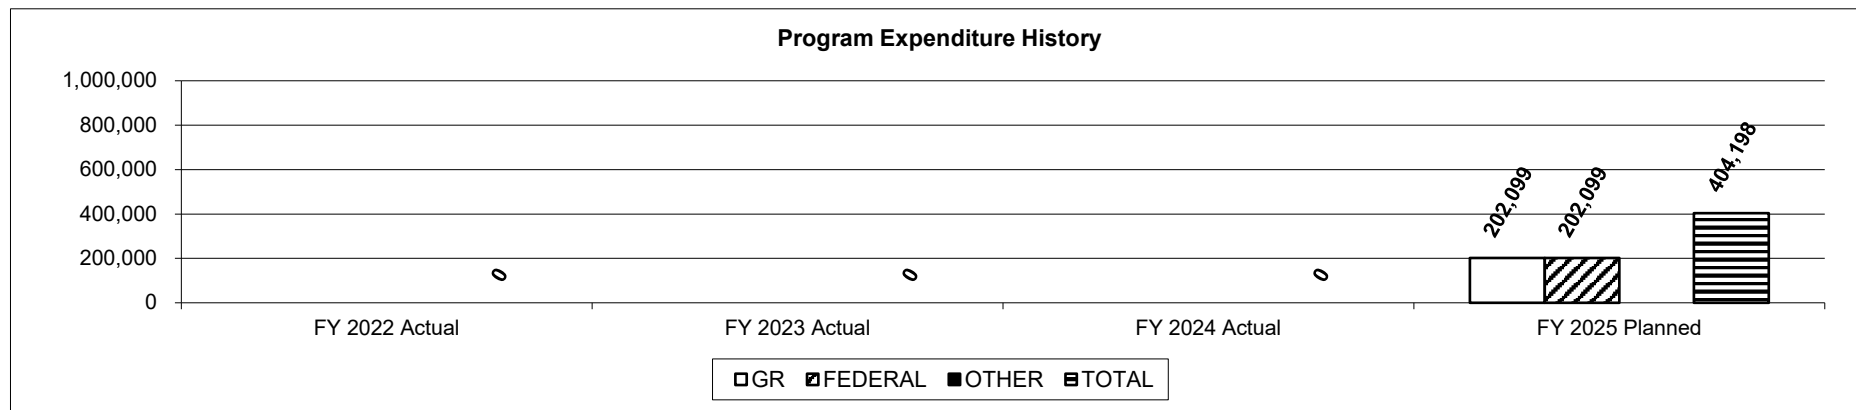

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.005

**Summer EBT Operations**

**Program is found in the following core budget(s):** Summer EBT Operations

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**4. What are the sources of the "Other " funds?**

NA

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

Federal with a 50 percent State General Match

**6. Are there federal matching requirements? If yes, please explain.**

Yes, requires state to match 50 percent of the federal funds expended.

**7. Is this a federally mandated program? If yes, please explain.**

No, states are not required to operate the program.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.130

**School Broadband**

**Program is found in the following core budget(s): School Broadband**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workplace Development

**1b. What does this program do?**

The legislature approved funding for the purpose of providing funds to public schools, eligible for Federal E-rate reimbursement. The goal of the broadband internet access initiative is to close the fiber gap in the State’s public education by assisting districts in obtaining high-speed, fiber-optic connections to the school buildings.

This funding is to be used as a state match of up to ten percent (10%) of E-rate eligible special construction costs under the Federal E-rate program pursuant to 47 CFR 54.505, and to provide additional funds to eligible public schools in the amount necessary to bring the total support from Federal universal service combined with state funds under this section to one hundred percent (100%) of E-rate eligible special construction costs, provided that no funds are used to construct broadband facilities to schools and libraries where such facilities already exist providing at least 100 megabits per second (mbps) symmetrical service; and further provided that to the extent such funds are used to contract broadband facilities, the construction, ownership and maintenance of such facilities shall be procured through a competitive bidding process; and further provided that funds shall only be expended for telecommunications, telecommunications services, and internet access and no funds shall be expended for internal connections, managed internal broadband services, or basic maintenance of internal connections.

**2a. Provide an activity measure(s) for the program.**

100% of school districts have the minimum required bandwidth of 100 kilobits per second (kbps) per student.

Source: <https://www.educationsuperhighway.org/our-story/state-rankings/>

Year	Schools Receiving Funds
2018-19	6
2019-20	3
2020-21	3
2022-23	4
2023-24	3 remaining
2024-25	0

Roscoe C-1 received partial funding in 2018-2019 and has not invoiced the remaining funds.

The remaining school districts are Marshall, North Daviess R-III, and Roscoe C-1.

All programs are complete.

**2b. Provide a measure(s) of the program's quality.**

N/A

**PROGRAM DESCRIPTION**

Department of Elementary and Secondary Education  
 School Broadband  
 Program is found in the following core budget(s): School Broadband

School Broadband

Program is found in the following core budget(s): School Broadband

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe

4. What are the sources of the "Other " funds?

School Broadband Fund (0208-3928)

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

House Bill Section 2.130

6. Are there federal matching requirements? If yes, please explain.

Yes, The E-rate program will match 100% of the State match of up to ten percent (10%) of E-rate eligible special construction costs under the Federal E-rate program.

7. Is this a federally mandated program? If yes, please explain.

No

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.015

**Foundation - Formula**

**Program is found in the following core budget(s):** Foundation-Formula

**1a. What strategic priority does this program address?**

Needs-Based Funding & Resources

**1b. What does this program do?**

The education funding formula is the mechanism used to distribute funds to eligible education agencies. It was adopted in SB 287 (2005) and went into effect July 1, 2006. The formula follows a student needs philosophy and seeks to assure that sufficient funds are available in all districts to provide an adequate education for all students. This also includes payment to remit an amount equal to the amount of revenue a district would have received from Financial Institution Tax Reduction as directed per 163.031, RSMo., Kindergarten Payment per Section 160.051, RSMo., and Article X, Section 21, Fine Reduction payment per 163.038, RSMo., and funding equity for charter schools per 160.415 RSMo.

The weighted average membership is the average September and January membership of the regular school term and summer school plus additional adjustments for counts for students eligible for free or reduced-price lunch, students receiving special education services and students identified as Limited English Proficient. The weighted average daily attendance is the average daily attendance of the regular school term and summer school plus additional adjustments for counts for students eligible for free or reduced-price lunch, students receiving special education services, and students identified as Limited English Proficient. The initial state adequacy target was a calculation of the average 2003-04 expenditures per average daily attendance of the districts identified as successful by meeting all performance standards on the Missouri School Improvement Program Annual Performance Report. The dollar value modifier provides an adjustment to recognize the relative purchasing power of a dollar. The local effort deduction is a calculation of certain actual revenues received in 2004-05 and the amount of tax revenue the district would have received at the \$3.43 performance levy applied to the 2004 assessed valuation. The calculated state adequacy targets were \$6,117 (2007 to 2010), \$6,124 (2011), \$6,131 (2012), \$6,423 (2013), \$6,716 (2014), \$6,580 (2015 to 2016), \$6,241 (2017 to 2018), \$6,308 (2019), \$6,375 (2020 to 2024), \$6,760 (2025), and \$7,145 (2026).

Foundation - Transportation

Program is found in the following core budget(s): Foundation - Transportation

**1a. What strategic priority does this program address?**

Needs-Based Funding & Resources

**1b. What does this program do?**

Section 165.231, RSMo mandates that students who live more than 3 1/2 miles from the school they attend must be provided transportation. Also students who live 1 mile to 3 1/2 miles may be transported with state assistance. Section 163.161, RSMo establishes the state transportation aid program that reimburses school districts for a portion of their pupil transportation service.

Equal access through school transportation enhances the equitable opportunity to learn for all students. School districts transport pupils and are partially reimbursed by the state the following year for the previous year's transportation costs. To determine a district's reimbursable costs, total allowable costs are adjusted to remove any costs for ineligible miles and ineligible student riders. A negative adjustment, no greater than 30%, is then made to a district's reimbursement for cost efficiency if a district spends more for its transportation service than what similar districts spend. Per statute, the state aid for transportation is a maximum of 75% of a school district's reimbursable costs for transporting eligible pupils. The resulting calculation is then reduced to match the available appropriation.

**2a. Provide an activity measure(s) for the program.**

Small Schools Program

Program is found in the following core budget(s): Foundation - Small Schools Program

**1a. What strategic priority does this program address?**

Needs-Based Funding & Resources

**1b. What does this program do?**

Section 163.044, RSMo authorizes specific funding for small school districts, defined as districts with average daily attendance of 350 students or less in the preceding school year. The required appropriation of \$30 million will assist these districts in funding activities including but not limited to distance learning, extraordinary transportation costs, rural teacher recruitment, and student learning opportunities not available within the district. The distribution of the money requires that \$20 million be distributed on an equal amount per average daily attendance to the eligible districts and \$10 million be distributed on a tax-rate-weighted average daily attendance basis to the eligible districts with the current year operating levy for school purposes equal to or greater than \$3.43.

**Program is found in the following core budget(s): State Board Operated Programs**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Missouri School for the Blind (MSB) provides educational services for visually impaired and blind students in Missouri when the local school district is unable to meet the needs of students and is deemed as the least restrictive environment. The center-based educational program serves students ages 5-21 in three placement options: full-time placement (regular school year), short-term placement (6-12 weeks), and transitional placement for both day campus services and residential services. MSB also offers multiple outreach services to districts, families, educators, providers, and the community.

**2a. Provide an activity measure(s) for the program.**

Indicator - Students Served	FY 2021 Actual	FY 2022 Actual	FY 2023 Actual	FY 2024 Actual	FY 2025 Projected	FY 2026 Projected	FY 2027 Projected

**1b. What does this program do?**

Missouri Schools for the Severely Disabled (MSSD) is a state operated program serving Missouri students with severe disabilities. A student is referred to MSSD when the local school district is unable to meet his or her educational needs and is deemed as the least restrictive environment. MSSD serves students ages of 5-21, who have severe to profound disabilities as defined by the Missouri State Plan for the Individuals with Disabilities Education Act (IDEA) classification system. MSSD operates 34 schools across the state and serves approximately 700 students. Main offices for the MSSD superintendent and other supervisory staff are located in Jefferson City. Area offices are located in Sedalia, St. Louis, and Springfield. Area directors work with the MSSD schools in their service areas.

There are Maintenance of Effort (MOE) requirements related to the IDEA Part B federal grant. MOE requires the state to appropriate the same amount of state funds for special education programs as it did the previous year. The threshold must be maintained or the state will forfeit federal funding for each year the state does not meet the original threshold.

7. Is this a federally mandated program? If yes, please explain.

No

**Missouri Quality Prekindergarten Child Care**

**Program is found in the following core budget(s):** Missouri Quality Prekindergarten Child Care

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The Missouri Quality Prekindergarten (MOQPK) Child Care Grant program is designed to expand the funding for prekindergarten instruction and increase access for low-income families. Funds are available for child care programs to serve prekindergarten students in the year prior to kindergarten eligibility, in a quality program consistent with Section 161.213, RSMo. Each full-time enrolled child receives a minimum of 1,044 hours of instruction, with priority given to students at or below 185 percent of the federal poverty level not already receiving the full child care subsidy benefit for the same instructional services.

**2a. Provide an activity measure(s) for the program.**

*Note: FY 2024 is the first year of this appropriation.*

**1a. What strategic priority does this program address?**

Needs-Based Funding & Resources

**1b. What does this program do?**

The condition of school buildings throughout the state varies dramatically. This program is designed to help improve the school buildings in the state by reducing the interest cost districts pay on general obligation bonds. The funding is for the administrative costs required to ensure school districts can utilize the credit quality of the state. Since 1995, 3,215 issues in excess of \$20.2 billion in general obligation bonds have participated in this program. The program is instrumental in lowering the cost of capital project needs of Missouri school districts with no increase in state aid and at only a modest administrative cost.

The Direct Deposit Program, established by SB 301 in 1995 and administered by the Missouri Health and Educational Facilities Authority (MOHEFA), provides for credit enhancement of school district bonds by authorizing the direct deposit by the State of Missouri of a portion of a school district's state aid payments to a trustee bank that in turn makes payment to the paying agent on the bonds. Section 164.303, RSMo, authorizes funds not to exceed seven million dollars per year to be transferred by appropriation to the School District Bond Fund from the Gaming Proceeds for Education Fund before transferring gaming money to the Classroom Trust Fund. The total \$7 million transfer has not been made since FY 2002.

Sections 178.420 to 178.585 RSMo

**6. Are there federal matching requirements? If yes, please explain.**

Yes—the state must match on a dollar-for-dollar basis the funds reserved for administration for the federal Perkins Grant. The hold harmless requirement in the federal legislation indicates that a state must provide an amount that is not less than the amount provided by the state for administration in the preceding fiscal year. In addition, the maintenance of effort (funds pulled from the Career Education Foundation appropriation (9233)) requirement for Perkins indicates a state must provide funding for career and technical education programs at least at the level of support of the previous year.

**7. Is this a federally mandated program? If yes, please explain.**

**School Nutrition Services**

**Program is found in the following core budget(s): School Nutrition Services**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The National School Lunch, Food Distribution, After School Snack, School Breakfast, Special Milk, and Seamless Summer Option programs are federally funded entitlement programs. The purpose of these programs is to assist Missouri public and non-public schools in providing nutritious lunches, after school snacks, breakfast, and extra milk to students.

Federal cash assistance is extended to public and non-public schools based upon set federal reimbursement rates according to the type of meals, after school snacks, and milk served. The Fresh Fruit and Vegetable Program is a grant based program providing fresh fruits and vegetables to students outside the breakfast and lunch times. The Food Distribution Program provides a variety of foods that are distributed for use in school feeding programs.

The goal is to increase food security and reduce hunger for children to learn at their full potential. Nutritious food, provided at school, benefits all students by assisting them to achieve to their maximum potential in all school related goals. Access by all students to nutritious food at school supports high academic performance and equity for all students. The federal cash assistance and the donated foods enable schools to make the cost of school meals affordable to full price students. Students from low income families are provided meals and after school snacks free (for households with income at or below 130% federal poverty level (FPL)) or at a reduced rate (for households with income at or below 185% FPL.)

2c. Provide a measure(s) of the program's impact.

*\*\*COVID-19 Pandemic Nationwide waivers allowed Local Education Agencies (LEAs) to operate the Seamless Summer Option (SSO) in lieu of National School Lunch Program (NSLP). Under this SSO provision all meals are served free to all students who participate and students are not counted for a meal by free or reduced-price eligibility. Food and Nutrition Services (FNS) does not have a mechanism to track average daily participation under the SSO provisions since all meals are offered free. Average daily lunch participation and breakfast participation indicate a decrease for this reason. Nationwide waivers to operate SSO during the regular school year in lieu of NLSP expired June 30, 2022. We can expect average daily participation to return to normal.*

	<u>CFDA#</u>	<u>Law/Regulation</u>
National School Lunch/After School Snack/Donated Foods Program	10.555	7CFR210,250
School Breakfast Program	10.553	7CFR220
Special Milk Program	10.556	7CFR215
Fresh Fruit & Vegetable Program	10.582	Section 19 of the Richard B. Russell National School Lunch Act

**6. Are there federal matching requirements? If yes, please explain.**

Yes. For each school year, the amount of General Revenue appropriated for the National School Lunch Program shall not be less than 30 percent of the federal funds received by the state during the 1980-1981 school year. If in any school year, the state fails to meet the matching requirement, the federal funds utilized shall be repaid to the United States Department of Agriculture. The matching percentage, as required by the National School Lunch Act is 30 percent; however, the percentage is adjusted for each state according to the state's per capita income in relation to the national per capita income.

**7. Is this a federally mandated program? If yes, please explain.**

Yes, the National School Lunch/After School Snack/USDA Commodity Foods Program, School Breakfast Program and the Special Milk Program are federally funded entitlement programs for schools to opt into participation and receive Federal reimbursement.

No

**7. Is this a federally mandated program? If yes, please explain.**

No

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.050**

**Division of Financial and Administrative Services**

**Program is found in the following core budget(s): ARP EANS (EANS II)**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

Emergency Assistance for Non-public Schools (EANS II) Funds are available under the American Rescue Plan (ARP) Act. Initially, assistance focused on 76 schools with a significant percentage of economically disadvantaged students. Ultimately, 245 schools requested and are receiving assistance under this program. EANS II allows for assistance through procurement but does not allow for non-public schools to be reimbursed, unlike EANS I which allowed for both. Eligible schools can request assistance for sanitization supplies, personal protective equipment, improving indoor air quality, staff training, other materials and activities that mitigate the effects of the coronavirus, educational technology, curriculum development, transportation and infrastructure costs, and maintaining education support services.

**2a. Provide an activity measure(s) for the program.**

200 nonpublic schools have requested services out of the approved 242 nonpublic applicants.

**2b. Provide a measure(s) of the program's quality.**

There were 242 nonpublic schools with approved applications out of 249 applicants.

**2c. Provide a measure(s) of the program's impact.**

*Note: These are categories and amounts as requested by the non-public schools in their applications. This does not represent expenditures.*

**Federal Grants and Donations**

**Program is found in the following core budget(s): Federal Grants and Donations**

**1a. What strategic priority does this program address?**

Needs-Based Funding & Resources

**1b. What does this program do?**

The federal grants and donations appropriation provides authority to accept and make use of federal grants and donations that may become available during the fiscal year. Having appropriation authority to readily accept and make use of federal grants and private donations as they become available at various times during the fiscal year results in school districts having more immediate access to available funding.

**2a. Provide an activity measure(s) for the program.**

During FY 2024 funds from nine grant programs were expended through this appropriation.

Grant/Program Name	Comments/Notes	Amount
Governor's Emergency Education Relief (GEER) Fund	GEER extension approved, no appropriation authority continued.	\$200,818
Coronavirus Aid, Relief, and Economic Security (CARES) Act Healthy Schools	Healthy Schools extension given, no appropriation authority continued.	\$22,753
Project Expanded Impact Grant	Prior year expenses paid in FY24 prior to new appropriation due to funding stream outlined in contract.	\$11,000
Kauffman Grant	This was a one-time grant that expanded multiple years. Due to the small award amount, DESE did not seek a NDI based on budget instructions.	\$38,920
First Steps Medicaid Services	Needed expanded appropriation authority or payments would be held.	\$2,393,926
MO Healthy Schools Grant	This was a one-time grant that expanded multiple years. Due to the small award amount, DESE did not seek a NDI based on budget instructions.	\$122,590
Statewide Longitudinal Data Systems (SLDS) Grant	This was a one-time grant that expanded multiple years. Due to the small award amount, DESE did not seek a NDI based on budget instructions.	\$78,343
Council of Chief State School Officers Teacher Table Initiative Grant	This was a one-time grant.	\$8,131
Adult Vocational Education Flow Through for Postsecondary Schools	Needed expanded appropriation authority or payments would be held.	\$1,133,920
<b>FY 2024 Total</b>		<b>\$4,010,401</b>

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.035

**Office of Educator Quality**

**Program is found in the following core budget(s):** Career Ladder

**1a. What strategic priority does this program address?**

Educator Recruitment and Retention

**1b. What does this program do?**

The Missouri Career Development and Teacher Excellence Plan (Career Ladder Program) is a voluntary performance pay matching program established by 168.500 RSMo and 5 CSR 20-400.370. The purpose of Career Ladder is to provide additional compensation to teachers for additional duties and responsibilities. This funding extends the Career Ladder program into a fourth year after last being funding in FY 2010. The program increases the state portion of the funding and enables more teachers with less experience to participate in the Career Ladder Program in an effort to help with teacher retention efforts of early career teachers. It also provides opportunity for teachers with more experience to receive additional pay as an effort to retain teachers with more experience. In its second year of restored funding, Career Ladder was in place in 205 school districts impacting over 16,000 teachers.

**2a. Provide an activity measure(s) for the program.**

Based on this allocation for Career Ladder, the Department will calculate the number of districts that apply for and receive Career Ladder funds. The last time Career Ladder was in place back in 2010, approximately 350 districts participated. FY 2021 and FY 2022 data is not available for any of the following performance measures as funding was restored to the Career Ladder Program in FY 2023.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.035

**Office of Educator Quality**

**Program is found in the following core budget(s):** Career Ladder

**2b. Provide a measure(s) of the program's quality.**

Career Ladder provides the opportunity to increase teacher's time spent on responsibilities or voluntary efforts related to the District School Improvement Plan, Curriculum Development Plan, Professional Development Plan, Missouri School Improvement Program, or instructional improvement plan. All of these areas positively impact learning for students. As the amount of time increases, benefits for students increase as well. The last time Career Ladder was in place was FY 2010, and approximately 18,000 teachers participated. Assuming each of these teachers spend an average of 75 hours on Career Ladder responsibilities or voluntary efforts, there would be an additional 1,350,000 hours spent impacting the learning of students.

**2c. Provide a measure(s) of the program's impact.**

More teachers will be impacted each year the Career Ladder Program is implemented. As more teachers are impacted, more students will be impacted as well. The last time Career Ladder was in place in FY 2010, approximately 18,000 teachers participated.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.035

**Office of Educator Quality**

**Program is found in the following core budget(s):** Career Ladder

**2d. Provide a measure(s) of the program's efficiency.**

Career Ladder will increase the compensation that teachers receive. This increased financial support will improve teacher morale and satisfaction with being a part of the teaching profession. The increased satisfaction will have a positive impact on teacher retention. In FY 2023, the teacher retention rate of Career Ladder teachers was 4.7% higher than the retention rate of all teachers in those school districts who participate. In FY 2024, the teacher retention rate of Career Ladder teachers was 5.4% higher than all teachers in those school districts who participate. In FY 2025, the teacher retention rate of Career Ladder teachers was 6% higher than all teachers in those school districts who participate. In FY 2026, the teacher retention rate of Career Ladder teachers was 6.5% higher than all teachers in those school districts who participate. In FY 2027, the teacher retention rate of Career Ladder teachers was 7% higher than all teachers in those school districts who participate. Teacher retention rates will continue to improve as a result of participation in the Career Ladder program.

*\* The teacher retention calculation is based on all teachers as the Career Ladder Program is not eligible to teachers with less than 2 years experience.*

**PROGRAM DESCRIPTION**

**4. What are the sources of the "Other " funds?**

Fund 0291 Lottery Proceeds

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

RSMo 168.500 - 168.515

**6. Are there federal matching requirements? If yes, please explain.**

No

**7. Is this a federally mandated program? If yes, please explain.**

No

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.040

**Teacher Baseline Salaries**

**Program is found in the following core budget(s):** Baseline Teacher Salaries

**1a. What strategic priority does this program address?**

Educator Recruitment and Retention

**1b. What does this program do?**

This program provides school districts and charter schools with 100 percent of the funding, plus 16 percent for related payroll benefits, needed to increase teacher salaries from \$25,000 to \$40,000. School districts and charter schools must apply for this funding on behalf of their eligible teachers.

**2a. Provide an activity measure(s) for the program.**

Based on this allocation, the Department will calculate the number of districts that apply for and receive the Teacher Baseline Salary Grant. It is anticipated that the need for the Teacher Baseline Salary Grants will decrease over time as school districts increase to and surpass the required teacher salary as established by state law.

*Note: FY 2025 will be the first year where the minimum teacher salary as established by law is \$40,000.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.040**

**Teacher Baseline Salaries**

**Program is found in the following core budget(s): Baseline Teacher Salaries**

**2b. Provide a measure(s) of the program's quality.**

The Teacher Baseline Salary Grants will increase the state's average starting teacher salary over time as an increased number of new teachers are paid higher than the minimum starting teacher pay.

