2. CORE DESCRIPTION

This core supports the departments insurance regulatory efforts, which include overseeing the insurance industry's compliance with Missouri insurance laws and regulations and protecting the insurance-buying consumer. The department, acting on complaints from consumers, investigates companies and producers accused of insurance violations. The department provides information to about 40,000 consumers each year through a statewide toll-free hotline, outreach events and through the complaint process. The department's website provides information and services for the convenience of both consumers and industry. The department licenses over 295,000 insurance producers and other regulated individuals and entities. The department also certifies over \$532 million in premium taxes paid by insurance companies for collection and deposit into general revenue and school funds. Additionally, this core supports the department's insurance examination efforts through financial and market conduct examinations. Financial examinations and ongoing financial analysis ensure insurance companies have sufficient reserves to pay consumer claims and consumers have access to affordable insurance coverage. Market conduct examinations of insurance companies serve to verify that policyholders and beneficiaries receive the full benefits from the contracts they and the insurer have agreed to. Finally, this core includes the Consumer Restitution Fund which is for preserving and distributing to aggrieved consumers funds obtained through enforcement proceedings by the director.

FLEXIBILITY REQUEST FORM

BUDGET UNIT NUMBER: 550009B BUDGET UNIT NAME: Insurance Operations APPROPRIATION BILL SECTION: 07.410	DEPARTMENT: Commerce and Insurance DIVISION: Insurance
1. Provide the amount by fund of personal service flexibility and the amount by fund of expense and equipment flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed. If flexibility is being requested among divisions, provide the amount by fund of flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed.	
DEPARTMENT REQUEST	
<p>The Insurance Divisions are requesting 10% flexibility between the Personal Service (PS) and Expense and Equipment (E&E) appropriations and requesting 20% flexibility between the Insurance Dedicated Fund (1566) and Insurance Examiners Fund (1552). This flexibility is requested to help manage examination priorities and funding needs between the insurance dedicated and insurance examiners funds. Changing examination accreditation requirements or staffing needs in Missouri regarding domestic insurance industry regulation necessitates that funding be flexible so that proper spending from appropriated insurance funds is maintained. This flexibility allows the Insurance Divisions to perform their regulatory responsibilities appropriately, based upon current need.</p>	
2. Estimate how much flexibility will be used for the budget year. How much flexibility was used in the Prior Year Budget and the Current Year Budget? Please specify the amount.	
PRIOR YEAR ACTUAL AMOUNT OF FLEXIBILITY USED	CURRENT YEAR ESTIMATED AMOUNT OF FLEXIBILITY THAT WILL BE USED
FY 2025 - \$440,000 PS from the Insurance Examiners Fund to the Insurance Dedicated Fund	No flexibility used to date. The divisions will use flexibility only if necessary.
BUDGET REQUEST ESTIMATED AMOUNT OF FLEXIBILITY THAT WILL BE USED	
The divisions will use flexibility only if necessary.	
3. Please explain how flexibility was used in the prior and/or current years.	
PRIOR YEAR EXPLAIN ACTUAL USE	CURRENT YEAR EXPLAIN PLANNED USE
Regulatory expenditure needs required less spending from the insurance examiners fund and more from the insurance dedicated fund.	The divisions will use flexibility only if necessary.

New Legislation

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

SB79 passed in 2025, requires qualified membership organizations providing a contract for health care benefits to utilize the services of a third party administrator. The Insurance Divisions will be required to receive and review complaints and inquiries from members of any qualified membership organization.

The legislation requires the qualified membership organization to pay a fee equal to one percent of the Missouri claims paid during the preceding year. Additionally, there is a \$250 registration fee and a renewal fee of \$250 every five years. The department believes the fees paid in proceeding years by qualifying agencies or current revenues will provide sufficient support for the increased workload for the division.

2. CORE DESCRIPTION

MO SHIP has been the official State Health Insurance Assistance Program (SHIP) for Missouri since 1993. The MO SHIP program provides counseling and education to people regarding Medicare, health insurance coverage, and Medicare benefits. Funding is provided by the Administration for Community Living and DCI with oversight by the department. The department contracts with Missouri Connections for Health out of Columbia, Missouri to administer the MO SHIP program. All of MO SHIP's services are free, unbiased and confidential. MO SHIP recruits local community partners and volunteers, develops and conducts volunteer training, provides program outreach through events, assists beneficiaries during Medicare's Open Enrollment Period (OEP) in the fall of each year and maintains a toll-free number, 1-800-390-3330, and website, www.missouriship.org. Volunteers are recruited locally and community organizations such as hospitals, community centers, public housing, faith-based organizations and senior centers serve as partners and provide space, supplies and local publicity for the program. MO SHIP averages over 200 volunteer counselors and has over 165 counseling locations throughout the state where counseling is provided.

