2. CORE DESCRIPTION

House Bill, 1519 and 1165 established the Missouri National Guard (MONG) Trust Fund, Section 41.214 RSMo in FY98. The statute authorizes monies deposited to be used by the Office of the Adjutant General (OTAG)/Missouri National Guard for purposes pursuant to sections 41.010 to 41.1000 RSMo in support of the State Military Department and section 173.239 RSMo in support of the National Guard Tuition Assistance Program.

The National Guard Tuition Assistance Program: Core funding for the National Guard educational assistance program for MONG members authorized in section 173.239 RSMo. This program is the primary recruiting and retention tool for the Missouri National Guard as it builds troop strength and readiness. Maintaining Missouri's authorized Guard strength level is critical for the MONG to retain military units and related Federal Department of Defense funding. If Missouri is unable to maintain its authorized troop strength, then funding will be withdrawn and allocated to states demonstrating the ability to maintain troop strength. Missouri will lose the federal resources, jobs, and monies supporting those units, as well as the emergency response capability associated with them.

The Military Veteran Funeral Honors Program: Authorized in section 41.958 RSMo., this statute gives the OTAG/MONG the mission of providing military honor services to all deceased MO veterans. It is estimated that 470,000 veterans currently reside in Missouri. In FY 23, Missouri Funeral Honor Program coordinated approximately 8,400 and conducted over 4,280 missions of those missions coordinated. The appropriation helps ensure that MO deceased military veterans receive proper military honors (Burial services) to which they are entitled based on their patriotic service to our nation and state.

2. CORE DESCRIPTION

The USS Missouri, also known as the "Mighty Mo", is a historic battleship that played a significant role in World War II, the Korean War and the Persian Gulf War. It is one of the most famous and celebrated warships in American history. Throughout its active duty, the USS Missouri conducted various combat operations, shore bombardments, and acted as a deterrent force. Its involvement in the Korean War and the Persian Gulf War demonstrated its continued significance in modern conflicts. Today, the USS MO is preserved as a museum ship, permanently docked at Pearl Harbor, Hawaii. It serves as a memorial to honor the history and sacrifices made by those who served on board. Visitors can explore the ship, learn about its storied past, and witness the location of the historic surrender ceremony. The ship remains an enduring symbol of American naval power and the historical milestones it witnessed; it's legacy as a formidable battleship and its crucial role in World War II will forever be remembered.

2. CORE DESCRIPTION

This law authorized by section 42.170-42.222 RSMo, recognizes World War II, Korean Conflict, and Vietnam War veterans for their honorable service to our State. This entitles current Missouri Residents or former residents who entered or discharged from active duty service in Missouri during World War II (service between December 7, 1941 and December 31, 1946), Korean Conflict veterans (service between June 27, 1950 and January 31, 1955), and Vietnam veterans (service between February 28, 1961 and May 7, 1975) to receive a medallion, medal, and a certificate of appreciation. Any deceased Missouri veteran's surviving spouse/eldest survivor of a veteran who meet the qualifications may also apply. Senate Bill 600 (2014) created two new medallion programs, "Operation Desert Shield/Desert Storm (active service between August 7, 1990 and June 7, 1991) and the "Operation Iraqi Freedom/New Dawn" (service between March 19, 2003 and December 15, 2011) and broadened the eligibility requirements of Missouri National Guard to include members who served on active duty in a unit of the Missouri National Guard regardless of state residency.

2. CORE DESCRIPTION

The OTAG/MONG Field Support Program supports the operations and maintenance of the Missouri National Guard readiness centers and associated grounds. The OTAG operates 56 readiness centers in 54 locations; the average age of these facilities is in excess of 50 years, with 58% being over 40+ years of age. These military facilities are state-owned and require recurring funding to support: operations, utilities, building, grounds maintenance and custodial requirements. Adequate Field Support program funding is critical to ensure members of the Missouri National Guard have sufficient facilities to conduct daily operations, to train, and to store, and maintain associated military equipment. These facilities are utilized during state emergency duty as operational staging areas, warming shelters, and distribution points for local communities. The facilities are also utilized by the Highway Patrol as driver testing sites. Failure to provide adequate operational support will ultimately result in a loss of federal funding and resources.

Core increase of \$45,000 in General Revenue E&E to cover rising trash and solid waste disposal costs essential to maintaining statewide facilities. Without this funding, the Guard risks non-compliance with state, federal, and local environmental regulations exposing the organization to potential city fines, state and federal penalties, and in extreme cases, the temporary or permanent shutdown of facilities. Such outcomes would directly reduce mission readiness and disrupt training and operational support.

This increase addresses higher vendor costs from inflation, fuel surcharges, and labor shortages, as well as expanded waste disposal needs driven by increased training events and facility usage, ensuring continued compliance, safety, and operational capability.

2. CORE DESCRIPTION

The Missouri National Guard operates several training sites across Missouri, including the Ike Skelton Training Site (ISTS) which houses the Office of the Adjutant General, Missouri State Emergency Management Agency and Missouri Information Analysis Center. Approximately 600 FTE are stationed at ISTS and Camp Clark training sites where military and general public employee training is conducted. The National Guard Training Site Fund authorized in Section 41.212 RSMo, allows the OTAG to charge for services provided at the training sites and to retain monies collected in the Training Site Revolving Fund to use as an offset to the cost of service.

based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

This funding preserves critical military infrastructure, ensures operational readiness, supports small businesses, and drives local job creation. In FY24, the partnership generated about \$970 million in statewide economic activity. A \$66,667 increase in E&E funding will sustain these returns, protect infrastructure investments, and strengthen Missouri's economy.