**2c. Provide a measure(s) of the program's impact.**

The Department will calculate the number of teachers that are impacted by the Teacher Baseline Salary Grants. It is anticipated that the need for the Teacher Baseline Salary Grants will decrease over time as school districts improve their starting teacher pay to exceed the amount required by law.

*Note: FY 2025 will be the first year where the minimum teacher salary as established by law is \$40,000.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.040**

**Teacher Baseline Salaries**

**Program is found in the following core budget(s): Baseline Teacher Salaries**

**2d. Provide a measure(s) of the program's efficiency.**

The Teacher Baseline Salary Grants will increase the state's average starting teacher's salary over time as an increased number of new teachers are paid higher than the average existing starting teacher pay. This will have a positive effect on teacher retention for early career teachers, or those teachers with less than five years of experience. Over time, teacher retention will increase as a result of the Teacher Baseline Salary Grants.

NOTE: FY 2024 data will be available after October 2024.

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**Urban Teaching Program**

**Program is found in the following core budget(s): Urban Teaching Program**

**1a. What strategic priority does this program address?**

Educator Recruitment & Retention

**1b. What does this program do?**

Teach for America Missouri (TFA MO) includes regional hubs in St. Louis (2002) and Kansas City (2008). The hubs offer responsive, pivotal solutions to educators through highly selective recruitment to introduce new talent to the profession, intensive pre-service and ongoing educator preparation and coaching, and cutting-edge strategies to retain talented educators and leaders in underserved schools and school districts in both urban centers. The vision for the program is that one day every child in Missouri will have the foundation they need to learn, lead, thrive, and shape a better future for themselves and others.

In Missouri, Teach For America is both a premier talent importer for the state and a significant influencer of teacher and school leader development. Beginning in 2013, the State of Missouri made a strategic investment in TFA to recruit, prepare, develop and retain the quality teachers in historically underrepresented schools in St. Louis and Kansas City because every child in Missouri deserves a truly remarkable education.

In the 2023-24 academic year, TFA actively supported more than 260 teachers of record through its five signature programs - Corps Members, Green Fellowship, Instructional Excellence Cohort, Aspiring School Leaders Fellowship, and Accelerate - with an additional 250 alumni working in Missouri schools. Finally, more than 100 TFA alumni serve as school district and system leaders in Missouri. Across all of its programming endeavors, more than 10,000 Missouri students each year depend on Teach For America for their education.

**Program Components**

Since inception, more than 2,000 Teach For America educators have impacted more than 700,000 students in Missouri in over 75 individual schools and 40 school districts (traditional and charter). Prior to the pandemic (2018-19 school year), TFA Missouri supported 144 teachers of record. Post pandemic (2022-23 school year), and facing never before seen challenges to the teaching profession, Teach For America is supporting more teachers than ever before. In the 2023-24 school year alone, TFA is responsible for supporting more than 260 educators through its five signature programs - Corps Members, Accelerate, Instructional Excellence Fellowship, Green Fellowship, and the Aspiring School Leaders Fellowship.

Last year, more than 500 Teach For America alumni had roles in education across Missouri. While recruiting new talent to the state remains a critical priority, Teach For America Missouri has come to be defined by even more dynamic and inclusive programming that prioritizes retaining talent in the state. In the 2024-25 academic year, and across all of its programming endeavors, Teach For America is poised to support approximately 265 educators, impacting more than 7,500 Missouri students.

**Corps Members**

Recent college graduates or aspiring career changers that are hired as full-time, salaried teachers of record and serve for two years in the classroom, receiving more than 150 hours of pre-service training and completing their certification through the University of Missouri St. Louis. Corps members receive intensive, ongoing professional development and support throughout their two year commitment and beyond. In the 2023-24 school year, 48% of corps members identified as a person of color, 55% were from a "low income" background, and 29% were the first in their family to graduate from college. On average, more than 70% of corps members selected for the program are not from Missouri, but come to live and work in the state. In the 2024-25 academic year, nearly 40 corps members will serve in 7 or more

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.060**

**Urban Teaching Program**

**Program is found in the following core budget(s): Urban Teaching Program**

**Green Fellowship**

This is a retention strategy, recruiting participants with at least three years of teaching experience, both Teach For America alumni and non-alumni, to teach for an additional two years. In addition to comprehensive coaching and professional development support throughout the fellowship, participants also receive \$10,000 per year for each year of participation. In the 2023-24 school year, 21 fellows supported more than 1,300 students. 54% of fellows identified as a person of color and 100% positively agreed, "The fellowship has helped me make an impact at my school." To date, more than 50 Green Fellows have served Missouri students, with 92% staying on for a fourth year of teaching in 2022-23. In 2024-25, 8 second year Green Fellows will participate in the program.

**Accelerate**

This provides structured development and support to beginning teachers and their mentors, in partnership with school leaders, and in alignment and compliance with Missouri Department of Elementary and Secondary Education Beginning Teacher Assistance Program (BTAP) requirements. Notably, Accelerate is available not just for educators that matriculate via the Teach For America talent pipeline, but rather to any new educator, long-term substitute or "new to the building" educator at an affiliated school site. Since the inception of the program (2017), more than 500 beginning teachers and their mentors have participated. In the 2024-25 academic year, approximately 190 beginning teachers will participate in the program across 8 public school districts.

**Instructional Excellence Fellowship & STEM Professional Learning Community**

This is a nine-month program designed to develop participants' teaching skills and build their network of experienced, equity-focused educators, leading to stronger student outcomes and increased teacher tenure. Aligned to The New Teacher Project's (Tntp) Core Teaching Rubric, the Instructional Excellence Fellowship includes monthly professional development sessions, networking opportunities, and visits to local schools. In the 2023-24 school year, 15 participants from 8 schools and 6 districts impacted more than 1,000 students. In 2024-25, 15 educators will participate in the fellowship.

**Aspiring School Leaders Fellowship**

The Aspiring School Leaders Fellowship launched in 2013 and is a nine-month program designed to accelerate participants' leadership development through networking with education leaders and monthly professional development sessions from national and local facilitators. This is done through monthly sessions, school visits, and includes an option to enroll in Saint Louis University's Master's in Educational Leadership and Principal Certification program. Since its launch, 108 leaders across Missouri have participated in ASLF, and today more than 30 past participants are leading schools in Missouri, and more than 75% remain in education. In the 2023-24 school year, 18 participants from 14 schools and organizations supported more than 2,600 students. In the 2024-25 academic year, 18 educators will participate in the program.

100% of participants agreed, "I would recommend ASLF to fellow educators"

100% of participants agreed, "As a result of ASLF, I am growing in my preparedness to advance my career in school leadership" One respondent stated, "ASLF inspired me to develop a creative vision and action plan towards educational excellence in the service of children and a prosperous future. "

47% of educators identified as the first in their family to graduate college

53% identify as persons of color

**Other Notable Accolades**

2022-23 Kansas City Public Schools Teacher of the Year, Laren Palmer, KC '09. From 2017 to 2023, 6 of the last 7 Kansas City Public Schools teachers of the year were Teach For America alumni.

2022-23 St. Louis Public Schools' Elementary Principal of the Year, Jim Triplett, STL '12. This is the 2nd year in a row that the SLPS Elementary Principal of the Year was a Teach For America alumni.

2023 Carmen Stayton (KC '09) was elected to the Special School District Board of Education for Subdistrict 1, representing Hazelwood, Maplewood-Richmond Heights, and Jennings school districts in St. Louis.

2023 Karen Bernstein (STL '10) was elected to the School District of University City Board of Education in St. Louis County

2024 Kathleen Neubling ('058) was named St. Louis Public Schools' Visual and Performing Arts Teacher of the Year

20214 Erin Wick (IEF '22) was named St. Louis Public Schools' Secondary Science Teacher of the Year

DESE anticipates that Teach For America Missouri will continue to be tremendously important to the state's education landscape. Like DESE, Teach For America Missouri is deeply invested in strategies that not only attract new talent to the profession, but also improve teacher retention.

**2d. Provide a measure(s) of the program's efficiency.**

**Program Efficiency**

Across all programs, Teach For America Missouri's average retention is 93%.

**Corps Members: 31 teachers located at 11 schools**

94% retained in school year 2023-24

DESE anticipates about 70% of Corps Members (those who completed their two-year commitment) will remain in Missouri and work in education or an education-aligned field

According to the results from the University of Missouri's student on Teach For America Missouri's effectiveness, TFA-KC Corps Members from the 2014 cohort stayed in the classroom for at least as long as non-TFA teachers, especially during their first two years. After their two-year TFA commitment, Corps members are showing similar retention to non-TFA teachers. In aggregate, Teach For America teacher retention has trended positively over the last few cohorts indicating stronger retention as a whole.

**Green Fellows: 21 fellows located at 10 schools**

100% retained in school year 2023-24

**Accelerate: 183 beginning teachers (K to 12) at 7 school districts**

93% of teachers in Accelerate were retained in their building for the next academic year, if a contract was extended to them

**Instructional Excellence Fellowship: 15 teachers at 8 schools**

100% of teachers are remaining in K-12 education in St. Louis for the 2024-25 school year

**Aspiring School Leaders Fellowship: 18 educators at 14 schools**

94% of educators are remaining in K-12 education in St. Louis for the 2024-25 school year

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.245

**Teacher of the Year**

**Program is found in the following core budget(s):** Teacher of the Year

**1a. What strategic priority does this program address?**

Educator Recruitment and Retention

**1b. What does this program do?**

The major purpose of the Teacher of the Year program is to reward classroom teachers for their contributions to Missouri students through public recognition, an awards banquet, cash awards and donated gifts. Teacher quality and effectiveness is the most important school-based factor impacting student learning. No one person has a greater impact on the education of a child than does the teacher who creates the learning environment where children flourish and grow. The mission of the Missouri Teacher of the Year Program is to honor, promote and celebrate excellence in the teaching profession.

Districts participating in the Teacher of the Year Program have found the program to have a positive impact on the entire community. Recognizing outstanding teachers: a) establishes a culture that rewards excellence in teaching; b) validates the work of teachers; c) provides teachers with a platform to speak about educational issues; d) gives students a sense of pride in their teachers; e) showcases teachers as positive role models; f) encourages students to think about teaching as a career; g) gives the community a sense of pride in its teachers; and h) helps to get the public involved and invested in the schools.

Beginning with the 2015-2016 year, the department added a Regional Teacher of the Year recognition level to the Missouri State Teacher of the Year Program. Through this addition, the program was able to recognize excellence in teaching at the school, district, regional and state levels. In addition, this fulfills the following goals: First, design a plan to recognize exemplary teachers from diverse educational communities (i.e. urban, suburban, rural) and second, provide a structure and protocol for identifying and recognizing exemplary performance statewide.

**2a. Provide an activity measure(s) for the program.**

The Teacher of the Year program is available to all Missouri school districts and charter schools with approximately 70,000 teachers statewide. The addition of the regional program and nomination process is allowing more districts and charter schools to actively participate by removing the barrier of requiring a formal district process. Prior to 2017, the majority of applicants represented only three regions of the state found along the I-70 corridor (St. Louis, Kansas City, and Heart of Missouri). As more districts are seeing the value and want to actively participate and have their district represented regionally, this is changing. Department of Elementary and Secondary Education (DESE) now has representation from every region.

**Program is found in the following core budget(s): Teacher of the Year**

**2b. Provide a measure(s) of the program's quality.**

The response received via nominations and district recommendations indicates that the department's customers feel that the addition of the Regional Teacher of the Year Program is highly successful. It speaks to the quality of the program when an implementation of another strategy allows a greater number of teachers to be recognized and rewarded. The number of statewide applications typically received prior to the advent of the nominations and Regional Program was between 35 and 40 statewide. Since 2017, with the implementation of the Regional Program, the nominations have significantly increased along with the quality of the applicants. For FY 2024, DESE received 525 nominations, which is significantly more than in the past. In addition, this has allowed DESE to meet an ever growing demand by districts, educator prep programs, and education associations for the service of the State Teacher of the Year by mobilizing semifinalists, finalists, and regional Teachers of the Year. Teachers in this program are taking leadership roles in their districts, serving on state committees and associations, presenting at both state and national conferences, as well as advocating for teaching as a career. Leveraging these recognized teachers allows Missouri to better meet the needs of our students.

**Department of Elementary and Secondary Education**

**AB Section(s): 2.245**

**Teacher of the Year**

**Program is found in the following core budget(s): Teacher of the Year**

**2c. Provide a measure(s) of the program's impact.**

In 2017, the Office of Educator Quality (OEQ) within DESE implemented the Regional Teacher of the Year recognition process as an intermediary step to the Missouri State Teacher of the Year Program. Many of the state's smaller districts and charter schools do not have a formal process in place to select a district Teacher of the Year and were unable to participate. Prior to 2017, only between 35 to 40 districts typically participated. Implementing the Regional Teacher of the Year process with two paths to the Missouri State Teacher of the Year (district selected teacher and nomination process), enabled all districts to participate through the nomination path. Each district is allowed to either self-select a District Teacher of the Year or nominate one teacher per district or charter school for Regional Teacher of the Year. This past year, 245 school districts had nominations. This was the highest number of school districts yet. Grant funding is used to recognize and reward these great teachers through Regional Teacher of the Year Banquets, the State Teacher of the Year Awards Banquet, cash awards and other donated gifts. In addition, the program supports best practice sharing across the state, working with pre-service teachers, advocating for public education as a career choice, and showcasing highly effective teachers.

**Department of Elementary and Secondary Education**

**AB Section(s): 2.245**

**Teacher of the Year**

**Program is found in the following core budget(s): Teacher of the Year**

**2d. Provide a measure(s) of the program's efficiency.**

Through the implementation of the two-pronged approach to the Regional Teacher of the Year Program, the program is now able to recognize and reward three times as many highly effective teachers across the state than in previous years. Regional applications are read and scored by regional teams and selections are made at the regional level. In addition, teachers are recognized regionally with celebrations and the regional centers are able to utilize these highly effective teachers in their respective regions. Now, each region of the state has candidates competing for Missouri State Teacher of the Year and the number of teachers being recognized regionally will continue to grow as more districts become aware of the nomination process.

The State Teacher of the Year Selection Committee reads and scores the state applications that are submitted from the 34 Regional Teachers of the Year. This has greatly streamlined the state process and also ensures that the state applications are of the highest quality. This process has been in place since 2017. In addition, all 34 Regional Teachers of the Year, along with their district superintendent, building principal, school board president and his or her significant other, are recognized at the state level awards banquet. This program not only recognizes the work of great teachers but highlights the support provided to them by their school districts.

The implementation of the Regional Teacher of the Year Program allows better service at all districts and charter schools by creating a model that allows participation from all. Recognizing the needs of the districts served and working hard to eliminate any roadblocks that hinder participation will allow the program to continue to grow, be more effective and efficient at the state level, and more equitable statewide. Ultimately, it allows the program to honor many more hard working and highly effective teachers across the state.

**1a. What strategic priority does this program address?**

Educator Recruitment and Retention

**1b. What does this program do?**

This program aims to recruit teachers to academic fields (e.g. Special Education, Physics) or schools in which it is difficult to fill positions. By providing scholarships to teacher candidates willing to work in those contexts, the program will remove financial obstacles that often prevent teacher candidates from completing a teacher preparation program. The statutory language associated with this program provides for up to 200 scholarships in 2024-25, with the number increasing in subsequent years.

**2a. Provide an activity measure(s) for the program.**

The program will document the number of scholarship recipients, the total amount of funds dispersed, and the average scholarship amount per recipient.

**Grow Your Own**

**Program is found in the following core budget(s): Grow Your Own**

**1a. What strategic priority does this program address?**

Educator Recruitment and Retention

**1b. What does this program do?**

The Grow Your Own (GYO) Program invites and cultivates high school students and other staff to begin the process of preparing to become a teacher, creating a local and unique pipeline of teacher candidates for local school districts. This funding provides grants to school districts, community colleges and educator preparation programs to work collaboratively together to grow the teacher workforce, with a particular emphasis on high minority, high poverty and rural remote schools. This expansion of the workforce ensures future teachers in hard-to-staff content areas and geographic locations.

During the past decade, overall enrollment in teacher education programs has declined. While this decline in teacher candidate enrollment impacts all school districts, it particularly impacts high minority, high poverty and rural remote schools the most. Attrition data provides an indication of the extent to which school districts must replace teachers from one year to the next. In the state of Missouri, average attrition rates for the last several years are over 11%. In this most recent year, it has grown to 11.9%. This is higher than the nationwide average of 8% or the average 4% that occurs in high performing countries. The majority of vacant positions are filled with new teachers. In our state, not only do too many teachers leave the profession, there are less and less teachers available to replace them. As a result, school districts fill positions with teachers that must teach out of their area of certification, or are filled with long-term substitute teachers, or are forced to leave positions vacant.

National research has shown that as much as 60% of teachers live within 20 miles of where the teacher attended high school (Reininger, 2012). GYO grants are

**2a. Provide an activity measure(s) for the program.**

This funding is used to support GYO programs, resulting in a continued increase in the enrollment in educator preparation programs and an increase in the number of candidates completing educator preparation programs.

Note: FY 2024 data will be available late fall 2024.

**Project Extended IMPACT**

**Program is found in the following core budget(s):** Office of Educator Quality

**1a. What strategic priority does this program address?**

Educator Recruitment and Retention

**1b. What does this program do?**

Project Extended Impact (IMPACT) which extends the reach and scope of the Missouri Leadership Development System (MLDS). The primary goal of IMPACT is to increase the capacity of a critical mass of Missouri school principals (critical mass is projected to be 60% of principals in each of the regions of the state) to address the salient needs exacerbated by the pandemic. IMPACT focuses in three key areas: accelerated academic learning, teacher recruitment & retention, development and student well-being. IMPACT recognizes that principals are uniquely positioned to provide the leadership in addressing the many challenges exacerbated by the pandemic. Principals are key to building a supportive school climate and developing responses to students' needs as well as, rapidly and effectively addressing student academic needs by improving principals' skills in strengthening and improving instructional practice. IMPACT provides principals intentional, focused strategies to lead in teaching staff accelerated learning for students.

Missouri Leadership Development System (MLDS) principals learn and apply new skills and knowledge with the coaching of leadership specialists and the guidance of professional mentors. Principals have ready access to MLDS Specialists in their region. MLDS Specialists are content experts who lead professional development and provide executive coaching (Davis et al., 2020). MLDS Specialists are selected from among the elite corps of school leaders in the state. The MLDS Specialists, with more than 150 hours of formal training, are located in the nine Regional Professional Development Center (RPDC) regions and provide training and coaching to principals in their region and lead the mentors assigned to each region. Collectively, these 27 current Specialists (9 of whom serve as regional leads) have extensive experience in school leadership. They were selected through direct recommendations from members of their regions. Project IMPACT will build the capacity of a large number of school principals to create systems in their schools to support accelerated learning, address student well-being, and effectively recruit and retain teachers.

In addition, MLDS Specialists provide participants with a post-training online survey to assess the relevance, quality, and usefulness of each professional development offering. External, comprehensive evaluations have been completed each year on the relevance and effectiveness of MLDS. The combination of the level of expertise of the MLDS Specialists, the regionally based cohort design for the learning, and the constant monitoring of data will ensure that key performance measurement targets are achieved.

Vocational Rehabilitation

Program is found in the following core budget(s): Vocational Rehabilitation

### 1a. What strategic priority does this program address?

Success Ready Students and Workforce Development

### 1b. What does this program do?

A strong Missouri workforce is one inclusive of people with disabilities. The Vocational Rehabilitation (VR) program provides access to the services and supports for individuals with disabilities to be successful in their job goals.

- **Competitive Integrated Employment:** VR assists individuals with physical and/or mental disabilities achieve competitive integrated employment.
  - Helps individuals with disabilities to maximize their employment, economic self-sufficiency, independence, and community integration by providing individualized guidance and counseling, and vocational rehabilitation services. Vocational rehabilitation services can include training, medical diagnosis, physical restoration, placement services, assistive technology, or other services as needed.
  - Provides hope, inspiration, and pathways to individuals whose disabilities are a substantial barrier to employment so they may prepare for, secure, retain, advance in, or regain employment.
- **High School Transition Services:** VR assists high school students with disabilities transition from school to the workforce.
  - Provides pre-employment transition services for students in: 1) Job exploration counseling, 2) Work based learning experiences, 3) Counseling for postsecondary education, 4) Work place readiness training, and 5) Instruction in self advocacy.
  - Provides summer work experiences for students with disabilities by coordinating with community rehabilitation providers (CRP) and businesses.
- **Services to Missouri Employers:** VR works to help educate businesses about accessibility and develops workplace opportunities for individuals with disabilities.
  - Assists businesses in meeting their workforce needs and establishing a more diverse workplace culture.
  - VR provides the following services to Missouri Employers: Employer Information and Support Services, Workforce Recruitment Assistance, Support in Strategic Planning and Economic Development, Access to Untapped Labor Pools, and Training Services.

**4. What are the sources of the "Other " funds?**

Fund 291- Lottery Funds (0291)

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

The statutory authority for the Vocational Rehabilitation program is from the Rehabilitation Act of 1973, as amended (29 U.S.C. 701-744) and Section 178.590, RSMo.

**6. Are there federal matching requirements? If yes, please explain.**

The match rate for this program is 78.7% federal and 21.3% state sources.

There are Maintenance of Effort (MOE) requirements related to the VR Federal Grant. Maintenance of Effort requires the state to appropriate and expend the same amount of state funds for the State VR Program as it did two years prior. The threshold must be maintained or the state will forfeit federal funding for each year the state does not meet the prior year threshold.

**7. Is this a federally mandated program? If yes, please explain.**

Yes, the Rehabilitation Act of 1973, as amended, establishes the requirement for a designated state unit to carry out the provision of the Act.

**AB Section(s):** 2.270

**Disability Determinations**

**Program is found in the following core budget(s):** Disability Determinations

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Disability Determinations (DD) program makes determinations of disability for Missourians filing for Social Security disability benefits.

- Decisions are based on medical and vocational information using the standards established by the Social Security Administration.
- The Federal Government, either through the Social Security Trust Fund or with Supplemental Security Income funds, pays recipient's disability benefits.
- The Disability Determinations program operations are totally funded with federal funds from the Social Security Administration.
- Funding and staffing ensure Missouri citizens receive accurate and timely disability decisions.
- An estimated 80,000 Missourians, based on Social Security workload estimates, will have determinations of disability made by the program in FY 2026.

**2a. Provide an activity measure(s) for the program.**

*Number of claims processed yearly is dependent on the number of Missouri Applicants. Projected estimate is calculated by SSA based on previous years.*

**4. What are the sources of the "Other " funds?**

None

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

State Rule 5 CSR 20-500.300 prescribes standards for implementation of the Disability Determinations Program as contained in the Code of Federal Regulations, Title 20, Chapter III.

**6. Are there federal matching requirements? If yes, please explain.**

No. Disability Determinations is 100% federally funded.

**7. Is this a federally mandated program? If yes, please explain.**

Yes, the Social Security Act establishes the requirements to carry out the provisions of Disability Determinations.

**PROGRAM DESCRIPTION**

**Department: Department of Elementary and Secondary Education**

**AB Section(s): 2.275**

**Independent Living Centers (ILC)**

**Program is found in the following core budget(s): Centers for Independent Living**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

Independent Living Centers (ILC) provide an array of services to assist Missourians with disabilities to remain independent in their communities rather than in an institutional setting.