2. CORE DESCRIPTION

This core supports the Division of Credit Unions, the state regulatory agency responsible for the examination, supervision, chartering, merger and liquidation of all state-chartered credit unions in Missouri. The division also responds to consumer questions or complaints about credit union services. The division is statutorily required to conduct examinations of state-chartered credit unions at least once every 18 months. Examinations ensure the safety and soundness of credit unions and their compliance with applicable laws and regulations. The division performs off-site monitoring of credit unions on an ongoing basis to assist in identifying any increasing risk. Credit unions incurring problems, whether financial, operational or in compliance areas, receive increased attention which may come in the form of enforcement actions. The division currently regulates 79 credit unions with 1.7 million members and assets exceeding \$22.8 billion. Missouri is ranked sixteenth in the nation in the number of state-chartered credit unions. Member deposits are insured by the National Credit Union Share Insurance Fund, administered by the National Credit Union Administration. The division is accredited through the National Association of State Credit Union Supervisors (NASCUS). The entire cost of division operations is reimbursed to the state through fees and assessments paid by credit unions.

2. CORE DESCRIPTION

The health and vitality of Missouri's financial industries is critical to the state's economic well-being. This core supports the activities of the Division of Finance, including chartering, licensing, and oversight of 192 state-chartered banks, three non-deposit trust companies, one savings and loan association, one savings bank, 9,674 non-bank mortgage licensees, and 1,876 consumer credit companies. The division's oversight includes examinations of the aforementioned entities to ensure the safety and soundness of financial institutions and compliance with state and federal banking and consumer lending laws, thereby assuring the confidence of Missourians in the financial service industries. This core also funds dues for the Conference of State Bank Supervisors (CSBS). CSBS provides a national forum for all 50 states and their commissioners to advocate for the dual banking system and preservation of the state bank charter. Through CSBS, the division is also able to utilize a wide array of professional development and training courses for regulators and participate in a comprehensive Accreditation Program in order to maintain quality standards and best practices. All of the operating costs of the division are funded through annual assessments and license fees paid by financial institutions and lenders.

Cost to Continue Other: Compliance with 361.170.3 RSMo

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

NEW DECISION ITEM**RANK: 005 OF 7****Department of Commerce and Insurance****Budget Unit 550014B****Division of Finance****Equitable Compensation Req****Bill Section 07.425****DI# NOP.55B.003**

Current personal service (PS) appropriation authority for the Division of Finance (DOF) does not allow DOF to achieve compliance with §361.170.3 RSMo, which provides that DOF examiners, professional staff, and support personnel shall be compensated on an equitable salary schedule that is comparable to similar Missouri based positions at federal banking regulatory agencies, not to exceed 90% parity. This statutory requirement ensures that DOF can attract and retain qualified, experienced, and competent examiners and team members. These attributes produce reliability and consistency to instill confidence in both citizens and the industries we oversee. Present compensation for DOF examiners compared to examiners of the Federal Deposit Insurance Corporation (FDIC)-Kansas City Region and the state's two federal reserve banks ranges from 68% to 87% parity, with an average parity of 76%. Although average parity has improved 12% since 2020, through DOF's use of surplus PS and statewide cost of living adjustments/time of service differential, there is not a single DOF position that complies with the statutory mandate of 90% parity. DOF's five year cumulative turnover rate is 29.4%, with eleven employees leaving DOF employment for federal agencies or private sector during that same time period.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

This proposal would allow DOF to increase early career positions to 90% parity of our local federal counterparts, mid-career positions to 85% parity, and late career and leadership positions to 80% parity. The dollar amount is based on a comparison of current DOF salaries to current local federal agency salaries to achieve these proposed parity thresholds. Additionally, DOF employs a small number of team members to support day-to-day administrative operations. To ensure that our support teams' salaries remain competitive and reflective of their role of successfully maintaining DOF operations, a general structure adjustment of 3% for administrative team is also included in this decision item.

5. BREAK DOWN THE REQUEST BY BUDGET ACCOUNT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.

2. CORE DESCRIPTION

This core appropriation is necessary so the Missouri State Board of Accountancy can operate. The board was created in 1909 by Senate Bill 112 and passed by the 44th Missouri General Assembly. The board is a state agency and the members are appointed by the Governor with the advice and consent of the Missouri Senate. The board consists of seven members. All members hold office for five years. The board is a fee funded agency, supported entirely by Certified Public Accountants (CPA) candidates' and licensees' fees. The Public Accountancy Act is the set of statutes that govern the ability of the board to regulate certified public accountants and CPA firms in Missouri. The mission of the State Board of Accountancy is to protect the interests of all the citizens of the state of Missouri, as provided in Chapter 326, RSMo, by examining, certifying, licensing and regulating certified public accountants and CPA firms in the state of Missouri. The board promulgates rules necessary to administer the provisions of Chapter 326 to ensure the competence and ethical standards of practitioners; regulates and enforces the practice of public accounting; investigates complaints and violations of Chapter 326 and related rules; and determines appropriate discipline for those who are found to have violated the statutes or regulations.