- The Independent Living Centers located throughout Missouri provide the federally required five core services of Information and Referral; Advocacy, Peer Counseling, Transition (including transition from institutional settings, prevention of institutionalization and youth transition services), and Independent Living Skills Training within their communities.
- Centers assist individuals with disabilities of all ages by providing *unique* services to improve social, physical, and psychological functioning. Through regional and statewide consumer need assessments, centers implement effective programming not provided by other agencies. Without duplicating existing services, centers fill gaps within regions, resulting in no un-served communities statewide.
- Missouri individuals with disabilities utilize their Centers' instructive and supportive programs, gaining better access to other agency services through developed partnerships and collaborations, such as rehabilitation technology agencies and employment services agencies. This allows them to further utilize community resources in managing their personal needs.
- Centers seek community business partners in developing and improving community councils, supporting growth in industry to include increased awareness about accessibility and inclusion to help improve the quality of life for all community members.
- Centers leverage state resources to assist consumers with accessing additional and alternative services to develop the independent living skills necessary to improve the quality of life for persons with disabilities. Additionally, families reduce reliance on public assistance by more individuals with disabilities living independently.
- **In FFY 2023, Independent Living Center employees were 71% individuals with disabilities. (FFY24 data available late Fall 2024)**

<b>Number of Center Employees that Identified as a Persons with Disability</b>			
	Total Center FTE	Center Employees with Disability	Percent of Employees with Disability
FY 2021	609	412	67.7%
FY 2022	672	462	68.8%
FY 2023	673	476	70.7%

In FFY 2023, Missouri Centers employed 673 full-time staff across the State (including Part C Centers) and 476 of full-time staff identified as a person with a disability. Federal requirements state Centers for Independent Living (CIL) staff must comprise of at least 51% of staff employed identify as a person with a disability. Missouri Centers have consistently exceeded this requirement over the past years; full-time FFY 2023 staff identifying as a person with a disability was 70.7%.

*Note: IL Statistics are measured on a federal fiscal year. Data for FFY24 is not yet available.*

Independent Living Centers (ILC)

Program is found in the following core budget(s): Centers for Independent Living

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

4. What are the sources of the "Other " funds?

Independent Living Center Fund (0284-2809)

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

Sections 178.651- 658, RSMo provides the statutory authority for the Independent Living Services within Vocational Rehabilitation.

6. Are there federal matching requirements? If yes, please explain.

Yes. There is a 10% GR Match requirement.

7. Is this a federally mandated program? If yes, please explain.

Yes, the Rehabilitation Act of 1973, as amended, establishes Independent Living Services program.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.050

**Patriotic Education**

**Program is found in the following core budget(s): Patriotic Education**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

This funding is used for a patriotic and civics training program to prepare teachers to teach the principles of American civics and patriotism.

**2a. Provide an activity measure(s) for the program.**

For FY2024, a group of Social Studies educators met in person and online to produce a set of Civics and Patriotism lessons for K-12 educators. The lessons have been reviewed and posted to the DESE website. Along with those lessons, trainings were provided at each Regional Professional Development Center (RPDC). The trainings were attended by 293 educators across Missouri. The number of participants involved in the training, a survey of how those participants plan to use the information, and the number of teachers who request the advance training after participating in the local training will supply the activity measure for FY 2025.

**2b. Provide a measure(s) of the program's quality.**

For FY 2024, 99% of attendees of the trainings saw themselves teaching the Civics and Patriotism lessons from the bank, and 65.9% of the attendees ranked the likelihood of them sharing the lessons with others a 10 on a scale of 1 to 10 (10 being absolutely yes, 1 being absolutely no). Furthermore, 96.3% of attendees rated their likelihood of sharing the lessons as 8 or higher on the same scale. For FY 2025, program quality measures may be obtained through feedback surveys from participants in future trainings. At the end of the local trainings, we will request teachers to participate in a focus group to obtain feedback.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.050

**Patriotic Education**

**Program is found in the following core budget(s): Patriotic Education**

**2c. Provide a measure(s) of the program's impact.**

For FY 2024, nine trainings were provided across the state of Missouri. Each district that attended the trainings was provided a \$1,000 stipend for materials. Several teachers stated they planned to use the stipend for books referenced in the lessons. For FY 2025, the number of teachers participating in future training programs will be reported. The survey will include questions to measure how the efficacy of teaching civics and patriotism has improved over time. Also, as part of the professional development, teachers will make short lessons complement the lessons already developed. These lessons will be reviewed for quality.

**2d. Provide a measure(s) of the program's efficiency.**

The program's efficiency will be measured by dividing the total amount of money spent by the number of educators trained.  $\$398,000/293 = \$1,358.36$

**PROGRAM DESCRIPTION**

Care to Learn

Program is found in the following core budget(s): Office of College and Career Readiness

**1a. What strategic priority does this program address?**

Safe and Healthy Schools

**1b. What does this program do?**

This program provides resources for students' immediate needs in the areas of health, hunger, and hygiene so every student can be successful in school.

**2a. Provide an activity measure(s) for the program.**

Care to Learn provides the following items and services to students in need at the partnering school districts: food, clothing, shoes, hygiene items, laundry service, pest control, and payment for mental health, dental, optical, and medical appointments and treatment.

Number of Chapters (partnerships with school districts)				
FY2023	FY 2024	FY 2025	FY 2026	FY 2027
Actual	Actual	Projected	Projected	Projected
40	46	55	75	75

*This is a new program effective February 2023.*

*Data obtained from partners at Care to Learn.*

Number of students with access to Care to Learn resources				
FY2023	FY 2024	FY 2025	FY 2026	FY 2027
Actual	Projected	Projected	Projected	Projected
130,839	135,609	150,000	160,000	160,000

*This is a new program effective February 2023.*

*Data obtained from partners at Care to Learn.*

**2b. Provide a measure(s) of the program's quality.**

Liaisons are sent a survey after a need is requested to assess timeliness and quality of the service. Respondents reported that 93% of the needs were fulfilled in one day. The remaining needs were things such as medical appointments or glasses which take more time but were ultimately fulfilled.

Department of Elementary and Secondary Education

AB Section(s): 2.050

Care to Learn

Program is found in the following core budget(s): Office of College and Career Readiness

**2c. Provide a measure(s) of the program's impact.**

Care to Learn is expecting impact results by the end of September 2024 that are directly in response to referrals. Narrative impact statements are available. For example:

- "Under-resourced students are four times more likely to miss school. Students who have their clothing and hygiene needs covered feel included, recharged, and ready to take on the classroom."
- "Of the more than 900,000 students who attend Missouri public schools, one in five live below the Missouri poverty line. These students often have unmet medical, dental, and mental health concerns that make learning more challenging."
- "One in six kids is hungry each day and more than 200,000 children in Missouri live with food insecurity. Kids need healthy meals so they can stay energized, alert, and ready to conquer their day."

<b>Number of student needs met (health, hunger, hygiene)</b>					
	<b>FY2023</b>	<b>FY 2024</b>	<b>FY 2025</b>	<b>FY 2026</b>	<b>FY 2027</b>
	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>	<b>Projected</b>	<b>Projected</b>

Computer Science Education

Program is found in the following core budget(s): Computer Science Education

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The legislature approved \$450,000 for the purpose of creating a "Computer Science Education Program" to reach new and existing teachers with little computer science background; use effective practices for professional development; focus training on the conceptual foundations of computer science; reach and support historically underrepresented students in computer science; provide teachers with concrete experience with hands-on inquiry-based practices; and accommodate the particular needs of students and teachers in each district and school. The program is supported by the "Computer Science Education Fund" and began in the 2019-20 school year.

**2a. Provide an activity measure(s) for the program.**

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.106**

**Mental Health Coordinator**

**Program is found in the following core budget(s): Mental Health Coordinator**

**1a. What strategic priority does this program address?**

Safe & Healthy Schools

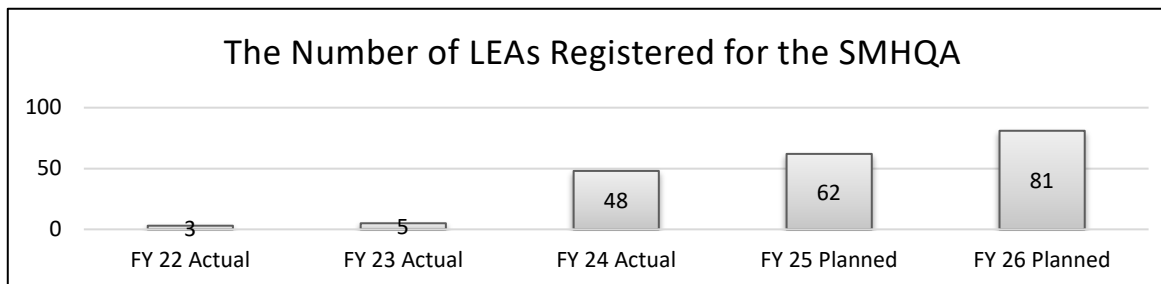

**1b. What does this program do?**

The Coordinator of School-Based Mental Health (SBMH Coordinator), the Department of Elementary and Secondary Education (DESE's) mental health coordinator, serves as DESE's SBMH leader to local education agencies (LEAs), coordinates/leads all of DESE's interagency SBMH initiatives, and leads the development of the Missouri SBMH Framework. The SBMH Framework aligns best practices to Missouri's context, streamlines resources, and supports LEAs as they collaborate with families and communities to provide safe and healthy learning environments for students. The SBMH Coordinator provides leadership and technical assistance to school social workers and school psychologists.

**2a. Provide an activity measure(s) for the program.**

1. The SBMH Coordinator started on October 17, 2022 and is available to serve all LEAs. The SBMH Coordinator coordinates SBMH initiatives, develops and coordinates grants for LEAs and the 37 SBMH programs within institutions of higher education, and collaborates with the four SBMH professional organizations and over 10 interagency partners. Of Missouri's 561 LEAs, 357 received the Immediate Responsive Services Grant to increase student access to mental health resources. Of the 561 LEAs, 43 received the Stronger Connections Grant to provide students safe, healthy, and supportive learning opportunities and environments. LEAs have access to the SBMH Coordinator by phone or email in addition to weekly SBMH office hours.

2. Measures include the number of LEAs engaged in the continuous quality improvement for school mental health evidenced by participation in the School Mental Health Quality Assessment (SMHQA). The SBMH Coordinator oversees the development of the SBMH Framework for Missouri. Part of the framework includes the Missouri Project AWARE program which provides quarterly school-based mental health training statewide, utilizing the Schools SMHQ, for school personnel and other adults who connect with school-aged youth to detect and respond to mental health issues. Increased registration numbers over time will indicate an increase in school personnel and other adults who connect with school-aged youth in Missouri who are trained to detect and respond to mental health issues. 43 LEAs registered for the SMHQA in FY2024.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.106

**Mental Health Coordinator**

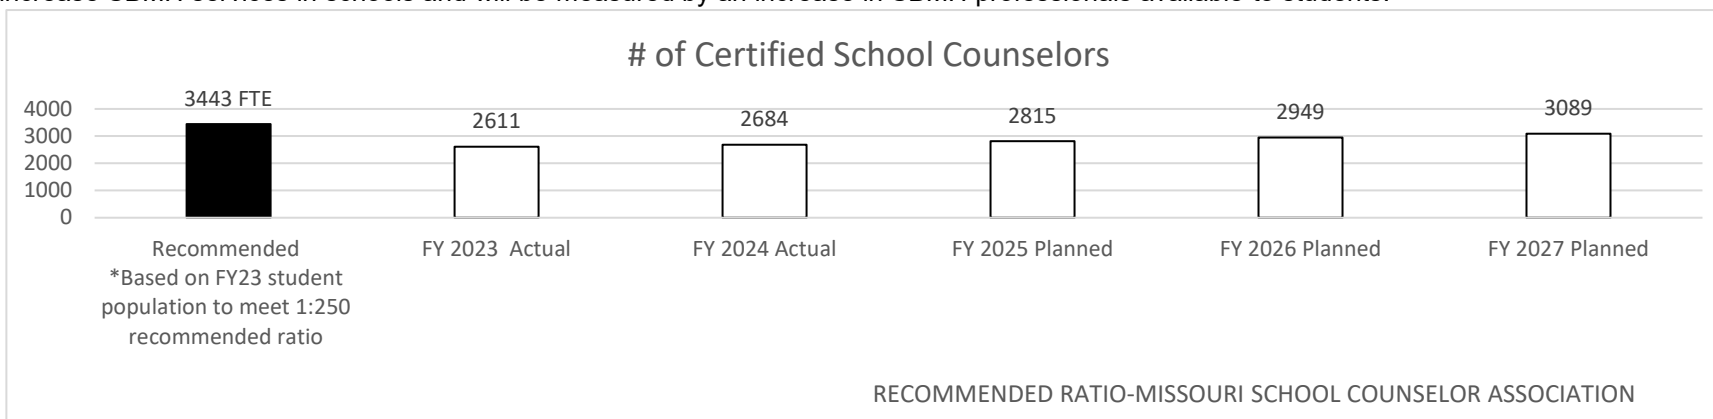

**Program is found in the following core budget(s):** Mental Health Coordinator

**2b. Provide a measure(s) of the program's quality.**

1. Survey data is collected from LEA personnel across the state participating in the quarterly school-based mental health trainings. The FY 2024 data indicates 100% of participants reported knowledge of at least two new resources for their school-based mental health team to utilize in the district.

**2c. Provide a measure(s) of the program's impact.**

1. Measures include the development and coordination of federal grant funds, interagency collaboration, and workforce development initiatives to increase SBMH services in schools and will be measured by an increase in SBMH professionals available to students.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.106**

**Mental Health Coordinator**

**Program is found in the following core budget(s): Mental Health Coordinator**

**2d. Provide a measure(s) of the program's efficiency.**

SBMH Coordinator's efficiency will be measured by the program expenditure per district. 561 LEAs per \$109,740 = \$196 per district.

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.140

**Early Literacy Program**

**Program is found in the following core budget(s):** Early Literacy Program

**1a. What strategic priority does this program address?**

Early Learning & Early Literacy

**1b. What does this program do?**

This core request supports funding for an early literacy program targeting third grade reading success in academically struggling school districts. For all grades Pre-K through third grade, a full continuum of school-based, early literacy intervention services consisting of developmentally appropriate components for each grade, is delivered every day that school is in session by professionally coached, full-time interventionists. These interventionists collect data regularly and use an intervention model that is comprehensive, has been proven to be effective in one or more empirical studies, and is provided by a not-for-profit organization to a local education agency (LEA) or community-based early childhood center.

Note: The vendor has cancelled the contract for 2025 as they are shifting their services in a different direction and will not be able to meet the contract requirements. DESE is working to rebid this program and will be selecting a new vendor to provide the services.

**2a. Provide an activity measure(s) for the program.**

Number of students served through tutoring sessions.

	FY 23	FY24
<i># of Students Served</i>	*	140
<i># of Districts Served</i>	*	5
<i># of Tutors Provided</i>	*	12

**2b. Provide a measure(s) of the program's quality.**

Implementation fidelity measured by observations conducted by expert Coaching Specialists and Internal Coaches

	FY 23	FY24
Fidelity of Assessment Implementation	*	96%
Fidelity of Intervention Implementation	*	95%

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

4. What are the sources of the "Other " funds?

N/A

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

Strengthening Career and Technical Education for the 21st Century Act (Perkins V) -- CFDA #84.048A

6. Are there federal matching requirements? If yes, please explain.

Yes—The state must match on a dollar-for-dollar basis the funds reserved for administration for the Federal Perkins Grant. The hold harmless requirement in the federal legislation indicates that a state must provide an amount that is not less than the amount provided by the state for administration in the preceding fiscal year. In addition, the maintenance of effort (funds pulled from the Career Education Foundation appropriation (9233)) requirement for Perkins indicates a state must provide funding for career and technical education programs at least at the level of support of the

7. Is this a federally mandated program? If yes, please explain.

No

**PROGRAM DESCRIPTION**

Department of Elementary and Secondary Education \_\_\_\_\_

AB Section(s): 2.160

Registered Youth Apprenticeships (RYA) \_\_\_\_\_

Program is found in the following core budget(s): Office of College and Career Readiness

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The program provides technical assistance and guidance for registering with the US Department of Labor (USDOL) registered apprenticeship program, helping each youth complete their individual application, identifying a pool of potential business and industry sites with whom the youth can work, aligning youth with an industry partner, and assisting with other needs as they occur. The youth will receive related instruction at their career center/local high school and industry standard skills from on-the-job learning from a partnering employer.

**2a. Provide an activity measure(s) for the program.**

Number of Active RYAs	
FY24	362

**2b. Provide a measure(s) of the program's quality.**

Number of Students who Complete USDOL National Certification

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

This funding (**GR 1,300,000**) is used for the procurement, implementation, and maintenance of a skills evaluation platform for students in grades eight through twelve to complete an online individual career and academic plan and navigate available career pathways, education, military, or postsecondary workforce opportunities in a secure and non-identifying manner. The platform uses data sources from a content model that identifies the most important types of information about work and integrates them into a theoretically and empirically sound system; embodies a view that reflects the character of occupations (via job-oriented descriptors) and people, (via worker-oriented descriptors); allows occupational information to be applied across jobs, sectors, or industries, cross-occupational descriptors and within occupations, occupational-specific descriptors; and includes descriptors that are organized into six major domains, which enable the user to focus on areas of information that specify the key attributes and characteristics of workers and occupations.

This funding (**Lottery Proceeds Fund 1,199,999**) is used for nationally recognized career readiness assessments to be made available for all students that measure foundational career readiness skills, including applied mathematics, workplace documents, and graphic literacy.

**2a. Provide an activity measure(s) for the program.**

**(GR Funds)** Most frequently used components: Course Planner with 914,479 views; Career Details with 836,652 views and the ICAP/Career Plan with 609,533 views.

**(Lottery Funds)** Contract has been initiated with DHEWD to assist in facilitating this work. Measures will be determined at a later date.

**2b. Provide a measure(s) of the program's quality.**

**(GR Funds)** Enhancements to improve the quality of the platform include a simpler single sign on platform for the login page, audio feature in English and Spanish, enhanced reporting features to include reports at the statewide level and ICAP completion, and curriculum activities.

**(Lottery Funds)** Contract has been initiated with DHEWD to assist in facilitating this work. Measures will be determined at a later date.

**2c. Provide a measure(s) of the program's impact.**

**(GR funds)** see table on following page.

**Career Advising**

**Program is found in the following core budget(s): Career Advising**

**1a. What strategic priority does this program address?**

Safe & Healthy Schools

**1b. What does this program do?**

Missouri Career Advising Initiative (MCAI) aka rootEd Missouri trains and places dedicated college and career advisors in rural high schools throughout the state who connect Missouri students to high-demand career paths and training programs. The program's goal is to ensure rural students graduate on a path to career and economic stability, while helping Missouri reach its workforce development goals. NOTE: This program is a continuation of the Missouri Postsecondary Advising Initiative that was supported the last three years from Federal Relief funds.

**2a. Provide an activity measure(s) for the program.**

Number of Partner Districts

**AB Section(s):** 2.166

**Career Advising**

**Program is found in the following core budget(s): Career Advising**

**2b. Provide a measure(s) of the program's quality.**

The program has operated in rural Missouri high schools for three years, serving nearly 26,000 students. In partner schools and at the state level, measures of program quality have been observed through program survey data. Last year, 75% of students served by the program reported high satisfaction with their advisor and the program. Administrators and counselors of districts participating in the program reported 97% satisfaction. In addition, all districts showed an increase in all measures of program performance.

**2c. Provide a measure(s) of the program's impact.**

The MCAI/rootEd Missouri program has provided career advising services to nearly 26,000 students in three years. The program's goal is to help students develop plans for college, technical school or training, workforce learning, or a credential towards a living wage job. 99% of students met with their advisor to develop a plan for success after graduation. In partner schools, postsecondary enrollment has increased by 7%, even as enrollment fell nationally by 4% over the same period. Students served by MCAI/rootEd Missouri had FAFSA completion rates 13 percentage points higher than the state average. Additionally, 82% of students are on track to securing a career that provides a living wage, compared to 42% of households statewide.

**2d. Provide a measure(s) of the program's efficiency.**

MCAI/rootEd Missouri is successfully reaching and serving almost 100% of students enrolled at participating districts.

<b>% of Students Receiving 1:1 Career Advising Meetings</b>				
<b>FY2022</b>	<b>FY 2023</b>	<b>FY 2024</b>	<b>FY 2025</b>	<b>FY 2026</b>
<b>Actual</b>	<b>Actual</b>	<b>Actual</b>	<b>Projected</b>	<b>Projected</b>
99%	99%	98%	99%	99%

Private philanthropy and local match funds support approximately 66% of MCAI/rootEd Missouri operations. Every participating partner school district has a required match. In addition, significant private philanthropic funding is dedicated to program support, training, and student scholarships. State funding accounts for only 33% of total program cost.

**Dyslexia Training Program**

Program is found in the following core budget(s): **Dyslexia Training Program**

**1a. What strategic priority does this program address?**

Literacy

**1b. What does this program do?**

This program will provide ongoing support for regional consultants who will deliver trainings in virtual and face-to-face formats to their partner districts for general education teachers in the following: (1) mandated professional development in the recognition of the characteristics, signs/symptoms of dyslexia, (2) screenings for reading readiness skills and weaknesses indicative of dyslexia, (3) evidence-based instruction through research-based professional development courses, and (4) appropriate supports including available technologies to assure that students with dyslexic characteristics have access to grade-level curriculum. Addressing these components will prepare educators to better serve this group of students.

**2a. Provide an activity measure(s) for the program.**

Number of educators/teachers/administrators who received training directly or through regional centers.								
FY 2022		FY 2023		FY 2024		FY 2025	FY 2026	FY 2027
Projected	Actual	Projected	Actual	Projected	Actual	Projected	Projected	Projected
7,500	7,200	8,000	12,600	14,000	19,400	20,500	21,000	21,500

*Data obtained from the Dyslexia training consultants at the Regional Professional Development Centers.*

Percentage of districts that received training on characteristics of dyslexia.								
FY 2022		FY 2023		FY 2024		FY 2025	FY 2026	FY 2027
Projected	Actual	Projected	Actual	Projected	Actual	Projected	Projected	Projected
80%	85%	80%	85%	85%	87%	90%	90%	90%

*Data obtained from the Dyslexia training consultants at the Regional Professional Development Centers.*

**2b. Provide a measure(s) of the program's quality.**

The Department uses on-line survey tools and receives feedback through paper-pencil surveys following trainings. Initial responses indicate over 93% agreement on quality (Teachers believed the training will have a positive impact on students), relevance (Teachers believed the training was relevant to their needs), and utility (Teachers believed the training was useful and valuable time spent).

**1a. What strategic priority does this program address?**

Safe & Healthy Schools

**1b. What does this program do?**

This cooperative agreement supports efforts to conduct school-based surveillance on youth risk behaviors and school health policies and practices. The Youth Risk Behavior Surveillance System (YRBSS) monitors priority health-risk behaviors among youth and young adults. The School Health Profiles (SHP) monitors and assesses education, policies, activities, and family involvement in school health programs.

The cooperative agreement with the Centers for Disease Control and Prevention (CDC) provides for the national school-based survey administration of the YRBSS in odd years and the SHP in even years. State-specific reports are produced and disseminated to assist community prevention efforts and coordinated school health programs when weighted data is collected.

Internal and external partners use YRBSS and SHP data to:

- \* Describe school health policies and practices and compare them across jurisdictions
- \* Identify professional development needs
- \* Plan and monitor programs
- \* Support health-related policies and legislation
- \* Seek funding
- \* Garner support for future surveys

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s) 2.175**

**Missouri Healthy Schools**

**Program is found in the following core budget(s): Missouri Healthy Schools (MHS)**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

*NOTE: All information included in this form reflects the initial 5 year (2018-2023) Missouri Healthy Schools (MHS), Successful Students award. Measures for the new 5 year (2023-2028) grant award will be established by the Centers for Disease Control and Prevention (CDC).*

The purpose of Missouri MHS is to provide Missouri students with lifelong advantages built upon early, positive health behaviors that improve conditions for academic achievement. MHS will bolster health promotion infrastructure, knowledge, and behaviors in Missouri schools by providing targeted training to school professionals; promote and implement school-wide policies that reduce access to unhealthy foods; encourage increased physical activity; and provide targeted health and wellness education that will allow students to more effectively manage chronic health conditions – before, during and after the school day.

MHS is providing focused professional development and technical assistance support to one school district (Pattonville) known as Priority Local Education Agency (PLEAs) and continuing special support to seven school districts from the prior 5-year cycle of this grant (Bayless, Charleston, Jennings, Kennett, Ritenour, Senath-Hornersville, University City). MHS also offers professional development and technical assistance to many other school districts across the state.

**2a. Provide an activity measure(s) for the program.**

Each year MHS focuses on core components and measures of success for implementing infrastructure basics to build a quality wellness program for the districts. The foundational activity measures or core projects in the MHS project include the development of district wellness committees, the development of school health advisory councils, the results of implementing new school health improvement plans, and the number of local education agencies that complete the School Health Profiles. The PLEA meets with DESE regularly to track progress.

Terms used in the following charts include:

- 1) District Wellness Council (DWC) - a leadership group that oversees health and wellness programming and policies across the school district
- 2) School Health Advisory Council (SHAC) - a leadership group that coordinates implementation of health improvement programs and policies for a school building
- 3) School Health Index (SHI)
- 4) School Nurse Chronic Health Assessment Tool (SNCHAT)

**2b. Provide a measure(s) of the program's quality.**

Each year MHS is focused on achieving progress toward 10 performance measures established by the project funder (US Centers for Disease Control and Prevention). The performance measures align with three overarching evaluation questions.

**Evaluation Questions and Annual Process Indicators**

2302 Annual Process Indicators (APs)

**Evaluation Question #1: How have you prepared LEAs and schools statewide to implement evidence-based school health policies, practices, programs, and services?**

AP1: Demonstrated changes in knowledge of evidence-based school health polices, practices, programs and services as a result of your PD and TA.

AP2: Demonstrated changes in skill to develop and implement evidence-based school health policies, practices, programs, and services as a result of your PD and TA.

AP3: LEAs and schools indicate likeliness to make a school health change in the next 6 to 12 months as a result of your PD and TA.

**Evaluation Question #2: How have you increased statewide school health infrastructure?**

AP4: State-level school health coalition has diverse membership and contributions.

AP5: State-level school health coalition's goals are set and accomplished.

AP6: LEAs in your state have a school health council.

AP7: Schools in your state have school health teams.

**Evaluation Question #3: How have your priority LEA and corresponding schools established school health councils and teams and developed and implemented their school health action plans?**

AP8: Priority LEA has a school health council.

AP9: Priority LEA corresponding schools have school health teams.

AP10: Common barriers to and facilitators of developing an action plan are identified.

*Data obtained from surveys conducted by the evaluations team and monthly meetings with PLEAs.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s) 2.175**

**Missouri Healthy Schools**

**Program is found in the following core budget(s): Missouri Healthy Schools (MHS)**

**2c. Provide a measure(s) of the program's impact.**

Same as 2.b.

Each year MHS is focused on achieving progress toward 10 performance measures established by the project funder (US Centers for Disease Control and Prevention). The performance measures align with three overarching evaluation questions. Metrics and corresponding targets for each indicator are being established during Year 2 of the grant (AY2024-2025).

*Data obtained from surveys conducted by the evaluations team and monthly meetings with PLEAs.*

**2d. Provide a measure(s) of the program's efficiency.**

While the MHS program is focused on more than the provision of PDT/TA to LEAs (including the PLEA), it is a primary method by which it supports health improvement at schools statewide. Thus, the cost per PDT/TA participant session serves as a key indicator of program efficiency. During FY24, the cost per PDT/TA participant session was \$36 ( $\$283,148 / 7,919 = \$36$ )

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

AB Section(s) 2.175

**Missouri Healthy Schools**

**Program is found in the following core budget(s): Missouri Healthy Schools (MHS)**

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

4. What are the sources of the "Other " funds?

N/A

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

301(a) and 317(k)(2) of the Public Health Service Act

6. Are there federal matching requirements? If yes, please explain.

No

7. Is this a federally mandated program? If yes, please explain.

No

**PROGRAM DESCRIPTION**

**AB Section(s):** 2.180

**Missouri Project AWARE**

**Program is found in the following core budget(s): Missouri Project AWARE**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The purpose of Project AWARE is to build or expand capacity through partnerships and collaboration between state and local systems to promote healthy development of school-aged youth statewide. This funding supports the development and implementation of a comprehensive plan of activities, services, and strategies to decrease youth violence. This funding supports partnership with the Missouri Department of Mental Health and three Missouri school districts, or local education agencies (Kansas City, Kennett, Riverview Gardens), working to increase awareness of mental health in schools and build resiliency to mental health issues using a multi-tiered system of support (MTSS). State and local systems work together to:

- Increase awareness of mental health issues among school-aged youth
- Provide training for school personnel and other adults who connect with school-aged youth to detect and respond to mental health issues
- Connect school-aged youth who may have behavioral health issues to needed services

**2a. Provide an activity measure(s) for the program.**

Missouri's Project AWARE provides quarterly school-based mental health training statewide, utilizing the School Mental Health Quality Assessment (SMHQA), for school personnel and other adults who connect with school-aged youth to detect and respond to mental health issues.

- Increased local education agency (LEA) registration numbers in the over time in SHAPE system will indicate an increase in school personnel and other adults who connect with school-aged youth in Missouri who are trained to detect and respond to mental health issues.
- 43 LEAs registered for the SMHQA in FY2024

Missouri's Project AWARE includes external evaluation services for the work with the three selected LEAs.

Reports include:

- Data analysis through a data management system to collect quantitative data and information on program activities.
- Mid-year and annual reports providing background and overview of program activities, and evaluation of questions and indicators.

*Note: Partial data is currently available. Implementation was delayed until December 1, 2022. DESE did not have an appropriation for this program until late in FY 2022, and in FY 2023 DESE did not receive approval from the Substance Abuse and Mental Health Services Administration (SAMHSA) to begin program operations until December 1, 2022. Selection of the project's external evaluation team was delayed due to contract conflicts. Additional*

**1a. What strategic priority does this program address?**

Early Learning & Early Literacy

**1b. What does this program do?**

The Missouri Department of Elementary and Secondary Education (DESE) is one of 11 states to receive a grant from the U.S. Department of Education for its Comprehensive Literacy State Development (CLSD) program. The \$18 million grant will be distributed over five years, allowing the state to advance literacy skills for children from birth through grade 12.

The CLSD program was designed to complement DESE's commitment to literacy for students under the agency's Show-Me Success plan. The goal of the project is to support educators' working knowledge of evidence-based literacy strategies to effectively teach reading and writing to all students. This includes providing professional development to pre-service teachers in institutions of higher education, early childhood education teachers, and K-12 educators to enable them to provide effective instruction. This grant will support local education agencies with developing evidence-based literacy plans to implement in their schools and provide support for families.

**2a. Provide an activity measure(s) for the program.**

Number of school districts/school buildings developing building literacy plans and receiving professional development services.

<b>School Districts</b>

Reading Literacy Program (St. Louis)

Program is found in the following core budget(s): Reading Literacy Program

**1a. What strategic priority does this program address?**

Literacy

**1b. What does this program do?**

Beginning with the 2021-2022 school year, the Legislature approved funding—for a public school district located within a city not within a county,—a new district-wide innovative "Literacy Course" reading tiered systematic intervention program using reading teachers and academic instructional coaches who will model literacy lessons for classroom teachers—provide support for individual students with reading deficiencies, and determine reading tiers and track student progress, provided that each student has an Individualized Reading plan to monitor their progress over time as they enter each grade. The public school district has named the program the Elementary Reading Intervention Program and uses Savvas myView Literacy system, which is grounded in the science of reading evidence-based reading instruction.

**2a. Provide an activity measure(s) for the program.**

FY 2022		FY 2023		FY 2024	
Grade Level	# participating	Grade Level	# participating	Grade Level	# participating
Grade 3	241	Grade 3	235	Grade 3	188
Grade 4	230	Grade 4	239	Grade 4	288
Grade 5	221	Grade 5	243	Grade 5	213
Total Students	935	Total Students	717	Total Students	932
Total Teachers	25	Total Teachers	25	Total Teachers	25

**2b. Provide a measure(s) of the program's quality.**

1. The program / faculty can accurately identify students in grades 3-5 who are reading at 1-2 grades/years below grade level.
2. The program / faculty can accurately calculate the average growth of students' reading level (in grade level increase).
3. The program / faculty will create Individualized Reading Success Plans (IRSP) for students reading at 1-2 grades below grade level.

The Star Reading Assessment is administered three times during the year to determine students' progress in reading . Data in the chart below indicates the average grade equivalency (GE) scores for student participants.

FY 2024 Grade Equivalency (GE) Scores				
Grade Level	# Students	GE Fall	GE Winter	GE Spring
Grade 3	188	1.9	2.6	3
Grade 4	288	2.6	3.2	3.3
Grade 5	213	3.3	3.9	4.1

**PROGRAM DESCRIPTION**

**AB Section(s): 2.190**

**Reading Literacy Program (St. Louis)**

**Program is found in the following core budget(s): Reading Literacy Program**

**2c. Provide a measure(s) of the program's impact.**

1. Number of students in grades 3-5 who are reading at 1-2 grades below grade level.
  - a. In FY 2022, the district identified 241 (grade 3), 230 (grade 4), and 221 students (grade 5) reading 1-2 grades below grade level.
  - b. In FY 2023 the district identified 274 (grade 3), 241 (grade 4), and 259 students (grade 5) reading 1-2 graded below grade level.
  - c. In FY 2024 the district identified 188 (grade 3), 288 (grade 4), and 213 students (grade 5) reading 1-2 graded below grade level.
  
2. In FY 2022 (first semester), the average grade level increase was 5.2, 5.2, and 5.3 months for students in grades 3, 4, and 5.  
In FY 2022 (second semester), the average grade level increase was 4.5, 3.4, and 3.5 months for students in grades 3, 4, and 5.  
In FY 2023 (first semester), the average grade level increase was 6.2, 7.0, and 5.8 months for students in grades 3, 4, and 5.  
In FY 2023 (second semester), the average grade level increase was 3.4, 3.2, and 4.8 months for students in grades 3, 4, and 5.  
In FY 2024 (first semester), the average grade level increase was 6.5, 6.2, and 5.44 months for students in grades 3, 4, and 5.  
In FY 2024 (second semester), the average grade level increase was 6.6, 4.1, and 4.5 months for students in grades 3, 4, and 5.
  
3. In the Fall FY 2022, 692 students in grades 3-5 received IRSPs. This number decreased by 24 students (grades 3-4) for the Spring FY22.
  
4. Percentage of students who had an increase in their reading tier as a result of the reading literacy program.
  - a. As this program is starting its second year, these data will be provided in future years based on total population of eligible students.

**2d. Provide a measure(s) of the program's efficiency.**

Cost per student in the reading literacy program.

FY 2022 was the first year and included program start-up and teacher training that may be interpreted as initial program costs (that are dependent on teacher retention). FY 2022 cost per actual student served was \$3,504 (\$2,425,000 / 692 students).

FY 2023 cost per student served was \$3,133 (\$2,425,000 / 774 students)

FY 2024 cost per student served was \$3,520 (\$2,425,000 / 689 students)

**Program is found in the following core budget(s): Character Education Initiatives**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development | Educator Recruitment & Retention

**1b. What does this program do?**

The District Leader Academy in Character Education (dLACE) scholars learn how to use evidence-based character education essentials as part of school improvement practices districtwide to ensure a comprehensive, intentional, and proactive approach to social, emotional, and positive character student development.

This includes learning the skills to implement, lead, and sustain a pro-social, pro-emotional, and pro-positive character education process throughout their schools. dLACE Districts have access to CharacterPlus's MSIP6-Aligned Culture and Climate Survey (cSURVEY), as well as one free teacher registration in the Virtual Teacher Academy in Character Education (vTACE), and free access to iCharacterPlus for one year as part of follow-on dLACE district support. iCharacterPlus is an online programming platform that provides training modules related to character education.

Previously, Show-Me CharacterPlus provided training and consulting to Missouri pre-K-12 educators in an evidence-based character education process, including developing shared values with home, school, and community; increasing the sense of belonging, autonomy, and competence experienced by students; enhancing staff-parent and staff-student relationships; and increasing staff cohesion.

**The District Leader Academy in Character Education (dLACE) by CharacterPlus**

**Program is found in the following core budget(s): Character Education Initiatives**

**2b. Provide a measure(s) of the program's quality.**

Customer satisfaction is measured through written and oral feedback from participating schools. A sample has been provided below:

dLACE participants will report -

- A solid personal understanding of self, purpose, and ability to positively impact students specific to social, emotional, and positive decision making through a character skill-building lens
- A practitioner's solid understanding of the foundational elements of character education as applied to student social, emotional, and positive decision making
- Possessing a strong character education advocacy ability as a new character education foundation equipped dLACE participant/graduate supported by the people, tools, and processes CharacterPlus provides

FY 24-25 dLACE Participant Survey Feedback on the Program Examples:

- There have been a lot of resources given throughout that have helped to build my capacity and confidence to help build a character development program in my district.
- We are looking at ways to start changing the culture of the adults in our building and what changes we want to make as a school for next year.
- It has shown me the power of intentionality with character education and that it touches everything.
- We have transformed as a building based on our character work this year.
- The biggest takeaway is that this is a process. Make change move slowly with heart and intentional direction on where the district needs and wants to go. Starting with staff understanding this change happens with who we want to be as individuals and as a district.
- I have gained more confidence as a leader in my school through positive interactions, energy, and daily behavior modeling.
- I have learned that this process is going to take time, and it is not an ending but a continuous process. I have also learned that this work needs to start with our leadership, and then it can trickle down to staff.
- I have learned that we have to really look at our core values and reframe them so that they meet the needs of all of our stakeholders. I agree that the core values need to be developed as a community.
- Recognizing that character education must be a major part of any school district! And knowing how to ask for support during this implementation.
- It has provided me with a framework and knowledge that will allow me to implement character ed properly.
- Loved all of it. Site visits were my favorite. The data walk-through was so helpful.
- Collaboration with and better understanding other school districts and their journeys towards being more intentional spaces of character.

**2d. Provide a measure(s) of the program's efficiency.**

Character education encourages schools to create environments that foster ethical, responsible, and caring young people. Missouri's program, CharacterPlus, provides a framework to positively influence students' character development. Results from high-implementing schools indicate that students have an increase in personal responsibility, accountability, self-management, and ethical behavior. These schools also experience a decrease in disciplinary issues, an increase in attendance, an increase in academic skills, and a decrease in the drop-out rate.

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**Adult Education and Literacy**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

Adult Education and Literacy (AEL) increases learning opportunities by offering distance education and face-to-face classes at locations and times that best fit adult schedules. The classes are provided at no cost to the student. Educational services are outsourced through a multi-year competitive grant, with partial funding being based on targeted performance outcomes.

The classes serve adults who

- ◆Have not completed high school or have obtained a diploma and need the knowledge and skills necessary for employment and economic self-sufficiency.
- ◆Want to transition to postsecondary education and training, including through career pathways.
- ◆Need to improve their English language skills in reading, writing, speaking, and mathematics and understand the American system of government, individual freedom, and the responsibilities of citizenship.

**Feminine Hygiene Products**

**Program is found in the following core budget(s):** Feminine Hygiene Products

**1a. What strategic priority does this program address?**

Safe & Healthy Schools

**1b. What does this program do?**

Funding will provide tampons, sanitary napkins, and other related products to school nurse's offices, student health centers, or other areas designated by the school administration for all middle school, junior high, and high school buildings in which students in grades 6-12 attend, at no charge to students.

**2a. Provide an activity measure(s) for the program.**

The following data provides the historical use of this grant:

FY23: 333 LEAs accessed this grant

FY24: 303 LEAs accessed this grant

Additionally, 56 LEAs submitted a survey to assess program quality, impact, and efficiency, the results of which are described below.

**2b. Provide a measure(s) of the program's quality.**

47 of the 56 LEAs indicated that female students strongly benefitted from the funding.

**2c. Provide a measure(s) of the program's impact.**

50 of 56 LEAs indicated they benefited from this grant through accessible funding to assist female students who were in need of feminine hygiene products. 42 of 56 indicated the school nurse was able to provide space in or near the school nurse's office for female student sat the LEA to access feminine hygiene products due to grant funding. 34 of 56 indicated the school nurse was able to further educate female students on feminine hygiene product use and feminine hygiene due to grant funding. 42 of 56 indicated that due to the accessibility of feminine hygiene products, female students had improved well-being at the LEA.

**Competency-Based Education Grant Program**

**Program is found in the following core budget(s): Evidence-based Reading Instruction Program**

**1a. What strategic priority does this program address?**

Early Learning, Literacy, and Success-Ready Students and Workforce Development

**1b. What does this program do?**

The department administers the bulk of these funds (\$2,000,000) in the Competency-Based Education Grant Program, which awards grants for local competency-based education programs. School districts may apply for grants to support eligible programs, which offer students flexible opportunities to progress, demonstrate mastery and earn course credit; provide individual learning options; assess proficiency based on attainment of critical knowledge and skills; and assess mastery through performance tasks.

The grant program provides funds to eligible school districts for the purpose of providing competency-based education programs. Grant applications must include

- A core mission that competency-based education will help achieve;
- A plan that outlines competency-based education implementation and key metrics that will show success;
- Resources available to the school and in the community that will assist in creating successful competency based outcomes; and
- Resources and support needed to help the school succeed in implementing competency-based education courses and/or programming.

A portion of these funds (\$25,000) are used to support the activities of the Competency-Based Education Task Force, which was established in Section 161.380, RSMo to study and develop competency-based education programs in public schools. The task force is made up of members appointed by the governor, the speaker of the house of representatives, the president pro tempore of the senate, and the commissioner of education. The objectives outlined in legislation to guide its work include various activities aimed at implementing competency-based education courses statewide and devising a plan for Missouri to lead the way in competency-based education courses.

**2a. Provide an activity measure(s) for the program.**

DESE will collect the number of districts applying for funds and awarded funds. Applications were due in two rounds with due dates of 10/5/23 and 12/5/23. DESE has received a total of 62 applications.

**2b. Provide a measure(s) of the program's quality.**

Implementation of competency-based education courses and successful competency based outcomes in awarded districts.

**2c. Provide a measure(s) of the program's impact.**

Number of students and educators impacted in awarded districts.

**2d. Provide a measure(s) of the program's efficiency.**

Ratio of the average grant award to average number of students/educators impacted.

**Program is found in the following core budget(s): Missouri Scholars and Fine Arts Academies**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Missouri Fine Arts Academy (MFAA) is a two-week residential program held on the campus of Missouri State University for Missouri's students who are gifted in the arts and ready to begin their junior or senior year of high school. The mission of MFAA is to offer unique opportunities for students to learn and develop skills for personal and professional development as they pertain to the arts. Such programming, due to the interdisciplinary focus of the Academy, cannot be provided through curriculum and instruction in a traditional high school environment. The Academy is designed to allow students with unique artistic abilities to flourish with peers and assist these students with realizing their full potential with accessibility to creative outlets, materials, and varied modalities. Students are accepted into the Academy by highly qualified assessment teams. The faculty and staff specifically design curriculum with the goal of personal development, team building, creativity, and professional outcomes.

**2a. Provide an activity measure(s) for the program.**

*NOTE: In response to COVID-19, the FY 2021 Missouri Fine Arts Academy was cancelled.*

**2b. Provide a measure(s) of the program's quality.**

Comments from 2024 Missouri Fine Arts Academy Participants:

*"The staff (members) are amazing. The RAs and Faculty all work together to create a space where we can truly be ourselves and create art without boundaries."*

*"I felt like it allowed me to branch out into other art disciplines like performance, that I, a visual artist, wouldn't have the opportunity to otherwise!"*

*"This was amazing! I got to meet like-minded people and expand my view on art! It was fantastic!"*

*"There was a diverse population of students from different disciplines who were able to get together and collaborate. Faculty and RAs were incredibly supportive of and receptive to students."*

*"The Academy went absolutely above and beyond my expectations for coursework and community. The classes I was in were engaging and entertaining*

\*\* In response to COVID-19, the FY2021 Missouri Fine Arts Academies was cancelled.

**2c. Provide a measure(s) of the program's impact.**

*"I just wanted to share how impressed I have been with the interactions I have had with the MFAA program this past week. You are all (including the students) doing incredible and important work, especially in helping young creatives know that their interests and visions are not just valid but worthy of further study and celebration" - local Springfield Artist and Community Activist*

Comments from 2024 Missouri Fine Arts Academy participants:

*"Please continue to fund the Academy. If MFAA was not funded, I would not have even considered applying and attending as I can not afford summer programs generally."*

*"I would like to say that this experience has been very influential and positive for me as an artist and person, and I hope this program continues so others may also feel that way."*

*"This Academy has changed my life for the better. I am so much more comfortable in my own skin and in my abilities than I was before."*

*"It changed my life and really got me rethinking what I want to do in my future."*

*"I definitely changed who I was at MFAA - I became more social and felt more accepted."*

**Missouri Fine Arts Academy (MFAA)**

**Program is found in the following core budget(s): Missouri Scholars and Fine Arts Academies**

**2d. Provide a measure(s) of the program's efficiency.**

Students at MFAA followed a very rigorous program for two weeks on Missouri State University (MSU) campus, which included variety of classes, assemblies, The Tent Theatre event, guest artists/performers, and workshops. To keep the academy efficient and effective, MFAA used several strategies, which included inviting renown and local guest artists and hiring faculty from different backgrounds. MFAA faculty consisted of MSU professors, high school art teachers, and independent artists/performers. This greatly reduced the cost of travel and accommodation for most faculty members. University resources were used to schedule many classrooms in Craig Hall, Ellis Hall, and Brick City. The only travel cost was for the shuttle transportation of students and RAs to the art classrooms and Jordan Valley Ice Park for mural project.

**Program is found in the following core budget(s): Missouri Scholars and Fine Arts Academies**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

**Missouri Scholars Academy (MSA)** is a three-week residential program held on the University of Missouri - Columbia campus for Missouri's students who are academically gifted and ready to begin their junior year in high school. The mission of MSA is to offer unique opportunities for students for learning and personal development that cannot be provided or achieved through curriculum and instruction in a traditional high school environment. MSA is designed to allow students with advanced intellectual abilities to flourish with peers and to assist these students realize their full potential. The scholars are selected based on standardized test scores, high school GPA, student essays, and letters of recommendation. Students join with a carefully selected faculty and staff to experience specially designed interdisciplinary curriculum that focuses on creativity, critical thinking, and problem solving. Further, the new personal and social development unit called Cor:PSD was designed specifically for the scholars in the wake of COVID, and extra-curricular activities are carefully planned to provide students with as many opportunities as possible in three weeks.