2. CORE DESCRIPTION

This core appropriation is necessary so the Missouri State Board of Nursing may continue to operate. In 1909, the Legislature created the Missouri State Board of Nursing to safeguard the public health and safety by regulating nurses and nursing education programs in Missouri. The board's public protection role is critical; nursing touches virtually every citizen of Missouri. Missourians expect nurses to obtain an adequate level of educational preparation, follow established practice standards, and provide competent nursing care. They also expect the board to address unsafe practitioners so vulnerable populations are protected. Board operations are designed to meet these public and professional expectations. The board is funded by license fees paid by those regulated by the board.

The Nurse Practice Act (NPA) is the accumulation of statutes, Chapter 335, RSMo. The NPA exists to govern and regulate the profession of licensed nurses, set standards and approve nursing programs, determine the scope of practice of licensed nurses, define who may use the title of registered nurse (RN) and licensed practical nurse (LPN) and Advanced Practice Registered Nurse (APRN) within the state of Missouri, administer the nurse licensure compact, award grants to nursing education programs, investigate complaints against nurses, take disciplinary actions against violators, monitor compliance of disciplined nurses, and collect and analyze nursing workforce information. Rules are promulgated to provide guidance for the board to carry out the mandate of the NPA.

Budget Unit 550028B
Bill Section 07.490

The nine gubernatorial appointed members of the board are entrusted with the duty of ensuring that the APRNs, RNs, and LPNs licensed in Missouri comply with Chapter 335, thus creating an atmosphere of safe and effective nursing care in the interest of public protection. The members of the board, along with its staff and general counsel, are entrusted with the legal responsibility to see that the provisions of the law are carried out effectively, in addition to serving as a policy making and planning group. When administering the NPA and establishing policy, the board considers the licensee, the patient, the community, the state of Missouri, and programs of professional and practical nursing.

This core appropriation also supports the Nursing Education Incentive Program, which is a program where the Board of Nursing awards grants to nursing education programs to increase capacity.

This core includes a \$1 million reduction of one-time General Revenue appropriation approved for FY 2026.

2. CORE DESCRIPTION

This core supports the Missouri Real Estate Commission as it performs the duties necessary to carry out the provisions of Missouri's real estate license law. The Missouri Real Estate Commission was created by an act of the 61st Missouri General Assembly and approved by the Governor on July 31, 1941. The commission consists of seven voting members. Each commissioner is appointed for a five-year term. The commission is responsible for the examination, licensing, and regulation of persons and firms engaged in the real estate business in Missouri. In addition to issuing temporary work permits, the commission issues thirteen types of real estate licenses (salesperson, broker, inactive salesperson, inactive broker, corporation, association, partnership, broker-salesperson, broker-officer, broker-associate, broker-partner, professional corporation-salesperson, and professional corporation-broker-salesperson). Other responsibilities include investigating complaints generated by consumers against the acts of a real estate licensee and auditing real estate escrow accounts to verify proper handling of buyers' earnest money and renters' deposit money. The commission also approves all real estate prelicensing and continuing education courses and accredits real estate schools approved to instruct courses. The commission meets regularly to review complaints, investigations, and audits and to take up other matters.

2. CORE DESCRIPTION

This core supports the Missouri Veterinary Medical Board which regulates veterinarians, veterinary technicians, and veterinary facilities in Missouri. The board was established in 1905 by the Missouri General Assembly. The board is composed of the state veterinarian who serves as ex officio and five appointed members. Board members are appointed by the Governor with the advice and consent of the Missouri Senate.

The mission of the board is to professionally and courteously serve and protect the public by providing for licensure and regulation of doctors of veterinary medicine, veterinary technicians, and veterinary facilities pursuant to Chapter 340, RSMo. The board promulgates rules necessary to administer the provisions of Chapter 340 to ensure the competence and standards of the profession. The board investigates complaints and violations of Chapter 340 and related rules and determines appropriate discipline for those who are found to have violated statutes and regulations.

2. CORE DESCRIPTION

This core request will provide the Office of the Public Counsel with sufficient expertise and resources to represent customers of regulated Missouri utility companies as well as to assist and inform Missourians with property rights concerns. This request funds attorneys and a technical staff that provide expert analysis and recommendations to the Public Service Commission (PSC) and in the courts. The Public Counsel advocates for the interests of all residential and commercial consumers of investor-owned utilities in Missouri, with a particular focus on residential and small business consumers who have no other representation. The Public Counsel also has the authority to appeal PSC decisions through the court system when necessary to protect consumer interests. Through the ombudsman for property rights, the Public Counsel provides guidance to individuals seeking information about the condemnation process. Further, due to investor-owned utilities becoming more involved with the legislative process, this has further required us to work with lawmakers to provide information and education on a number of topics.