**2a. Provide an activity measure(s) for the program.**

**Missouri Scholars Academy (MSA)**

**Program is found in the following core budget(s): Missouri Scholars and Fine Arts Academies**

**2b. Provide a measure(s) of the program's quality.**

Cor: PSD is the name of the personal and social development activities. As part of the student evaluation, students provided feedback about Cor: PSD. Here is one response that is representative of the scholars comments:

My favorite part of the day was Cor: PSD, where you would gather in small groups with fellow scholars, a faculty member, and an RA to discuss a wide variety of topics from the things you'd save in a house fire to the moments in your life that shaped you. Everything we discussed was incredibly eye-opening to just how common my struggles were with the struggles of other gifted kids. For once in my life I knew I wasn't alone. To me, MSA was a safe haven for fellow gifted kids to explore their interests and discover new ones. I'm so thankful that I got to attend in 2024 and I've already started to encourage my sophomore friends to work on their applications for next year. This is an incredible program and I hope to return one day and give back to the program that gave me the tools to discover who I am.

The table below shows the overall average scores for all "academic major" and "academic minor" courses and the average instructor rating, based on a four point scale.

	<b>Class Score</b>	<b>Instructor Score</b>
All Courses	3.75	3.9

Based on a scale of 1 to 4, with 4 being high.

**2c. Provide a measure(s) of the program's impact.**

Missouri Scholars Academy has impacted 10,000+ scholars who grow up to be entrepreneurs, academics, professionals, and even state policy makers. Dr. Jennifer (Richards) Fisher, a 2004 scholar recently wrote about the impact on her life. "I grew up on a Missouri Century Farm outside Potosi, Missouri as the child of two public school teachers. As things went in Potosi, I was a very lucky kid, but there were so many things I wanted to learn and know, and I didn't have access to those things at my school. When I had the opportunity to attend Missouri Scholars Academy the summer before my junior year of high school, it is no exaggeration to say it changed the entire trajectory of my life. It was one of the first times I had an opportunity to meet other kids like me—kids from small towns with a big love for learning. I met scholars from big cities, scholars from college towns, and scholars from schools a lot smaller than mine. I met kids who prayed, loved, talked, voted, and thought like me. I also met a lot of other kids with whom I shared seemingly nothing in common, but later made them my best friends. MSA showed me how amazing Missouri really is, which is a big part of the reason why I decided to stay here, become a public school teacher, and get all of my degrees in Missouri's public universities. After several years in the classroom, I now teach at a public university in the state, and my husband (a Kennett, Missouri native) and I have set up roots near our family in Potosi. I am unapologetically proud to be a Missourian, especially because of the scholars I've met and learned with for 10+ summers working at MSA. They give me hope for the future of our state. I return to MSA as often as possible to pay tribute to the place that gave me to spark to continue my formal education, the courage to complete my degrees, and the wisdom to do it in Missouri."

**Missouri Scholars Academy (MSA)**

**Program is found in the following core budget(s): Missouri Scholars and Fine Arts Academies**

**2d. Provide a measure(s) of the program's efficiency.**

The Missouri Scholars Academy achieves excellence while managing costs responsibly. The work of the Academy continues throughout the academic year, as the team reviews all written feedback and data leading to curriculum updates and improvements in all aspects of the program. The Academy has a history of expending 100% of the appropriation each year. In 2023, 316 scholars from 50 of Missouri's 114 counties attended MSA. This lower-than-average county representation was due, in part, to an ice storm in southern Missouri and a school shooting in St. Louis public schools depressing nominations at our February deadline. In 2024, we experienced a highpoint in county and school-level representation. We admitted scholars from 60 counties and the city of St. Louis. Scholars came from 172 high schools, an increase of 18 high schools over our 2023 numbers. MSA staff will continue to conduct outreach for future academies.

**Recovery High School**

**Program is found in the following core budget(s):** Recovery High School

**1a. What strategic priority does this program address?**

Safe and Healthy Schools, Needs-Based Funding and Resources

**1b. What does this program do?**

The pilot program will allow up to four public high schools to design and specifically serve eligible students diagnosed with substance use disorder or dependency. Successful proposals will outline a high school model that provides both a comprehensive four-year high school education in an alternative public school setting while also delivering a structured plan of recovery for each student.

**2a. Provide an activity measure(s) for the program.**

Program activity will be measured using the related Missouri School Improvement Program (MSIP) 6 standards including process and performance standards (attendance, comprehensive school counseling, collaborative partnerships, etc.)

**2b. Provide a measure(s) of the program's quality.**

Pursuant to Section 167.850.2(5), RSMo, DESE is prohibited from aggregating the data of students who attend a recovery high school for purposes of MSIP. Students who are reported attending a recovery high school will be removed from the district MSIP Annual Performance Report (APR). These data will be included in Missouri's federal accountability data as required by federal law. While data from the recovery high school will not be included in the district level APR, building level APR's will be calculated. Additional measures may include retention, drop-out data, etc.

**2c. Provide a measure(s) of the program's impact.**

Program renewal will be determined on an annual basis and will be based on the consideration of multiple data points, including but not limited to: pupil attendance, dropout rate, graduation rate, student performance on statewide assessments, and other MSIP standards and indicators.

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**4. What are the sources of the "Other " funds?**

Lottery Funds

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

§ 167.850, RSMo.

**6. Are there federal matching requirements? If yes, please explain.**

DMH will administer Opioid Settlement Funds which include federal match dollars. DESE allocation is one-time.

**7. Is this a federally mandated program? If yes, please explain.**

No.

**PROGRAM DESCRIPTION**

**Department of Elementary & Secondary Education**

**AB Section(s):** 2.115

**Missouri Course Access and Virtual Instructional Program (MOCAP)**

**Program is found in the following core budget(s): Virtual Education**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workplace Development

**1b. What does this program do?**

The Missouri Course Access and Virtual Instructional Program's (MOCAP) mission is to offer Missouri students equitable access to a wide range of high quality courses, and interactive online learning that is neither time nor place dependent. Classes are offered to students in grades kindergarten through twelve. Funds received for MOCAP are utilized to maintain the program as well as contract with courseware evaluation firms to ensure course alignment and web accessibility.

**2a. Provide an activity measure(s) for the program.**

	FY 2022		FY 2023		FY 2024		FY 2025
	Projected	Actual	Projected	Actual	Projected	Actual	Projected
<b>Evaluation Firms</b>	8	5	5	2	0	0	0
<b>Courseware Providers</b>	16	13	20	17	22	17	19
<b>Approved Courses</b>	2,400	1,477	2,000	1,974	2,500	2,011	2,025

*Note: The appropriation is now used for evaluation, monitoring, reporting, and operating the program.*

**2b. Provide a measure(s) of the program's quality.**

In During the 2023-24 academic year, about 6,200 students enrolled in 73,173 MOCAP courses. The preliminary 2023-24 MOCAP course completion rate is 87 percent and the preliminary course passing rate is 81 percent, meaning 87 percent of students enrolled more than two weeks completed courses once enrolled and 81 percent of students enrolled more than two weeks passed the courses they were enrolled in with a grade of "D" or higher. In 2022-23, MOCAP providers enrolled 7,160 students in 58,810 MOCAP courses. The 2022-23 course completion rate was 85 percent and the course passing rate was 86 percent. The difference in the number of students and courses from the 2022-23 academic year to the 2023-24 academic year appears to come in the increased number of students enrolling in full-time programs, meaning one student is enrolled in six MOCAP courses, when, in previous years, more students enrolled in one or two MOCAP courses and remained enrolled in their resident districts.

**PROGRAM DESCRIPTION**

**Department of Elementary & Secondary Education**

**AB Section(s):** 2.115

**Missouri Course Access and Virtual Instructional Program (MOCAP)**

**Program is found in the following core budget(s):** Virtual Education

**2c. Provide a measure(s) of the program's impact.**

MOCAP provides students choice. This choice option extends to families who are mobile due to parental work assignments, who want more involvement in their child's education, who want to enroll in courses not offered in their districts, and who are exploring options for students who struggle with health or other unique challenges. MOCAP is also an option for districts to use for educational services when a student is suspended or expelled. Further, MOCAP provides an option for home-based education while offering teacher-supported instruction. In 2022-23, 18 MOCAP providers vendors offered 1,974 unique courses; in 2023-24, 17 MOCAP providers offered about 2,011 unique courses. The courses were reviewed for alignment to Missouri Learning Standards or other standards, such as those from the College Board, Project Lead the Way, career and technical skills preparation, and other high-interest coursework. In FY 2024, six World Languages, American Sign Language, 38 Advanced Placement Courses, Gifted Education courses, and career and technical electives, including 3D modeling, Computer Science, Animation, Coding, Drone Certificaion, Criminology, Forensic Science, Entrepreneurship, and Web Design. This variety of course offerings may not be available in a student's district.

**PROGRAM DESCRIPTION**

Department of Elementary & Secondary Education

**AB Section(s): 2.145**

**Missouri Assessment Program**

**Program is found in the following core budget(s): Performance Based Assessment Program**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Missouri Assessment Program (MAP) provides information and an accountability measure for district and charter local education agencies (LEA)s that meet state and federal regulations. MAP is made up of a number of tests designed to measure how well students have acquired the skills and knowledge described in Missouri's Learning Standards (MLS). Missouri educators participate in the development and review of MAP tests. The assessments yield information on performance at the student, class, school, district, and state levels. This information is used by educators to point out strengths and weaknesses in relation to the instruction of the MLS and to gauge the overall quality of education throughout Missouri.

The program includes yearly standards-based tests that measure specific skills defined for each grade in the MLS. All students in grades 3-8 in Missouri public and charter schools take the Grade-Level assessment. English language arts (ELA) and Mathematics are administered in grades 3-8. Science is administered in grades 5 and 8. End-of-Course assessments are administered when a student has received instruction on the MLS in a course, regardless of grade level. Four of these tests are required prior to high school graduation: Algebra I, Biology, English II and Government. Optional assessments are available in Algebra II, American History, English I, Geometry, Personal Finance, and Physical Science.

Students with the most significant cognitive disabilities who meet DESE-established eligibility criteria as determined by the student's Individualized Education Program (IEP) team take alternate assessments. These assessments measure student progress to the alternate academic learning standards which align to the MLS. These assessments, called MAP-A, are administered in grades 3-8 and 11 in ELA and Mathematics and in grades 5, 8, and 11 in Science.

English learners in grades K-12 take the ACCESS, which assesses students' progress in acquiring academic English in the domains of speaking, listening, reading, and writing.

*^ In response to post-pandemic impact, the target assessment participation rate in 2021 was set at 85%.  
Data obtained from the General Research File(s)*

**2b. Provide a measure(s) of the program's quality.**

**Psychometric properties of the assessments**

Missouri requires all assessment vendors to provide a technical report that contains an extensive psychometric analysis each year. As a result, these reports are both lengthy and cumbersome. They are archived and made available for reference on the webpages of the Assessment Section of the department's website. Most sections of these technical reports are designed to provide validity and reliability evidence to support the use of test scores. The source of data used for particular analyses is indicated throughout each technical report. Each assessment has its own technical report; however, most are arranged within the same manner for ease of reference. The following is a brief summary of the information:

- concepts of validity and the uses of scores
- test development processes used to create the assessment
- content-related validity of scores
- information on test administration
- scoring of constructed-response, performance event, and writing tasks
- inter-rater reliability studies
- scaling and linking procedures, and other operational data analyses
- results of the operational administrations
- score reports
- standard setting procedures
- reliability and construct-related validity
- statistical and development processes used to assure fairness of the assessment

*Data obtained from the Technical Reports*

**AB Section(s): 2.145**

**Missouri Assessment Program**

**Program is found in the following core budget(s): Performance Based Assessment Program**

**2c. Provide a measure(s) of the program's impact.**

This program allows Missouri compliance with federal Every Student Succeeds Act (ESSA) requirements around testing and reporting of results. The program provides a measure of student progress and performance related to the content in the Missouri Learning Standards. This measure may be used to evaluate the impact of educational programs, to measure progress toward improvement goals, and to inform the Missouri School Improvement Program.

*Data obtained from the General Research File(s)*

**2d. Provide a measure(s) of the program's efficiency.**

**Reliability of scoring methodologies based on inter-rater agreements.**

An important contributor to the technical quality of assessment is the extent to which independent raters assign the same or similar scores to a given test item. Inter-rater reliability provides a measure of agreement among independent raters.

The agreement between scores is reviewed for inter-rater reliability and means used to assure accurate scoring of assessment items. The statistics for the inter-rater reliability were calculated for all items requiring human reader scoring in Grade-Level and End-of-Course assessments. To determine the reliability of scoring, the percentage of exact agreement and adjacent agreement between two scores was examined (minimum expected perfect agreement is 80.0%).

	<b>FY 2022 Actual</b>	<b>FY 2023 Actual</b>	<b>FY 2024 Actual</b>	<b>FY 2025 Projected</b>	<b>FY 2026 Projected</b>	<b>FY 2027 Projected</b>

**4. What are the sources of the "Other " funds?**

Lottery Funds (0291-1289)

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

Section 160.514 RSMo; Every Student Succeeds Act (Title I, Part B) -- CFDA #84.369A

**6. Are there federal matching requirements? If yes, please explain.**

No

**7. Is this a federally mandated program? If yes, please explain.**

ESSA requires states to assess all students annually in reading/English language arts and in mathematics at grades 3, 4, 5, 6, 7, and 8 and once at a high-school grade. Science testing was required beginning with the 2007-2008 school year for one grade each at elementary, middle, and high school. Missouri assesses science in grades 5 and 8, and Biology (EOC). The federal legislation requires state assessments to measure student achievement relative to the state's content standards.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.145**

**PIE Grant**

**Program is found in the following core budget(s): Office of Quality Schools**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Pathways for Instructionally Embedded (PIE) project focuses on developing and evaluating an innovative assessment model based on learning pathways (LPs) including instructionally embedded and end-of-year assessments. The system will be based on fifth-grade mathematics content standards. The project scope also includes creating training and resources for educators that support teacher use of data and assessment literacy. Additionally, the project will produce a proof of concept for future expansion of the assessment model for use as a statewide assessment.

**2a. Provide an activity measure(s) for the program.**

Principles of Universal Design for Learning (UDL) will be incorporated through project design and development phases to ensure products and materials are accessible to all participants. Interfaces and resources will be designed using stakeholder feedback. Test items were developed by Missouri Educators who are trained in UDL and have guidelines and task templates based on UDL. External reviews of items by Missouri Educators will ensure the assessments are free from concerns of bias or accessibility.

- All DESE materials are available in alternative formats for special needs populations.
- DESE will provide technical expertise to ensure special needs and diverse populations are addressed through implementation. The schools participating in the grant include low performing and located in poverty areas.

- Ongoing feedback from a Project Advisory Committee will provide opportunities to identify and address potential barriers to access and equal treatment. DESE will ensure equal access to project dissemination products by identifying organizations and communication channels that allow us to reach traditionally underrepresented groups and including them in our dissemination strategy.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.145**

**PIE Grant**

**Program is found in the following core budget(s): Office of Quality Schools**

**2b. Provide a measure(s) of the program's quality.**

PIE will design, develop, and evaluate a prototype integrated assessment system that provides multiple measures of student achievement using instructionally embedded and end-of-year assessments based on learning pathways (LPs), developed using principles of Universal Design for Learning (UDL). Year 2 included platform construction that delivered, administered and scored the field test in March 2024.

Goal 1: Design, develop, administer, and evaluate the PIE Assessment System based on learning pathways aligned to grade-level content standards. Year 2 of the grant included 50 plus Local Education Agencies (LEA) with item development, reviews, teacher focus groups and cognitive labs. In March of 2024 we had 30 LEAs participate in our field test the new developed test items, this consisted of approximately 80 educators and 1800 students.

Goal 2: Design an approach to evaluating technical adequacy, including scoring model, theory of action, and validation plan for future use as a statewide assessment system. This includes developing and evaluating scoring models for multiple measures of student progress and achievement, and implementing prioritized studies for specific propositions in the validity argument. Year 2: field test administration results are being used in preparation for Year 3 pilot administration, providing professional development to cluster academic standards to align with local pacing guides and support local instruction.

**2c. Provide a measure(s) of the program's impact.**

The results from the full fixed-form design will be compared to the hypothetical matrix design to evaluate the impact of a reduced matrix-sampling design on student results.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.145**

**PIE Grant**

**Program is found in the following core budget(s): Office of Quality Schools**

**2d. Provide a measure(s) of the program's efficiency.**

PIE will develop and evaluate a statewide general education instructionally embedded assessment system prototype based on fifth-grade mathematics content priority standards. Its flexible administration model allows teachers to incorporate it into their instructional cycles and provide results that are useful for evaluating student progress toward the learning targets during the year. PIE also includes an end-of-year component to further support multiple measures of student achievement. An assessment program that takes advantage of the flexibility granted by the Every Student Succeeds Act (ESSA) addresses several challenges faced within traditional summative assessment systems, using embedded assessments to create a summative score, thus improving assessment efficiency. Year 2 field test administration results are being used in preparation for Year 3 pilot administration, providing professional development to cluster academic standards to align with local pacing guides.

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**Education for Homeless Children and Youth**

**Program is found in the following core budget(s): Homeless**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) (McKinney-Vento Act). The McKinney-Vento Act was originally authorized in 1987 and most recently re-authorized in December 2015 by the Every Student Succeeds Act (ESSA). The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Education for Homeless Children and Youth

Program is found in the following core budget(s): Homeless

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

4. What are the sources of the "Other " funds?

N/A

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

McKinney-Vento Homeless Assistance Act, Title IX, Subtitle B (CFDA # 84.196A) Section 2.190.

6. Are there federal matching requirements? If yes, please explain.

No

7. Is this a federally mandated program? If yes, please explain.

Yes, this program is a federal mandate under the No Child Left Behind Act of 2001 and the Every Student Succeeds Act of 2015.

**PROGRAM DESCRIPTION**

**Department of Elementary & Secondary Education**

**AB Section(s):** 2.205

**Stephen M. Ferman Fund-Gifted**

**Program is found in the following core budget(s): Stephen M. Ferman Fund-Gifted**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Stephen M Ferman Memorial Fund was created to honor the memory of a gifted child who committed suicide and to support gifted education in Missouri. The department has access to interest earned by the fund to use at its discretion each year to help meet any of the three dedicated purposes of the fund: 1) to promote awareness among parents, educators, and the public of characteristics, needs, and educational requirements of gifted children and youth; 2) to provide training and advancement of educational opportunities for teachers of the gifted; and 3) to support the development and funding of programs for the gifted.

**2a. Provide an activity measure(s) for the program.**

*NOTE: Due to COVID-19, the number of participants was lower in 2020-2021, partially due to the fact that hiring was later and several positions remain unfilled.*

*Note: Data is reported based on school year. FY2025 event has been held and all funds expended.*

**PROGRAM DESCRIPTION**

**Department of Elementary & Secondary Education**  
**Stephen M. Ferman Fund-Gifted**  
 Program is found in the following core budget(s): **Stephen M. Ferman Fund-Gifted**

**AB Section(s):** 2.205

**2b. Provide a measure(s) of the program's quality.**

The funds have been used to provide training for teachers new to teaching gifted students. Available funds will continue to be used by DESE and/or distributed to organizations outside of DESE to provide professional learning for teachers of the gifted, especially teachers new to gifted education; and to support travel expenses of experts in the field to give presentations focusing on the nature and needs of gifted children and youth.

Funds in 2022-2023 were used for new teachers to attend the annual gifted conference. Comments from the conference evaluation indicate the quality of the program: "I have a better sense of direction for my gifted program." "I got some good ideas and great resources." "I especially appreciate the take-home activities." The funds in 2023-2024 and 2024-2025 were used to support the New Teacher Workshop, paying for the keynote speaker and providing books and resources for the new teachers.

**2c. Provide a measure(s) of the program's impact.**

In FY 2023, the participants provided an overall rating of 4.84 out of 5 on an end-of-conference survey. In FY 2024 and 2025, the New Teachers Workshop was held in July with positive outcomes. In both years, 100% of the teachers reported that they would recommend the workshop for other new teachers and that the workshop was worth the time and investment.

Comments included: "So many incredible resources to use right away. Love the Padlet!!!" "I love the creativity pieces, and I plan on incorporating that into my classroom." "I now have a better focus on how to teach my gifted classes." "There are several concepts I want to put into place immediately in August, including Depth and Complexity." "The takeaway I'm most excited about is National History Day." "Literally all of this was wonderful!"

**2d. Provide a measure(s) of the program's efficiency.**

FY 2023 and subsequent years, 100% of the funds will be expended on the intended programs. The 2020-2022 workshops were held virtually.

NOTE: FY 2025 budgeted has been expended.

**PROGRAM DESCRIPTION**

**Title II, Part A**

**Program is found in the following core budget(s): Title II (Effective Instruction)**

Data is collected on principal participation in the Missouri Leadership Development System (MLDS). Limited implementation began in fall 2016. The target is to eventually train all principals and assistant principals in the state. The target by FY 2024 is to be working with 1,600 principals and assistant principals in the state.

*FY 2024 data will be available later in FY 2025.*

**PROGRAM DESCRIPTION**

**Department of Elementary & Secondary Education**

**AB Section(s): 2.210**

**Title II, Part A**

**Program is found in the following core budget(s): Title II (Effective Instruction)**

Attrition means that school districts must replace teachers from one year to the next. In the state of Missouri, average attrition rates for the last several years are just over 11%. This is higher than the nationwide average of 8% or the average 4% that occurs in high performing countries. The majority of vacant positions are filled with new teachers. In our state, not only do too many teachers leave the profession, but there are also less and less teachers available to replace them. As a result, school districts fill positions with teachers that must teach out of their area of certification or must leave positions vacant.

*FY 2024 data will be available later in FY 2025.*

**2d. Provide a measure(s) of the program's efficiency.**

554 LEAs receive Title II.A funds. DESE will review and respond to each Title II.A application within 120 days from the application submission. In FY 2023, all applications were reviewed and responded to within the 120 days.

Title IV, Part A

Program is found in the following core budget(s): Title IV (Student Support & Academic Enrichment)

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

This program provides supplemental funding to improve students' academic achievement by increasing capacity to provide all students with access to a well-rounded education, improved school conditions for student learning, and upgrade the use of technology in order to advance the academic achievement and digital literacy of all students. Per the Every Student Succeeds Act (ESSA), this entitlement grant distribution will be based on the relative share of Title IV-A. Additional Title IV-A funding for the Stronger Connections Grant (SCG) provided for high-need Local Education Agencies (LEAs) to equip safe and healthy schools initiatives (FY24-FY26).

**2a. Provide an activity measure(s) for the program.**

Department of Elementary & Secondary Education

AB Section(s): 2.215

Rural and Low-Income Schools (RLIS)

Program is found in the following core budget(s): Title V, Part B (aka Federal Rural and Low-Income Schools)

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

This program provides rural districts with financial assistance for initiatives aimed at improving student achievement. The grant is non-competitive, and eligibility is determined by statute. A Local Education Agency (LEA) may use these funds to support a range of authorized activities in order to assist the LEA in meeting Missouri's definition of annual measurable objectives.

**2a. Provide an activity measure(s) for the program.**

**School Turnaround Act**

**Program is found in the following core budget(s):** School Turnaround Act

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

Sections 161.1080 to 161.1130, RSMo. established the School Turnaround Act. Subject to appropriation, the department is authorized to identify schools for improvement and vendors with a proven track record of improving schools to serve as a resource for the identified schools. The grant amount for the School Turnaround Fund is specified at \$650,000 with half payable at the outset of each improvement contract. The School Turnaround Program is outsourced to multiple vendors with expertise and experience in improving schools.

Three schools in the Riverview Gardens School District (Highland Elementary, Lewis and Clark Elementary, and Meadows Elementary) were identified in February 2022. Each school selected a vendor from the qualified vendor list, which was approved by the department. Three additional schools in the Normandy Schools Collaborative were identified in the 2023-24 school year (Barack Obama Elementary, Jefferson Elementary, and Washington Elementary)

**2a. Provide an activity measure(s) for the program.**

Activity is measured by the number of schools, teachers and students in the schools designated as in need of intervention under the School Turnaround Act.

School Year	Schools	Teacher FTE	Students
2022-2023	3	40.95	754

**AB Section(s):** 2.240

**School Turnaround Act**

**Program is found in the following core budget(s):** School Turnaround Act

**2b. Provide a measure(s) of the program's quality.**

This program provides the services of qualified independent school turnaround experts to designated schools. To ensure quality and meet statutory requirements, (RSMo 161.1011), the turnaround experts must:

1. Have a credible track record of improving student academic achievement in public schools with various demographic characteristics, as measured by statewide assessments;
2. Have experience designing, implementing, and evaluating data-driven instructional systems in public schools;
3. Have experience coaching public school administrators and teachers on designing and implementing data-driven school improvement plans;
4. Have experience collaborating with the various education entities that govern public schools;
5. Have experience delivering high-quality professional development and coaching in instructional effectiveness to public school administrators and teachers;
6. Be willing to be compensated for professional services based on performance as described in statute (RSMo 161.1105); and
7. Be willing to partner with any school in need of intervention in the state, regardless of location.

**2b. Provide a measure(s) of the program's quality. (Continued)**

In partnership with the local school turnaround committee, the independent school turnaround expert will develop and implement a school turnaround plan that includes:

1. The findings of the school analysis conducted by the independent school turnaround expert;
2. Recommendations regarding changes to the school's personnel, culture, curriculum, assessments, instructional practices, digital tools and other methods for teaching and learning, governance, leadership, finances, policies, or other areas that may be necessary to implement the school turnaround plan;
3. Measurable student achievement goals and objectives;
4. A professional development plan that identifies a strategy to address problems of instructional practice;
5. A leadership development plan focused on proven strategies to turn around schools in need of intervention that align with administrator standards developed under section 168.410;
6. A detailed budget specifying how the school turnaround plan will be funded;
7. A plan to assess and monitor progress;
8. A plan to communicate and report data on progress to stakeholders; and
9. A timeline for implementation.

Special Education Grant

Program is found in the following core budget(s): Special Education Grant

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

This appropriation request is for the capacity to receive and disburse Part B federal grant award funds under the Individuals with Disabilities Education Act (IDEA) for students with disabilities ages 3-21. Grant funds are distributed in accordance with regulations in the following manner: allocated by formula to school districts for supplementing the costs of educating students with disabilities (88%); administration and supervision of special education programs (2%); and state targeted initiatives to improve special education services (10%). High Need Fund (HNF) federal funds are also distributed through this appropriation.

**2a. Provide an activity measure(s) for the program.**

**IDEA Part B funds provided to school districts are spent on special education instruction and related services for students with disabilities.**

Special Education Grant

Program is found in the following core budget(s): Special Education Grant

**IDEA Part B funds provided for state initiatives are spent on the following activities.**

<b>Statewide Initiatives to Improve Equitable Access and Provide Educator Support</b>	<b>BUDGETED FUNDING</b>
<b>Direct and Support Services</b>	<b>\$18,000,000</b>
• Project Access - Autism related training and assistance for school districts	
• RPDC - regional professional development centers that provide technical assistance to school districts (98 FTE statewide system of support)	
• Social Emotional Learning for All - improve transition strategies and data collection for students graduating high school	
• Cochlear Implant Consultation - assist districts to meet the unique needs and challenges of students with cochlear implants	
• MPACT - Missouri Parents Act parent mentor and training program	
• Virtual Learning Platform - improve instructional strategies through on-line professional development opportunities	
• Statewide Collaborative Initiative - improve learning for all students by establishing effective and efficient collaborative data teams	
• Special Education Connection Subscription for all Districts - increase knowledge in education administration and special education services	
• Surrogates - contracted individuals and volunteers to act as the educational decision maker for students with disabilities without guardians/parents	
• Transition Activities and Dropout Prevention - improve student transition	
<b>Assessment Activities and Alternative Placements</b>	<b>\$3,000,000</b>
• MAP-A - alternative assessment for students with disabilities	
• End of Course Exams - assessments with accommodations for students with disabilities	
• Grade Level Assessment - produce and administer grade level assessments	
<b>Efficiency and Effectiveness and Capacity Building</b>	<b>\$2,000,000</b>
• Consultant Log Data - reduce the time and effort of contractor reporting by utilizing a web-based system	
• Assistive Technology Devices for students with disabilities - improve educational outcomes for students with disabilities	
• eLearning for Educators - modules and on-line training for educators to reduce travel/out of district time	
• Web-based contract approval and monitoring system to reduce paperwork and internal routing time	
<b>Monitoring and Enforcement</b>	<b>\$1,000,000</b>
• Administrative Hearing Commission - assist with due process cases	
• Mediators - assist with mediation in child complaint cases	
• IEP Facilitators - assist parents and school districts with the IEP process and any disagreements on services.	
• IMACs - Improvement Monitoring Accountability Compliance Systems - web-based for compliance management and school district monitoring	
<b>Assist in Meeting Personnel Shortages</b>	<b>\$500,000</b>
• Deaf/HH Scholarships - assist in meeting personnel shortages by providing scholarship funding for educators	
• Orientation and Mobility Scholarships - assist in meeting personnel shortages by providing scholarship funding for educators	

*NOTE: This chart indicates some of the initiatives funded by IDEA federal special education funds.*

**High Need Fund**

**Program is found in the following core budget(s): High Need Fund**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The High Need Fund (HNF) was established to provide additional funding to districts serving high need students with disabilities that are extraordinarily costly to the district. This funding helps reduce the financial stress on districts for increased costs to provide individualized education program (IEP) services that are beyond their control. Districts may claim educational costs that include: Instructional costs, Related Services, Transportation, Tuition, Assistive Technology, and other expenditures directly related to the student's education and supported by the student's Individualized Education Program (IEP). The fund provides reimbursement to districts when the educational costs exceeds three times the district's Current Expenditure per Average Daily Attendance (ADA). Reimbursement is provided the following year in which educational services were provided.

**2a. Provide an activity measure(s) for the program.**

	<b>FY 2022 Actual</b>	<b>FY2023 Actual</b>	<b>FY 2024 Actual</b>	<b>FY 2025 Projected</b>	<b>FY 2026 Projected</b>	<b>FY 2027 Projected</b>
<b>CLIENTS SERVED</b>						
Number of Districts Paid under HNF	209	212	218	220	222	225
Number of Students Claimed under HNF	3,056	3,194	3,205	3,237	3,269	3,302

*NOTE: This chart indicates the number of districts that applied for the HNF and the number of students claimed for reimbursement.*

*NOTE: This chart indicates the number of districts that incur extreme costs for providing special education services to High Need students. Of the 218 districts that applied, approximately 163 districts had educational costs that exceeded \$100,000 for high need students. These students are very costly to the district.*

**PROGRAM DESCRIPTION**

Department of Elementary and Secondary Education  
 High Need Fund  
 Program is found in the following core budget(s): High Need Fund

AB Section(s): 2.295

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

*NOTE: Federal funds are not included in program expenditure history as these funds are appropriated through the Special Education Grant.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.295

**High Need Fund**

**Program is found in the following core budget(s): High Need Fund**

**4. What are the sources of the "Other " funds?**

Lottery (0291-0657), Federal Funds (0105-2265) appropriated under the Special Education Grant

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

RSMo Section 162.974; Individuals with Disabilities Education Act (IDEA) 34 CFR 300.704

**6. Are there federal matching requirements? If yes, please explain.**

There are Maintenance of Effort (MOE) requirements related to the IDEA Part B federal grant. MOE requires the state to appropriate the same amount of state funds for special education programs as it did the previous year. The threshold must be maintained or the state will forfeit federal funding for each year the state does not meet the original threshold.

**7. Is this a federally mandated program? If yes, please explain.**

Yes, there are federal funds from the Special Education Grant that are allowed to go towards state high need programs if certain conditions are met.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.385

**Public Placement Fund (PPF)**

**Program is found in the following core budget(s): DFS/DMH Placements/Public Placement Fund**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The Public Placement Fund (PPF) provides reimbursement pursuant to RSMo 167.126 for the educational costs of students placed within a non-domicile school district by a state agency or court. Non-domicile refers to a school district outside of where the parents or legal guardians reside. These students would not typically be the responsibility of the serving district except that a state agency or court has placed them in a foster home, group home, or residential facility within the boundaries of the serving district. The funding helps reduce the financial stress on districts for increased costs beyond their control. Funding is available to provide equitable access to learning opportunities when the educational costs of these students exceed the revenues received by the serving district. Reimbursement is provided the following year in which educational services are provided.

**2a. Provide an activity measure(s) for the program.**

**Sheltered Workshops**

**Program is found in the following core budget(s): Sheltered Workshops**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workplace Development

**1b. What does this program do?**

Sheltered Workshops provide employment opportunities, training and supervision for developmentally disabled workers. The sheltered workplace is adapted to the needs and abilities of persons with developmental disabilities in a safe and supervised environment that are not able to work in competitive employment.

This appropriation provides funding to 87 Sheltered Workshops with 94 locations across the state to be able to employ approximately 5,000 adults with severe disabilities. The statute requires payment of at least \$21 for each six-hour work day or longer and up to 38 hours per week.

**2a. Provide an activity measure(s) for the program.**

Over 4,802 developmentally disabled Missourians are employed 27 hours or more per week at Sheltered Workshops. The average employee age is 39 years old, and 56% of employees have remained employed for 9 or more years at the Sheltered Workshops.

**Services Performed By Sheltered Workshop Industries**

Packaging/Mailing	Janitorial Services	Screen Printing/Embroidery	Maintenance of Facilities/Lawn Care
Shredding	Laundry	Storage	Thrift Shop/Consignment Shop
Assembly/Sorting	Data Entry	Wood Work	Document Preservation
Recycling	Machine Operation	Manufacturing	Entrepreneurial/Custom Enterprises

*NOTE: This chart indicates some of the common services provided by sheltered workshops.*

**The below comments are from a parent survey.**

As Randy's parents we are thankful Randy has the opportunity to have sheltered employment.

Randy started part-time at a workshop called Vocational Services in Kansas City when he was a senior in high school. He worked for VSI for 16 years before we moved to Lake of the Ozarks Area, Lake Area Industries welcomed him with open arms. His employment has enabled him to prove his abilities to himself and others. Working has given him independence, social skills, opportunities to meet new people, taking care of others all while enjoying life, having fun and earning spending money. He likes to stay busy. Because of this employment opportunity, it has provided his family peace of mind. As parents we were able to work and provide for our family, without having to worry about adult day care or having to put him in a home. We have watched Randy grow into a helpful loving adult, accepting his disabilities, and conquering responsibilities of life.

Debbie Randy's mother

I am a family member and care provider of adult twins who choose to work at Lake Area Industries in Camdenton. My father-in-law passed away in 1999, five months after my husband and I were married. My mother-in-law passed away in 2017. My husband's brothers who are twins, who both have a developmental disability and who are currently 49 moved in with us in December 2016. At this time, we had been married for 18 years and had no children. When Dan and Darrin moved in, we all had to adjust expectations and goals. We have had an amazing journey learning about each other and enjoying new experiences.

Dan and Darrin started working at a sheltered workshop right after high school in 1993. They worked at Foundation Workshop Inc in Grandview which eventually merged with IBS to form JobOne. At FWI/JobOne, the guys had various jobs. They did a lot of piece rate work for different clients. When JobOne opened the first recycling center in Grandview, Dan and Darrin joined that team and helped to sort recyclable materials while interacting with the public when helping to unload cars. Dan and Darrin worked for FWI/JobOne for 26 years, right up until we moved to the Lake of the Ozarks. Then they both chose to join the Lake Area Industries team. They were welcomed with open arms and quickly were at home in this new environment. They began with piece rate work and moved into janitorial work. They currently are part of a small team that cleans at a nursing home. They also served the community by cleaning up a local cemetery on a bi-monthly basis.

**Sheltered Workshops**

**Program is found in the following core budget(s): Sheltered Workshops**

Darrin considered competitive employment when we lived in Independence. However, he was concerned about leaving his brother who had no interest in working outside of the workshop. He was also concerned about understanding expectations and the different personalities in competitive employment. The thought was scary for him and for us. Once we moved and both guys joined LAI, they were offered opportunities to learn new tasks. They loved working offsite a couple of hours a month while cleaning a cemetery. Surprisingly, they enjoyed the janitorial work. (I enjoy that their living areas are incredibly clean at home.) They came home each day with a sense of accomplishment. They knew the work they did, made all of their coworkers happy by providing a clean work environment. They also learned a lot about how to sanitize during the covid pandemic. They love going to the nursing home to work, as well. Their supervisor told me they would be willing to work on their days off because they love it so much. They both light up whenever they are telling someone about their jobs and what they do. I am proud and excited for them when I hear them telling people about LAI.

This job works because they are part of a small team. Their supervisor is with them the entire time. She takes time to explain tasks and then show them how to complete them. They are comfortable asking her questions, even if they have asked the same question before and before that. They are not ever made to feel they cannot approach their supervisor or the other staff at LAI with whatever the issue is. In fact, there was a time a couple of years ago when Darrin smoked cigarettes. He was trying to quit and was uncomfortable that one of his jobs was to dump and clean ashtrays. We talked about how to handle this. His first comment was this situation was not fair. I explained that fair had nothing to do with his job. We talked about arguments that he could offer to support his desire to not do that task. We practiced his words and then he spoke to his boss and asked that the task of cleaning ashtrays be removed from his daily work. It was. He was comfortable talking to his boss about this issue. At one point it was wearing Darrin out to do janitorial work all day at the workshop. He asked his supervisor if part of his day could be piece work too. He trained his brother to take over some of his tasks. They switched off. One would clean and one would do the piece work and then switch in the afternoon. I found out afterwards. Darrin did not need coaching this time to advocate for himself. I don't believe he would feel this way in competitive employment.

As a family, we are happy about the choice Dan and Darrin made when they joined the LAI team. LAI provides them with a challenging job, the right amount of supports and many friends. Through LAI, we have supported our community by volunteering. Our volunteer hours help to fundraise for LAI, helps to educate the public about the benefits of working at LAI and of possibly becoming a client of LAI. We love it.

I kindly ask that you support Dan and Darrin's right to choose where they work. Support funding to sheltered workshops. Advocate for individuals with disabilities and others who are challenged in advocating for themselves.

Thank you,  
Tammy Flores  
Sister-in-law to/Advocate for Dan and Darrin Flores

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

This appropriation funds three contracted Blind Skills Specialist (BSS) positions and the administrative functions related to the Blind Task Force per RSMo Sections 162.1130-1142. Blind Skills Specialists provide training and consultation for blind and visually impaired students, training for teachers, and resources for families. This includes but is not limited to:

- Program and placement recommendations
- Professional development/in-service training to educators, parents, and other stakeholders
- Direct consultation (braille instruction, orientation and mobility training, etc.)
- Interpretation of evaluation results during IEP meetings
- Assessment and instructional techniques
- Statewide assessment data reviews
- Support the application and needs of appropriate technology for students with visual impairments
- Provide agency referrals

The Blind Task Force develops goals and objectives to guide the improvement of special education, related services, vocational training, transition from school to work, rehabilitation services, independent living and employment outcomes for students with blindness and visual impairments. Funding is provided for travel, lodging and meals of committee members.

**Program is found in the following core budget(s):** Blind Student Literacy

**2b. Provide a measure(s) of the program's quality.**

**Vision Impaired In-Service in America (VIISA) Course Evaluation**

100% agree the session was evidence-based and referenced current research of visually impaired students.

100% agree materials were relevant to the needs of team members serving visually impaired students.

100% agree the session provided useful content and material and will be used by the team member serving visually impaired students.

100% agree the session provided information that will make a difference in the work with visually impaired students.

**Training and Support Evaluation**

100% agree the BSS provides on-going support to schools with visually impaired students in order to increase students access to general education curriculum and performance on state assessments.

100% agree the BSS provides training in assessment and instruction techniques to increase the knowledge and skill level of personnel and parents of visually impaired students.

99% agree the BSS provides information about regional and statewide resources for services and training.

**INSITE Training Evaluation**

Participants scored the overall workshop rating as 5 out of 5.

**Comments from the Hand in Hand Course**

*"The task analysis was useful in that it brought awareness to the steps involved in everyday activities that may seem simple for us, but may not be for others."*

*"Vitality/Camp Abilities information was very relevant for many students. Increasing movement/motor activities is essential for lifelong fitness and health."*

**Special Olympics**

**Program is found in the following core budget(s): Special Olympics**

**1a. What strategic priority does this program address?**

Efficiency and Effectiveness

**1b. What does this program do?**

Special Olympics offers initiatives to activate youth, engage kids with intellectual disabilities, build communities, and improve the health of athletes. This funding helps support more than 7,000 school age participants with intellectual disabilities through program opportunities such as Unified Sports, Athlete Leadership Programs (ALP), Young Athletes and traditional sports. Special Olympics Unified Sports is an inclusive program that combines individuals with intellectual disabilities (athletes) and individuals without intellectual disabilities (Unified Partners) on sports teams for training and competition. Athlete Leadership Programs teach athletes how to achieve success, joy and acceptance on the field, and feel just as empowered while off the field of competition as respected leaders and spokespeople in their communities and where they can make a difference for the organization they love. Through Young Athletes, volunteers introduce young children, ages 3-7, to the world of sport, with the goal of preparing them for Special Olympics Missouri sports training and competition.

Funds will be utilized to educate and train volunteer coaches and unified partners, and to provide supplies and equipment for training/competition for young athletes, housing expenses for regional and state competitions, and expenses associated with the Athlete Leadership Program Youth Activation Summit for school age individuals with and without intellectual disabilities.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**  
**Early Childhood Special Education (ECSE)**  
**Program is found in the following core budget(s): ECSE**

**AB Section(s):** 2.305

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

Early Childhood Special Education (ECSE) provides individualized special instruction and related therapy services to children with disabilities, ages three through five, in order to meet unique developmental learning needs and ensure children have equitable access to learning opportunities. Special education and related services for preschool age children with disabilities are mandated under state statute and provided in accordance with Part B of the Individuals with Disabilities Education Act (IDEA). IDEA requires all special education and related services be delivered through a Free Appropriate Public Education (FAPE), which may require adapting the content, methodology, or delivery of instruction to address the unique needs of children with disabilities to ensure access to the general curriculum. Related services may include developmental, corrective, and other supportive services required in order for the child to benefit from special education instruction.

**2a. Provide an activity measure(s) for the program.**

<b>ECSE Students Served</b>	<b>FY22 Actual</b>	<b>FY23 Actual</b>	<b>FY24 Actual</b>	<b>FY25 Projected</b>	<b>FY26 Projected</b>	<b>FY27 Projected</b>
Number of Districts with ECSE Programs	325	325	357	393	432	475
Total Children Served in the ECSE Program	15,658	16,268	17,450	19,195	21,115	23,226
Percent Growth	#DIV/0!	3.90%	7.27%	10.00%	10.00%	10.00%

*NOTE: ECSE students enroll in the program throughout the year as they turn age 3. This is a cumulative count reflective of all children served throughout the entire year. Districts may not have a program if there are no eligible 3-5 year olds with disabilities in their district or they send eligible students to a neighboring district for services. The total children served in the ECSE program decreased in FY 2022 due to COVID-19.*

*NOTE: Declining enrollment due to COVID-19*

*NOTE: Reviews completed outside of the 60 day timeframe are due to the delay in receiving additional supporting documentation from districts.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**  
**Early Childhood Special Education (ECSE)**  
 Program is found in the following core budget(s): ECSE

AB Section(s): 2.305

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

NOTES: Includes expenditures from IDEA Federal Funds (0105-7207) appropriated through the Special Education Grant Core for ECSE.

**4. What are the sources of the "Other" funds?**

Lottery Proceeds (0291-7208), ECDEC (0859-7210) appropriated through Special Education Grant Core

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

IDEA - 20 U.S.C §1400 et seq., as amended in 2004; Part B Regulations - 34 CFR 300-301;  
 RSMo Section 162.700; Supreme Court Decision (Rolla 31 School District, et al, vs. State of Missouri, 1992).

**6. Are there federal matching requirements? If yes, please explain.**

There are Maintenance of Effort (MOE) requirements related to the IDEA Part B federal grant. Maintenance of Effort requires the state to appropriate the same amount of state funds for special education programs as it did the previous year. The threshold must be maintained or the state will forfeit federal funding for each year the state does not meet the original threshold.

**7. Is this a federally mandated program? If yes, please explain.**

Yes. The state is federally mandated to provide ECSE services as long as it applies for Part B funding through IDEA.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.310**

**Special Education Grant (ECSE)**

**Program is found in the following core budget(s): ECSE**

**1a. What strategic priority does this program address?**

Early Learning & Early Literacy

**1b. What does this program do?**

Early Childhood Special Education (ECSE) provides individualized special instruction and related therapy services to children with disabilities, ages three through five, in order to meet unique developmental learning needs and ensure children have equitable access to learning opportunities. Special education and related services for preschool age children with disabilities are mandated under state statute and provided in accordance with Part B of the Individuals with Disabilities Education Act (IDEA). IDEA requires all special education and related services be delivered through a Free Appropriate Public Education (FAPE), which may require adapting the content, methodology, or delivery of instruction to address the unique needs of children with disabilities to ensure access to the general curriculum. Related services may include developmental, corrective, and other supportive services required in order for the child to benefit from special education instruction.

**2a. Provide an activity measure(s) for the program.**

<b>ECSE Students Served</b>	<b>FY22 Actual</b>	<b>FY23 Actual</b>	<b>FY24 Actual</b>	<b>FY25 Projected</b>	<b>FY26 Projected</b>	<b>FY27 Projected</b>
Number of Districts with ECSE Programs	325	325	357	393	432	475
Total Children Served in the ECSE Program	15,658	16,268	17,450	19,195	21,115	23,226
Percent Growth	-7.11%	3.90%	7.27%	10.00%	10.00%	10.00%

*NOTE: ECSE students enroll in the program throughout the year as they turn age 3. This is a cumulative count reflective of all children served throughout the entire year. Districts may not have a program if there are no eligible 3-5 year olds with disabilities in their district or they send eligible students to a neighboring district for services. The total children served in the ECSE program decreased in FY 2022 due to COVID-19.*

**PROGRAM DESCRIPTION**

Department of Elementary and Secondary Education

AB Section(s): 2.310

Special Education Grant (ECSE)

Program is found in the following core budget(s): ECSE

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

NOTES: Includes expenditures from IDEA Federal Funds (0105-7207) appropriated through the Special Education Grant Core for ECSE.

4. What are the sources of the "Other " funds?

IDEA Federal Funds (0105-7207) appropriated through Special Education Grant Core

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

IDEA - 20 U.S.C §1400 et seq., as amended in 2004; Part B Regulations - 34 CFR 300-301;  
RSMo Section 162.700; Supreme Court Decision (Rolla 31 School District, et al, vs. State of Missouri, 1992).

6. Are there federal matching requirements? If yes, please explain.

There are Maintenance of Effort (MOE) requirements related to the IDEA Part B federal grant. Maintenance of Effort requires the state to appropriate the same amount of state funds for special education programs as it did the previous year. The threshold must be maintained or the state will forfeit federal funding for each year the state does not meet the original threshold.

7. Is this a federally mandated program? If yes, please explain.

Yes. The state is federally mandated to provide ECSE services as long as it applies for Part B funding through IDEA.