BUDGET UNIT NUMBER: 550040B BUDGET UNIT NAME: Office of the Public Counsel APPROPRIATION BILL SECTION: 07.550	DEPARTMENT: Commerce and Insurance DIVISION: Office of the Public Counsel
1. Provide the amount by fund of personal service flexibility and the amount by fund of expense and equipment flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed. If flexibility is being requested among divisions, provide the amount by fund of flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed.	
DEPARTMENT REQUEST	
<p>The Office of the Public Counsel is requesting 10% flexibility between the Personal Service (PS) and/or Expense and Equipment (E&E) in the Office of Public Counsel fund (1508). This increased flexibility is needed to ensure the office's ability to immediately address any identified operational modifications to ensure the provision of the highest quality services to Missourians. 2. CORE DESCRIPTION

The Manufactured Housing Department, housed within the Public Service Commission, is required by statute (Section 700.010 - 700.692 RSMo) to: 1) annually register manufacturers and dealers of manufactured homes and modular units, and new manufactured home installers; 2) prescribe and enforce uniform construction standards for manufactured homes and modular units sold in the State of Missouri; 3) enforce manufactured home set up and tie-down requirements; and 4) administer the Consumer Recovery Fund established pursuant to SB 788. The Manufactured Housing Program acts as the State Administrative Agency (SAA) to the Federal Housing and Urban Development's Manufactured Housing Program in an effort to assure safe and affordable housing for consumers with emphasis on safety. The SAA provides this assurance by responding to consumer complaints, conducting manufactured home inspections, and performing dealer lot inspections and manufacturing plant record reviews. It also provides installer and inspector training. These functions directly increase the number of manufactured homes that are code compliant and installed correctly, in addition to providing consumers with safe and adequate housing. The Program also enforces similar policies for the modular unit industry.

2. CORE DESCRIPTION

The Manufactured Housing Consumer Recovery Fund was created in SCS SB 788, signed by the Governor on July 10, 2008. It became effective August 28, 2008. Section 700.041 establishes the "Manufactured Housing Consumer Recovery Fund" for the purposes of paying consumer claims pursuant to the procedures the Public Service Commission promulgates by rule. (See 20 CSR 4240-126.010 and 20 CSR 4240-126.020.) The law provides that no claims shall be considered by the Commission before all other legal remedies have been exhausted.

Without a fund transfer from the Manufactured Housing Fund, the Recovery Fund cannot be used for its statutory purpose.

2. CORE DESCRIPTION

The Missouri Public Service Commission has the statutory responsibility of ensuring that consumers receive adequate amounts of safely delivered and reasonably priced utility services at rates that will provide the utility companies' shareholders the opportunity to earn a reasonable return on their investment. The Commission must balance a variety of often competing private interests to ensure the overall public interest. Much of the Commission's work is conducted through formal contested case hearings, similar to court proceedings. The primary statutory provisions governing the Commission are contained in Chapters 386, 392, and 393 RSMo. The Commission regulates the rates and practices of investor-owned local telephone, water, sewer, gas, steam/heat, and electric companies. The Commission also issues video service authorizations to entities that meet statutory requirements and registers providers of Interconnected Voice over Internet Protocol (VoIP) communications service.

3. PROGRAM LISTING (list programs included in this core funding)

2. CORE DESCRIPTION

The Missouri Public Service Commission (PSC) has the statutory (Chapter 209 RSMo, Sections 251-260) responsibility of providing a statewide dual-party relay system to enable deaf, hearing-impaired, and speech-impaired persons use of the telephone network. The Commission administers the Deaf Relay Service and Equipment Distribution Fund and oversees the Relay Missouri Program (aka the Deaf Relay Service Program), which provides relay service and "Captioned Telephone" service. The Department of Elementary and Secondary Education's Missouri Assistive Technology Program administers the Equipment Distribution Program, which provides specialized equipment to consumers. Funding is provided by a surcharge applied to landline local exchange telephone lines and Interconnected Voice over Internet Protocol (VoIP) lines. Companies are allowed to retain a portion of the surcharge revenue for their billing and collection service. All remaining surcharge money collected by companies is remitted to the PSC, who shall use such money exclusively to fund the programs. All remaining surcharge money collected shall be retained in the Deaf Relay Service and Equipment Distribution Fund. The Commission is statutorily required to review the surcharge at least once every two years, but no more frequently than once per year. The current surcharge rate shall not increase for a period of two years, subject to change in federal requirements for deaf relay services.