**PROGRAM DESCRIPTION**

**Department of Elementary & Secondary Education**

**AB Section(s): 2.315**

**Parent Education and Developmental Screening**

**Program is found in the following core budget(s): Parent Education and Developmental Screening**

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The Missouri parent education program is designed to prepare children, families, communities, and schools for kindergarten entry (i.e., school readiness). This program promotes early learning, knowledge and understanding of child development, partnerships between families and schools, and access to community resources through parent education activities and developmental screenings for families with children under the age of kindergarten entry. In addition to the direct services to families, parent education program support is offered to prepare, develop, and support parent educators and supervisors in public school districts to ensure effective and consistent services statewide.

**2a. Provide an activity measure(s) for the program.**

*NOTE: \*Due to COVID-19, programs made modifications to the delivery methods utilizing virtual strategies. Even with these strategies, the number of families receiving services were impacted in 2021-22.*

**2c. Provide a measure(s) of the program's impact.**

This chart represents a sample of comments collected from 516 school districts during 2023-24 that shows the impact of the program.

<b>Program Goal Successes</b>	<b>District Comments</b>
<b>Increase parent knowledge of early childhood development</b>	"New family enrolled after moving to the district. Mom is of Polish decent and raised under her mother's communist ideas. The mother and father met in England when he was in the service. When mother became pregnant, she had a goal to raise a baby in a much different way than what she experienced. When learning about Parents as Teachers, the parents immediately knew they wanted to be involved. Since beginning visits, parents are most interested in Parenting Behaviors and Development-Center Parenting topics. Mom frequently researches all things on parenting. Parents feel like the Parents as Teachers information "fits into their family parenting styles." Dad uses the resource of the Missouri Family Resource app given in his line of work, as he is now a police officer."
<b>Increase children's school readiness and success</b>	"A parent educator in our program supported a family with intellectually delayed parents and a toddler who was also delayed. The parent educator assisted them with connecting and maintaining services, with First Steps. She was also able to connect them with a therapeutic preschool, food assistance, needed equipment, and is now in the process of helping them transition to our district's Early Childhood Special Education program. The child has made big strides in meeting his milestones and the parents have expressed their appreciation of the support the parent educator has provided over the last couple of years."
<b>Provide early detection of developmental delays and health issues</b>	"One of our families, had a baby born with Spina Bifida along with a tethered spinal cord. Through meeting with the family, we were able to provide support networks in the rural area to help assist with medical knowledge. They now have a family support person that comes to the home to check on the child, who also assists with insurance and finding medical devices and/or people who will assist with the child's medical therapy in the future. Parent also has weekly conversations regarding the progress and needs of the child and family."
<b>Prevent child abuse and neglect</b>	"This year I have partnered with a single mother who struggles with mental health disorders, low income, substance abuse, low parent-child involvement, and much more. I started out getting to know the mother earlier this year and finally gained her trust. She confided in me, telling me about her former drug use and how she had previously been absent in her children's lives. As we discussed her obstacles she was facing, she told me she did not think forming a bond with her children was possible after she had already missed out on so much with them. I assured her that this was completely possible, and discussed how we would work together to develop a healthy, long-lasting relationship between her and her children. I have been successful in connecting the mother with a mental health professional, financial assistance, increasing her parenting knowledge/skills, working on positive parenting strategies, and much more. I have personally observed her bond with her children become increasingly stronger in so many ways. I truly believe that without the assistance of this program, child neglect and mental abuse would have prolonged within the family environment. I am extremely proud of this family and take pleasure in the fact that I am able to continually help them improve in a variety of ways."

**Home Visiting**

**Program is found in the following core budget(s):** Home Visiting

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The home visiting programs provide free, voluntary support through in-home services to pregnant women and young family's prenatal to kindergarten entry, who are, or potentially could be at-risk for: poor maternal and child health and developmental outcomes; histories of abuse/neglect, trauma, intimate partner violence, and depression; unstable housing and/or nutritional status; and/or low educational achievement and/or unemployment. The home visiting evidence-based models include: Nurse Family Partnership (NFP), Early Head Start Home-Based Option (EHS-HBO), Healthy Families America (HFA), and Parents as Teachers (PAT). Depending on the specific focus of each model, home visiting services assist in the prevention of child abuse and neglect through education and support of parenting skills, protective capacities for families, and assisting parents and caregivers in becoming involved participants in their child's(ren's) development.

Additionally, the Safe Sleep and Safe Cribs of Missouri program provides safe portable cribs and safe sleep education at no cost to low-income families. This program is currently available through 62 Local Public Health Agencies (LPHA) and other participating service organizations.

**Program is found in the following core budget(s): Early Childhood Comprehensive Systems**

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The early childhood comprehensive systems (ECCS) grant is intended to expand the scope of the Missouri early care and education systems by funding projects that bring together early childhood teachers with health providers and families to discuss healthy development and family-centered strategies. The activities under this grant include the integration of health metrics and reports into the Early Childhood Integrated Data System (ECIDS), professional development and outreach to physicians/health providers, training for families and regional parent advisory councils that support family leadership. The outcome of this grant is to provide for a more holistic and well-rounded approach to supporting Missouri's children and families.

**2a. Provide an activity measure(s) for the program.**

In FY 2026, DESE will review the number of families and professionals trained in approaches that promote strong families (e.g., Strengthening Families Protective Factors Framework).

**2b. Provide a measure(s) of the program's quality.**

*Note: FY 2023 Survey (System Asset & Gap Analysis) response rate was 65% (17 responses out of 26 surveys) Early Care & Education and Maternal Child Health organizations identified by the ECCS Advisory Council and Steering Committee. Survey will be completed again in FY 2026 to assess impact of ECCS activities on level of interaction between maternal child health and early care & education providers.*

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The Preschool Development Grant (PDG) Birth to Age Five was originally awarded in 2019, with multiple year renewals, to the Department of Elementary and Secondary Education (DESE) to align and coordinate policies, practices, and professional development across programs that serve children birth to kindergarten entry. The goal of PDG is to increase efficiency and decrease fragmentation of services for young children (birth to age 5) and their families. This grant was a catalyst in creating the Office of Childhood within DESE that consolidates early and extended learning programs into a single governance structure.

Quality Assurance Report & Preschool Development Grant

Program is found in the following core budget(s): Early Childhood Coordination

**2b. Provide a measure(s) of the program's quality.**

In FY 2023, the Office of Childhood developed and finalized a strategic plan for Missouri's Childhood System. This strategic plan establishes a three-year set of goals, objectives, and strategies for improving the childhood system. Each of these goals has an agreed upon set of success measures. Each year, staff in the DESE Office of Childhood will complete a set of action items and measure progress towards the goals. At the end of three years, staff will engage a variety of stakeholders to review and revise the plan, creating a continuous quality improvement cycle of setting targets and measuring progress.

Office of Childhood Four Big Goals					
		Measure*	FY22 Data	FY23 Data	FY24 Data
<b>Goal 1</b>	Expand access to high quality programs	Increase the number of children receiving an annual developmental screening	73,300	79,596	83,063
<b>Goal 2</b>	Improve the quality of programs and services	Increase the number of programs participating in QAR	92	88***	273
<b>Goal 3</b>	Strengthen community leadership	Increase the percentage of community leaders that are implementing local early childhood plans	NA	100%	100%
<b>Goal 4</b>	Modernize systems and improve operations	NA**	NA	NA	Two new modernized systems launched to collect childhood data

\*Goals 1-3 have multiple measures that can be found in the full strategic plan at <https://dese.mo.gov/childhood/outreach/pdg>.

\*\*Goal 4 measures and targets determined in FY 2024.

\*\*\*In FY 2023, although the total number of programs participating in the QAR decreased, the total number of classrooms participating increased by 12%.

**2c. Provide a measure(s) of the program's impact.**

2024 Survey Results	Stakeholder Survey Indicators
100%	Respondents agree that the state has a goal for a shared vision of quality that drives continuous improvement in the quality of childhood programs and services.
58%	Respondents agree that there has been more awareness about early childhood programs in their community in the past year.
59%	Respondents agree that customer service has improved for programs and services offered by the Office of Childhood.

**2d. Provide a measure(s) of the program's efficiency.**

Numerous communication strategies were streamlined in FY 2023 to improve stakeholder experiences and engagements, while eliminating duplicative outreach and communication efforts. Key strategies include the following:

1. Sent Childhood Connections, the monthly Office of Childhood newsletter, to a cumulative count of 144,489 stakeholders, an 20% increase from prior year.
2. Hosted monthly stakeholder webinars with, on average, more than 139 live participants, a 6% increase from prior year.
3. Sent 214 emails to stakeholders using the mass communication tool.
4. Updated Early Connections to include information about funding opportunities, developmental screening, professional development, and the early care & education workforce. Early Connections had 400,059 unique visitors in FY 2024, a 50% increase from FY 2023.

**First Steps**

**Program is found in the following core budget(s):** First Steps

**1a. What strategic priority does this program address?**

Early Learning & Early Literacy

**1b. What does this program do?**

Missouri First Steps is the Early Intervention program for infants and toddlers, birth to age three, who have delayed development or diagnosed conditions associated with developmental disabilities. First Steps works with families to ensure coordinated services are provided and families have the necessary services and resources needed to help their child learn, grow, and reach developmental milestones. A team of professionals and the child's parent create an individualized family service plan (IFSP) for each eligible child. This plan includes one or more of the following services: Behavior Services, Assistive Technology, Audiology, Counseling, Nursing Services, Nutrition Services, Occupational Therapy, Physical Therapy, Psychological Services, Social Work, Special Instruction, Speech Therapy, and Vision Services. Infants and toddlers learn best during daily activities with familiar people, which is why First Steps services are provided in the child's home or other natural setting.

The program is essential for:

- Enhancing the development of infants and toddlers with disabilities and minimizing their potential for developmental delay,
- Reducing school age educational costs by minimizing the need for special education and related services upon reaching kindergarten, and
- Increasing the capacity of families to meet the special needs of their infants and toddlers with disabilities.

**2a. Provide an activity measure(s) for the program.**

<b>Most Utilized First Steps Direct Services to Help Children Learn, Grow, and Reach Developmental Milestones</b>	<b>FY 2022 Units Authorized</b>	<b>FY 2023 Units Authorized</b>	<b>FY 2024 Units Authorized</b>	<b>FY 2025 Projected Units Authorized</b>	<b>FY 2026 Projected Units Authorized</b>	<b>FY 2027 Projected Units Authorized</b>
Behavior Services	638,864	618,389	312,572	343,829	378,212	416,033
Occupational Therapy	778,699	819,039	1,067,435	1,152,830	1,245,056	1,344,661
Physical Therapy	600,032	661,862	734,670	771,404	809,974	850,472
Speech Therapy	992,351	1,032,808	1,081,213	1,156,898	1,237,881	1,324,532
Special Instruction	1,007,254	1,129,646	1,312,648	1,352,027	1,392,588	1,434,366

*NOTE: One unit is generally equal to 15 minutes of direct therapy service. This chart indicates the most utilized First Steps services through the number of units authorized. Decreases in Behavior Services in FY 2024 were due to state regulation changes which reclassified many providers as Special Instructors, which is reflected in the increase in Special Instruction units authorized.*

First Steps

Program is found in the following core budget(s): First Steps

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

NOTE: FY25 planned amounts include governor's reserve and capacity.

4. What are the sources of the "Other " funds?

0788-7221 (Family Cost & Third Party Insurance Capacity)

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

IDEA - 20 U.S.C §1401 et seq., as amended in 2004; Part C Regulations - 34 CFR 303;

State Statute(s) - Sections 160.900-160.933, Sections 376.1218 RSMo.

6. Are there federal matching requirements? If yes, please explain.

There are Maintenance of Effort (MOE) requirements related to the IDEA Part C federal grant and matching requirements for Medicaid Claiming.

Maintenance of Effort requires the state to appropriate the same amount of state funds for the program as it did the previous year. The threshold must be maintained, or the state will forfeit federal funding for each year the state does not meet the original threshold. Medicaid requires the First Steps program to match approximately 40% of the cost from state funds.

7. Is this a federally mandated program? If yes, please explain.

Yes. The state is federally mandated as long as it applies for Part C funding through IDEA.

**PROGRAM DESCRIPTION**

Title I - Preschool

Program is found in the following core budget(s): Title I Preschool

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

This program is intended to assist preschool-age children most at-risk of failing to meet the State's challenging academic standards based on multiple, educationally related, objective criteria. Eligibility criteria include but are not limited to Missouri Parent Education data, developmentally appropriate assessment, teacher's objective checklist/academic indicators, parent checklist and other performance assessments. For preschool only, parent income can be used as one of the criteria.

Title I funds must be used for K-12 expenditures and may be used for preschool programs. The decision to use Title I funds for preschool programs is a local decision that is made by school boards and administrators. Funds used for preschool programs may support a district-wide program, a school-building program, or for coordination with other preschool programs, based on the needs of its eligible students.

**2a. Provide an activity measure(s) for the program.**

This chart shows the number of Title I Preschool programs in the State of Missouri.

*Note: Charter schools that are Local Education Agencies (LEAs) are included in the count. FY 2022 was the first year where Title I funds for preschool programs have been appropriated separately from Title I K-12 programs.*

**Program is found in the following core budget(s):** School Age Afterschool Program

**1a. What strategic priority does this program address?**

Success-Ready Students & Workplace Development

**1b. What does this program do?**

The purpose of the afterschool program is to create or expand centers during non-school hours to provide students with enrichment activities and learning support designed to help students succeed. Regular student participation in afterschool programs can contribute to academic progress.

The School Age Community (SAC) programs provide for the safety and care of students after the school day ends and/or when school is not in session. SAC grants are awarded for three years.

The 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC) programs provide students with academic enrichment opportunities designed to complement their regular academic program to help meet state and local student performance standards in core academic subjects of at least reading/language, arts, and math. Further, the 21<sup>st</sup> CCLC programs assists youth in improving their academic achievement and individual development after school day end and/or when school is not in session. Grants are in five-year cycles which are awarded in cohorts. Each year programs are added based on allowable funding starting a new cohort of programs.

This also includes the urban afterschool programs in areas with high gun violence.

School Age Afterschool Program

Program is found in the following core budget(s): School Age Afterschool Program

2d. Provide a measure(s) of the program's efficiency.

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education** \_\_\_\_\_ **AB Section(s):** 2.355

**School Age Afterschool Program**

**Program is found in the following core budget(s):** School Age Afterschool Program

**4. What are the sources of the "Other" funds?**

N/A

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

U. S. Department of Education per the reauthorized ESEA as ESSA (Every Student Succeeds Act); Title IV, Part B Child Care Development Block Grant Act of 2014

**6. Are there federal matching requirements? If yes, please explain.**

No

**7. Is this a federally mandated program? If yes, please explain.**

No

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s): 2.335**

**Before and After School Programs**

**Program is found in the following core budget(s): Before and After School Programs**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The purpose of the before and after school program is to create or expand centers during non-school hours to provide students with enrichment activities and learning support designed to help students succeed. Regular student participation in afterschool programs can contribute to academic progress.

**2a. Provide an activity measure(s) for the program.**

In FY 2025, the Department will collect the number of afterschool program contracts awarded.

In FY 2025, the Department will collect the number of students in afterschool learning centers.

**2b. Provide a measure(s) of the program's quality.**

In FY 2025, the Department will use the Program Quality Assessment process for afterschool programs.

**2c. Provide a measure(s) of the program's impact.**

In FY 2025, the Department will collect the number of students whose grades increased.

In FY 2025, the Department will use teacher survey results to measure student's commitment to learning.

**2d. Provide a measure(s) of the program's efficiency.**

In FY 20205, the Department will measure the cost per student enrolled in an afterschool grant-funded program.

**PROGRAM DESCRIPTION**

Child Care Quality Initiatives

**Program is found in the following core budget(s):** Child Care Quality Initiatives

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The purpose of this funding is to improve the child care and education system by helping families find quality child care and delivering professional development to child care providers. The initiatives support contracts to provide services for increasing parent engagement and knowledge of child care options. The initiatives elevate the early care and education community to better serve and prepare children to be ready for school (school readiness). The initiatives also support families accessing resources, making referrals, and locating appropriate child care options that meets the needs of the family.

**2a. Provide an activity measure(s) for the program.**

Child Care Health Consultation

The purpose of the Child Care Health Consultation program is to enhance health and safety practices and provides outreach to a variety of child care providers. Health professionals from Local Public Health Agencies (LPHAs) provide training and consultation to child care providers and health promotion education to children in child care settings across the state. The education provided encourages healthy behaviors and usually is accompanied by an item the child may keep to encourage continuing the healthy behavior (e.g., if a dental health promotion is provided, the child may receive a toothbrush and toothpaste). While parents are not the targeted population for the program, attendance is encouraged.

Child Care Inclusion Services

The purpose of the Child Care Inclusion Services program is to promote inclusive child care services for families and children with special needs by providing contract funding for inclusion services. These services include providing child care referrals to families of children with special needs, collaborating with child care providers to create new or convert existing child care openings for children with special needs, online and in-person training for child care providers, and onsite technical assistance when requested by parents or providers. Inclusion services support the increasing need of children with behavioral concerns. When a family must take off work or leave employment to care for children, many are affected. Inclusion specialist work with child care providers to develop strategies for the child with a goal of maintaining the child's placement in the program.

## PROGRAM DESCRIPTION

Department of Elementary and Secondary Education

AB Section(s): 2.360

Child Care Quality Initiatives

**Program is found in the following core budget(s): Child Care Quality Initiatives**

### Child Care Supports

This work provides specialized supports for home and center-based child care providers catering to their specific needs. This is done through onsite coaching and technical assistance and group training to increase child care workforce knowledge on the importance of relationship-based care. Support is designed to increase quality programming in child care that promotes stable relationships, foster positive learning experiences, and facilitates attachment. The child care supports increase the knowledge level and competencies of program administrators and caregivers; promotes community connections to increase awareness and use of available resources and services that support healthy, safe, and educational care; and fosters effective, efficient, and accountable child care.

### Infant and Early Childhood Mental Health

The Infant and Early Childhood Mental Health initiative supports professionals in the state to assist in the promotion of young children's healthy social and emotional development and the well-being of the professionals they serve, prevent suspension and/or expulsion, implement culturally responsive practices, and provide trauma-informed care through a tiered system of supports based on the needs of the program.

### Missouri Early Head Start/Child Care

#### Partnership Project:

The purpose of the Missouri Early Head Start (EHS) Child Care Partnership Project is to promote quality early childhood services for Missouri's birth to age three population, including prenatal care. Using the national Early Head Start model, this program partners with a wide range of child care and early learning programs in communities. Partnerships may include public and private programs, religious-based programs, family child care programs, group homes, and center-based programs. The EHS model directly serves families under 185% of the Federal Poverty Level (FPL) and currently supports 444 EHS slots in Missouri.

### Missouri Professional Development System

The Missouri Professional Development (MOPD) system provides training for those working in early care and education, including professionals working in home and center-based child care, preschool, before/after school, early intervention, parent education, and home visiting. The system collects and verifies professionals' credentials (e.g., post-secondary education and certifications) and training information. The registry provides valuable workforce information about the providers and trainers working in Missouri. (This system was formerly referred to as Professional Development Registry).

### Quality Assurance Report

The Quality Assurance Report (QAR) assists child care and preschool programs serving children birth to kindergarten entry. The QAR considers common indicators of quality and is designed to implement a continuous improvement process for child care and preschool programs. Evidence-based practices are employed to ensure that all children have access to high-quality early childhood care and education and to provide families with information about quality programs.

### Resource & Referral

The Missouri Early Care and Education Resource & Referral network provides statewide resources for families with young children and referral services to families seeking child care. The network operates a statewide toll-free telephone system that links families and professionals to local resources, programs, services, and supports.

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

Note: The Office of Childhood was launched in FY 2022. Data prior to FY 2022 is not available.

**4. What are the sources of the "Other " funds?**

Early Childhood Development Education and Care Fund (0859).

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

State statute: Sections 161.215, 208.044, and 208.046, RSMo.; 13 CSR 35-32.040; Federal Regulation: 45 CFR 98.10.

**6. Are there federal matching requirements? If yes, please explain.**

Yes. The federal CCDF block grant funds child care subsidy and quality supports. This block grant is broken down into three types of funding: mandatory, matching, and discretionary. To receive mandatory funding, a state must maintain Maintenance of Effort (MOE). The CCDF reimbursement rate for matching funding is the FMAP (Federal Medical Assistance Percentage). The FMAP fluctuates annually based on state and national economic and population data, but generally, the state matching requirement is around 35% and the federal match 65%.

**7. Is this a federally mandated program? If yes, please explain.**

No

**HB Section(s):** 2.365

**Child Care Subsidy**

**Program is found in the following core budget(s):** Child Care Subsidy Program

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The Child Care Subsidy program increases children’s access to early learning by assisting eligible parents/guardians with payments for child care. The purpose of the program is to ensure children have access to child care but also to help families with the cost of child care so they can focus on finding and holding steady jobs and/or attend school/training programs. Providing child care prevents children from being left in inappropriate, unsafe, or unsupervised environments. This program is partially funded with the federal Child Care Development Fund (CCDF) block grant.

Children eligible for Child Care Subsidy include children in Protective Services (PS) and Income Maintenance (IM). Protective Services includes children in foster care or who receive preventive services through the Department of Social Services, Family Support Division. Income Maintenance includes children who meet the program and financial eligibility requirements for the particular type of Child Care Subsidy. Payment is made to child care providers per Section 210.211, RSMo. Legally operating child care providers contracted with DESE, including licensed and license-exempt programs, may receive payment for child care to eligible children.

**Traditional Child Care**

The current income eligibility limit is a three (3) person household up to 150% of the Federal Poverty Level (FPL). Parents are required to share in the cost through a sliding fee scale based on household income. Sliding fees are waived for special needs or protective service children receiving care. The traditional income thresholds for child care subsidies shall be a full benefit for individuals with an income level which is less than or equal to 150% of the federal poverty level.

Transitional Child Care (TCC) provides a gradual phase-out for families with increasing income who have been receiving traditional child care subsidy. In 2022, this benefit was expanded to include a third level of eligibility. TCC is only available to families who first received traditional child care subsidy. Compared to Traditional level, TCC households have an increased share in the cost of care due to their increased income and continued eligibility.

- Income eligibility for Transitional Child Care Level 1 (TCC1) shall be 151 percent of poverty but not to exceed 185 percent of poverty. The applicant shall be responsible for paying the sliding fee to the provider.

- Income eligibility for Transitional Child Care Level 2 (TCC2) shall be 186 percent of poverty but not to exceed 215 percent of poverty. The applicant shall be responsible for paying the sliding fee to the provider.

- Income eligibility for Transitional Child Care Level 3 (TCC3) shall be 216 percent of poverty but not to exceed 242 percent of poverty. The applicant is responsible for paying the sliding fee to the provider.

**Department of Elementary and Secondary Education**

**HB Section(s): 2.365**

**Child Care Subsidy**

**Program is found in the following core budget(s): Child Care Subsidy Program**

**Child Care Provider Rates**

The State pays a base rate determined by geographic area, type of facility (child care center, group child care home, or family child care home), duration of care (full, half, or partial day) and the age of the child (infant/toddler, preschool or school-age).

When providers meet the following qualifications, their base rate may be enhanced:

- Offer care after 7 p.m. and before 6 a.m., and/or on Saturday/Sunday for a 15% enhancement to the base rate for that child.
- Offer care to a child with special needs for a 25% enhancement to the base rate for that child
- Accredited by an accrediting organization recognized by the Department for a 20% enhancement to the base rate for the program.
- Accredited by an accrediting organization recognized by the Department, and whose enrollment consists of 50% or more subsidy-eligible children, for a 30% enhancement to the base rate for the program.

**2a. Provide an activity measure(s) for the program.**

*Note: In response to COVID-19, for some months in FY 2022, providers were paid based on full authorization/enrollment.*

*Note: Child count is based on the child having an active application and utilization for subsidy services, for both PS and IM children.*

**Department of Elementary and Secondary Education**

**AB Section(s):**

**2.370**

**Child Care Subsidy Children's Division**

**Program is found in the following core budget(s): Child Care Subsidy Program**

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

The Child Care Subsidy program increases children's access to early learning by assisting eligible parents/guardians with payments for child care. The purpose of the program is to ensure children have access to child care but also to help families with the cost of child care so they can focus on finding and holding steady jobs and/or attend school/training programs. Providing child care prevents children from being left in inappropriate, unsafe, or unsupervised environments. This program is funded with the federal Child Care Development Fund (CCDF) block grant.

"Eligible Child" means: (A) A child who resides with a parent who meets the program and financial eligibility requirements for the particular type of Child Care Subsidy and who is: 1. a citizen of the United States of America or a qualified alien; and 2. under the age of thirteen (13); or 3. under the age of eighteen (18) and classified as having a special need; or 4. under age nineteen (19) and still in school and in need of child care.

Children eligible for Child Care Subsidy include children in Protective Services (PS) and Income Maintenance (IM). Protective Services includes children in foster care or who receive preventive services through the Department of Social Services, Family Support Division. Income Maintenance includes children who meet the program and financial eligibility requirements for the particular type of Child Care Subsidy. Payment is made to child care providers per Section 210.211, RSMo. Legally operating child care providers contracted with DESE, including licensed and license-exempt programs, may receive payment for child care to eligible children.

**Traditional Child Care**

The current income eligibility limit is a three (3) person household up to 150% of the Federal Poverty Level (FPL). Parents are required to share in the cost through a sliding fee scale based on household income. Sliding fees are waived for children with special needs or Protective Services. The traditional income thresholds for child care subsidies shall be a full benefit for individuals with an income level which is less than or equal to 150% of the federal poverty level.

**Transitional Child Care**

Transitional Child Care (TCC) provides a gradual phase-out for families with increasing income who have been receiving traditional child care subsidy. In 2022, this benefit was expanded to include a third level of eligibility. TCC is only available to families who first received traditional child care subsidy. Compared to Traditional level, TCC households have an increased share in the cost of care due to their increased income and continued eligibility.

- Income eligibility for Transitional Child Care Level 1 (TCC1) shall be 151 percent of poverty but not to exceed 185 percent of poverty. The applicant shall be responsible for paying the sliding fee to the provider.

- Income eligibility for Transitional Child Care Level 2 (TCC2) shall be 186 percent of poverty but not to exceed 215 percent of poverty. The applicant shall be responsible for paying the sliding fee to the provider.

-Income eligibility for Transitional Child Care Level 3 (TCC3) shall be 216 percent of poverty but not to exceed 242 percent of poverty. The applicant is responsible for paying the sliding fee to the provider.

**Language Equality and Acquisition for Deaf Kids (LEAD-K)**

**Program is found in the following core budget(s):** Language Equality and Acquisition for Deaf Kids (LEAD-K)

**1a. What strategic priority does this program address?**

Early Learning

**1b. What does this program do?**

House Bill (HB) 447, Section 161.396 established the Language Equality and Acquisition for Deaf Kids (LEAD-K) program. The purpose of the program is to promote kindergarten readiness to ensure children who are deaf or hard of hearing have a strong language foundation to be ready for school. The department selected language developmental milestones from existing standardized norms to develop a resource for use by parents to monitor and track expressive and receptive language acquisition and developmental stages toward American Sign Language (ASL) and English literacy of children who are deaf or hard of hearing, selected existing tools/assessments for educators that can be used to assess the language and literacy development of children who are deaf or hard of hearing, provided parent tools and resources, established an advisory committee, and will provide an annual report beginning with the 2024-2025 school year.

**PROGRAM DESCRIPTION**

**AB Section(s): 2.430**

**Missouri Charter Public School Commission**

**Program is found in the following core budget(s): Missouri Charter Public School Commission**

**1a. What strategic priority does this program address?**

Early Learning, Literacy, Success Ready Students & Workforce Development and, Safe & Healthy schools.

**1b. What does this program do?**

Missouri Charter Public School Commission (MCPSC) aids in providing access to opportunity. MCPSC increases the number of quality public school seats in St. Louis City, Kansas City, & Normandy by:

- Evaluating and approving new and renewing charter public schools, with an eye on quality, innovation, community need and equity;
- Monitoring the operations, finances, governance, learning environment, and academics of sponsored charter schools for compliance to statutes & the school's performance contract;
- Closing charter schools that fail;
- Reporting to parents, taxpayers and lawmakers the facts about our performance and the performance of the schools in our portfolio;
- Support the growth and development of existing and potential sponsors by giving access to tools, policies, practices and protocols; and
- Demonstrating public education sector accountability that is meaningful, transparent and streamlined.

**2a. Provide an activity measure(s) for the program.**

**Deaf & Hard of Hearing Awareness Program**

**Program is found in the following core budget(s):** MCDHH

**1a. What strategic priority does this program address?**

Family & Community Involvement

**1b. What does this program do?**

Missouri Commission for the Deaf and Hard of Hearing (MCDHH) raises awareness of Deaf and Hard of Hearing culture and issues surrounding hearing loss in order to help Deaf and Hard of Hearing Missourians by creating a more accepting and accessible community.

This program contacts programs and agencies providing services to Deaf and Hard of Hearing Missourians to assist in collaboration and access for the unique needs of this community. Our HADP manager is working on establishing events through out the state, to bring awareness to the Hard of Hearing Distribution Program (HADP).

**2a. Provide an activity measure(s) for the program.**

**Deaf & Hard of Hearing Awareness Program**

**Program is found in the following core budget(s): MCDHH**

**2b. Provide a measure(s) of the program's quality.**

Quality of events is evidenced in the number of inquiries at events attended that target different intended groups who would use the program. MCDHH is in the process of developing improved assessment tools with the intent to make improvements to the program as needed.

**2c. Provide a measure(s) of the program's impact.**

**Deaf and Hard of Hearing Awareness Program Attendance**

**MCDHH Facebook Followers**

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**  
**Deaf & Hard of Hearing Awareness Program**  
 Program is found in the following core budget(s): **MCDHH**

**AB Section(s):** 2.435

**2d. Provide a measure(s) of the program's efficiency.**

MCDHH evaluates the efficiency of the awareness programs by looking at how many individuals are reached at events compared to the expenses and staff hours used to plan and attend them. Over the few years, MCDHH has been sending fewer staff members to events, encouraging carpooling, and planning travel times to be the most cost effective in terms of both hotel costs and comp time earnings. MCDHH will continue to consider the ratio of quality and impact to cost as MCDHH moves forward in developing new Deaf and Hard of Hearing Awareness programs that are compatible with the needs of the deaf community. As you can see there has been an increase in attendance and opportunities for training. The cost for the events lowered a bit but that is due to the mini conference and one day

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**MO Interpreter Certification Service**

**Program is found in the following core budget(s):** MCDHH

**1a. What strategic priority does this program address?**

Family & Community Involvement

**1b. What does this program do?**

Missouri Commission for the Deaf and Hard of Hearing (MCDHH) coordinates a certification system for sign language interpreters to ensure Deaf and Hard of Hearing Missourians have access to quality interpreting services. The Missouri Interpreter Certification Service (MICS) measures and evaluates sign language interpreter proficiency using an empirically-based system. This system is measured according to standards of minimum competency set by certified and practicing interpreters, language and testing specialists, and language evaluators. The test originated in Texas and is currently used in Texas, Illinois, Wisconsin, Michigan and Missouri. Due to contractual issues testing was suspended in FY24. As of July 1, 2024 testing is still on hold yet negotiations are in progress.

The cost of the testing program includes a \$10,000 annual lease to the State of Texas for written and performance testing materials. This cost is partially offset by fees charged to interpreters who take these tests, which are seen as some of the premier indicators of interpreter ability in the country. The BEI (Board for Evaluation of Interpreters) test used is highly respected around the country, and a number of other states are considering adopting it as their standard.

The commission shall function as an agency of the state to advocate public policies, regulations and programs to improve the quality and coordination of existing services for deaf and hard of hearing persons and to promote new services whenever necessary. The commission shall:

- (1) Develop a system of state certification for those individuals serving as interpreters of the deaf by:
  - (a) Conducting evaluations
  - (b) Maintaining the quality of interpreting services by:
    - (a) Conducting interpreter training workshops to update knowledge and skills
    - (b) Working closely with the institutions of higher education which provide, or plan to provide, instructional programs for learning sign language.
- (2) Conduct and maintain a census of the Deaf population in Missouri.

The board shall, with the approval of the commission :

- (4) Develop acceptable professional development activities to maintain certification
- (5) Investigate and implement the most appropriate testing model for interpreter certification

**209.292 Board's powers and duties - evaluation team to be appointed, qualifications, expenses-removal from team, procedure.**

The board shall, with the approval of the commission :

- (1) Develop acceptable professional development activities to maintain certification
- (2) Investigate and implement the most appropriate testing model for interpreter certification

**209.302 Eligibility for evaluation.** - An evaluation shall be available to the following, including, but not limited to:

- (1) New interpreters;
- (2) Uncertified, qualified interpreters;
- (3) Certified interpreters, advancing to another certification level;
- (4) An interpreter who is certified by a certification system other than the commission;
- (5) Uncertified interpreters who have not interpreted for one year or more; and
- (6) Interpreter trainers.

**Mission:** Provide effective and efficient leadership, education, advocacy and programs to eliminate barriers and to meet the social, economic, educational, cultural and intellectual needs of Deaf, Hard of Hearing, Deaf Blind Missourians.

**Program is found in the following core budget(s):** MCDHH

**4. What are the sources of the "Other " funds?**

There are no other funds. Registration fees and sponsorships offset some of the cost of providing the annual interpreters conference.

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

161.405 Commission to function as agency of state - purpose - powers and duties. - The commission shall function as an agency of the state to advocate public policies, regulations, and programs to improve the quality and coordination of existing services for deaf and hard of hearing persons and to promote new services whenever necessary.

**The commission shall:**

(1) Develop a system of state certification for those individuals serving as interpreters of the deaf by:

(a) Conducting evaluations:

(2) Maintain the quality of interpreting services by:

(a) Conducting interpreter training workshops to update knowledge and skills

(b) Working closely with the institutions of higher education which provide, or plan to provide, instructional programs for learning sign language.

(3) Conduct and maintain a census of the Deaf population in Missouri.

**The board shall, with the approval of the commission:**

(4) Develop acceptable professional development activities to maintain certification

(5) Investigate and implement the most appropriate testing model for interpreter certification

**Mission:** Provide effective and efficient leadership, education, advocacy and programs to eliminate barriers and to meet the social, economic, educational, cultural and intellectual needs of Deaf, Hard of Hearing, Deaf Blind Missourians.

**6. Are there federal matching requirements? If yes, please explain.** No

**7. Is this a federally mandated program? If yes, please explain.**

This program is not federally mandated, although Section 504 of the Americans with Disabilities Act requires that sign language interpreters be made available at educational facilities and other public venues across the state.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**HB Section(s):** 2.375

**Support Service Providers (SSP) Grant Program**

**Program is found in the following core budget(s):** MCDHH

**1a. What strategic priority does this program address?**

Family & Community Engagement, Needs-Based Funding & Resources

**1b. What does this program do?**

Missouri Commission for the Deaf and Hard of Hearing provides the Missouri Support Service Providers (SSP) Program and DeafBlind Scholarship for Independence and Education grants to empower DeafBlind individuals to live more independently and access more resources in their communities.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**HB Section(s): 2.375**

**Support Service Providers (SSP) Grant Program**

**Program is found in the following core budget(s): MCDHH**

**2a. Provide an activity measure(s) for the program.**

In FY 23, 49 individuals utilized direct services and 91 SSPs were used for these appointments. Moving forward, MCDHH will be measuring the number of SSP hours used and the number of applicants for the Scholarship for Independence and Education (SPIE).

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**HB Section(s):** 2.375

**Support Service Providers (SSP) Grant Program**

**Program is found in the following core budget(s):** MCDHH

**2b. Provide a measure(s) of the program's quality.**

Satisfaction surveys are distributed to both DeafBlind participants and SSPs at the end of each fiscal year. This year, the majority of respondents said they would recommend the program to a friend or family member. Here are some of the comments we've received:

*"The MO SSP program allows me to be an active, independent member in my community. I am able to do more because I do not need to rely solely on family members..."*

*"It has given me the freedom of doing errands, doing important things at home that I need assistance with. I feel like it has given me a source of independence, but while having the help of someone that can see and help me to be able to communicate with others while out in public."*

**2c. Provide a measure(s) of the program's impact.**

Satisfaction surveys are distributed to both DeafBlind participants and SSPs at the end of each fiscal year. Here is a comment we've received from a DeafBlind participant:

*"The Missouri SSP program has made it possible for me to maintain as well as increase my independence. In this time of a pandemic these services are vital to deaf/blind individuals who wish to remain independent and still receive the services and quality of life they deserve and in many cases need."*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**  
**Support Service Providers (SSP) Grant Program**  
 Program is found in the following core budget(s): **MCDHH**

HB Section(s): 2.375

**2d. Provide a measure(s) of the program's efficiency.**

Our initial measure of efficiency is total cost per service hour. That includes all SSP program expenses (payments to SSPs, training, grant administration, transportation, etc.).

*Note: Expect costs to decrease post pandemic.*

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**HB Section(s):** 2.375

**Support Service Providers (SSP) Grant Program**

**Program is found in the following core budget(s):** MCDHH

**4. What are the sources of the "Other " funds?**

There are no other funds for this program.

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

**161.412 RSMo as stated below:**

1. Subject to appropriations, the Missouri commission for the deaf and hard of hearing shall provide grants to:

- (1) Organizations that provide services for deaf-blind children and their families. Such services may include providing family support advocates to assist deaf-blind children in participating in their communities and family education specialists to teach parents and siblings skills to support the deaf-blind children in their family;
- (2) Organizations that provide services for deaf-blind adults. Such grants shall be used to provide assistance to deaf-blind adults who are working towards establishing and maintaining independence; and
- (3) Organizations that train support service providers. Such grants shall be used to provide training that will lead to certification of support service providers in Missouri.

2. The commission shall use a request-for-proposal process to award the grants in this section. Organizations that receive grants under this section may expend the grant for any purpose authorized in this section. The total amount of grants provided under this section shall not exceed three hundred thousand dollars annually.

**Mission:** Provide effective and efficient leadership, education, advocacy and programs to eliminate barriers and to meet the social, economic, educational, cultural and intellectual needs of Deaf, Hard of Hearing, and DeafBlind Missourians.

**6. Are there federal matching requirements? If yes, please explain.**

No

**7. Is this a federally mandated program? If yes, please explain.**

No

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

HB Section(s): 2.445

**Hearing Aid Distribution Program (HADP)**

**Program is found in the following core budget(s): MCDHH**

**1a. What strategic priority does this program address?**

Providing hearing aids to low-income, Deaf and Hard of Hearing Missourians.

**1b. What does this program do?**

Missouri Commission for the Deaf and Hard of Hearing (MCDHH) coordinates awards for hearing aids to low-income Deaf and Hard of Hearing Missourians in order to help them improve communication and overall quality of life.

**2a. Provide an activity measure(s) for the program.**

**2b. Provide a measure(s) of the program's quality.**

In reviewing the yearly surveys approximately 80% of the people that responded are very happy with their new Hearing Aids and the improvements the aids have made in their life.

**2c. Provide a measure(s) of the program's impact.**

*Note: Awardees may receive one or two hearing aids depending on their need.*

*Note: MCDHH has 7 individuals on a waiting list for hearing aids as of July 31, 2023. These individuals will be reviewed again for FY 2024 if they are still in need of assistance.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**HB Section(s): 2.445**

**Hearing Aid Distribution Program (HADP)**

**Program is found in the following core budget(s): MCDHH**

**2c. Provide a measure(s) of the program's impact.**

The following are testimonials from individuals who have received hearing aids through the HADP:

"... I am also blind so the improvement in my hearing has given me a new lease on life...."

"... improved my ability to interact with people...."

"... Since I have gotten my hearing aids, I can answer the phone and order on line, it has enabled me to be more independent.."

**2d. Provide a measure(s) of the program's efficiency.**

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

*NOTE: Due to a discrepancy in approved amounts, it was approved to use funds from the GR to cover the remaining costs for FY 2023.*

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**HB Section(s):** 2.445

**Hearing Aid Distribution Program (HADP)**

**Program is found in the following core budget(s):** MCDHH

**4. What are the sources of the "Other " funds?**

There are currently no other funds for this program. MCDHH are in the process of applying for grants and setting up a system to accept donations.

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

**209.245 RSMo as stated below:**

Financial assistance for obtaining hearing aids, program establish - fund created - powers of commission.

1. Subject to appropriations, the Missouri commission for the deaf and hard of hearing shall establish a statewide hearing aid distribution program to provide financial assistance to allow individuals who are deaf or hard of hearing and whose household income is at or below the federal poverty level to obtain hearing aids. All assessment for need and distribution of hearing aids shall be performed by audiologists or hearing instrument specialists licensed under [chapters 345](#) and [346](#) or physicians licensed under [chapter 334](#).

2. There is hereby created in the state treasury the "Statewide Hearing Aid Distribution Fund", which shall consist of moneys collected under this section. The state treasurer shall be the custodian of the fund. In accordance with sections [30.170](#) and [30.180](#), the state treasurer may approve disbursements. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely for the administration of this section. Notwithstanding the provisions of section [33.080](#) to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund. Funding for the statewide hearing aid distribution program shall not be allocated from the assistive technology trust fund established under section [161.930](#) or the deaf relay service and equipment distribution program fund under section [209.258](#). The Missouri commission for the deaf and hard of hearing may accept gifts, donations, grants, and bequests from individuals, private organizations, foundations, or other sources for the purpose of establishment and operation of the statewide hearing aid distribution program.

3. The Missouri commission for the deaf and hard of hearing may promulgate rules to implement and administer the statewide hearing aid distribution program under this section. Any rule or portion of a rule, as that term is defined in section [536.010](#), that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of [chapter 536](#) and, if applicable, section [536.028](#). This section and [chapter 536](#) are no severable and if any of the powers vested with the general assembly pursuant to [chapter 536](#) to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

4. The Missouri commission for the deaf and hard of hearing may enter into contracts as necessary to carry out the statewide hearing aid distribution program including, but not limited to, contracts with disability organizations.

**6. Are there federal matching requirements? If yes, please explain.**

No

**7. Is this a federally mandated program? If yes, please explain.**

No

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.450

**MO Holocaust Education and Awareness**

**Program is found in the following core budget(s): MO Holocaust Education and Awareness**

**1a. What strategic priority does this program address?**

Success-Ready Students & Workforce Development

**1b. What does this program do?**

The program will educate students about the Holocaust and inspire in students a sense of responsibility to recognize and uphold human value and prevent future atrocities. The second week in April is designated "Holocaust Education Week." Holocaust education shall be taught during a week determined by each school district and shall include age-appropriate instruction based on a curriculum framework developed by the Department of Elementary and Secondary Education (Department). This instruction will be provided to elementary school students not lower than the sixth grade, and high school students as determined by each school district.

**2a. Provide an activity measure(s) for the program.**

For FY 2024, the program field tested its curriculum framework with 16 pilot teachers. The teachers completed all of the trainings and used the materials in their classroom. This program continues to develop during FY 2025. The Department will work with stakeholders to ensure the activity measures for the program (a survey and participation in professional development (PD) activities) reflect proper measures of the program. We will also keep attendance counts of the number of participants at each professional development session.

**2b. Provide a measure(s) of the program's quality.**

For the FY 2024, participants in the pilot program all agreed or strongly agreed that the materials were user-friendly, successfully implemented in their district, and the PD experience was impactful for the participants. This program continues to develop during FY 2025. The Department, in agreement with the Holocaust Education and Awareness Commission, uses a survey of PD participants post training to determine the quality of the professional

**2c. Provide a measure(s) of the program's impact.**

For FY 2024, as mentioned from the pilot program, the PD experience was declared impactful by all of the participants. The framework has been reviewed and posted to the DESE website. For FY 2025, we will look at feedback from surveys and districts as they prepare to meet the requirement of the statute and implement Holocaust Education in their districts.

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.450

**MO Holocaust Education and Awareness**

**Program is found in the following core budget(s): MO Holocaust Education and Awareness**

**2d. Provide a measure(s) of the program's efficiency.**

This program continues to develop during FY 2025. The Department will use number of participants/amount of money spent as an efficiency measures. Each participating school district shall provide a plan of professional development for its teachers (using the materials framework) to ensure such teachers are adequately prepared to provide the instruction required under this subsection, which will increase the efficiency past the pilot and the future expansion. This subsection shall apply to schools participating in the professional learning during the 2024-25 school year with all school districts participating by the 2025-26 school year.

**3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)**

**4. What are the sources of the "Other " funds?**

N/A

**5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)**

RSMO Section 161.700

**6. Are there federal matching requirements? If yes, please explain.**

No

**7. Is this a federally mandated program? If yes, please explain.**

No

**PROGRAM DESCRIPTION**

**Department of Elementary and Secondary Education**

**AB Section(s):** 2.455

**Missouri Assistive Technology**

**Program is found in the following core budget(s): Missouri Assistive Technology**

**1a. What strategic priority does this program address?**

Family & Community Engagement

**1b. What does this program do?**

Missouri Assistive Technology (MoAT) is the state's federally funded 21st Century Assistive Technology Act Program. It was established to develop, maintain, and enhance the availability of assistive technology and related services for Missourians with disabilities, enabling them to live more independently and participate fully in their communities. The agency provides services, training, and support statewide to individuals with disabilities, their families, educators, service providers, and other state agencies, helping them to learn about, acquire and effectively use assistive technology. Assistive Technology reduces barriers and makes positive outcomes possible for individuals with disabilities.

**2a. Provide an activity measure(s) for the program.**

Devices loaned, transferred, provided, students served, and dollars loaned allowing access to assistive technology.

Measure	FY 2022		FY 2023		FY 2024		FY 2025	FY 2026	FY 2027
	Projected	Actual	Projected	Actual	Projected	Actual	Projected	Projected	Projected
Devices Loaned	1,950	2,053	2,100	2,653	2,250	2,617	2,500	2,600	2,700
Used Devices Transferred	2,100	2,815	2,250	2,585	2,350	2,955	2,600	2,700	2,800

AB Section(s): 2.455

Missouri Assistive Technology

Program is found in the following core budget(s): Missouri Assistive Technology

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

4. What are the sources of the "Other " funds?

Deaf Relay and Equipment Distribution Fund (0559); Assistive Technology Loan Revolving Fund (0889); Assistive Technology Trust Fund (0781)

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

P.L. 105-394 Assistive Technology Act, Section 4, 29 U.S.C. 3003 (CFDA 84.224A and C) and RSMo 191.850-867 and 209.251-259.

6. Are there federal matching requirements? If yes, please explain.

Part of the Assistive Technology Act had a match requirement (0889). There is also a non-supplanting requirement associated with the core state grant program (0188), as well as (0889).

7. Is this a federally mandated program? If yes, please explain.

Yes. The Assistive Technology Act requires the establishment and execution of a core set of services focused on device loan, device demonstration, device re-use and assistive technology financing.
