BOARD OF FUND COMMISSIONERS OVERVIEW

The Board of Fund Commissioners issues and performs administrative activities related to state general obligation debt as assigned by law. The Board receives authority to issue bonds from the Missouri Constitution, and also must obtain legislative approval from the general assembly.

The board is composed of the Governor, Lieutenant Governor, Attorney General, State Treasurer, and the Commissioner of Administration. The Governor is president of the board and the State Treasurer is secretary.

The Director of the Office of Administration, Division of Accounting serves as executive secretary to the Board, and the Division of Accounting administers bond sales for the Board.

1. What does this program do?

This program provides for payment of principal and interest on outstanding Fourth State Building, Water Pollution Control, and Stormwater Control Bonds. It also provides for payment of fees associated with bond issuance. The Board of Fund Commissioners is authorized to sell bonds at a public sale. The bond proceeds are used for the purposes listed below. The Board is required to pay the principal and interest on the bonds. Per the State Constitution, funds must be transferred from general revenue or other available funds to the various debt service funds one year in advance of the required debt service payment date. The Board also pays the annual fees associated with debt, refunding costs and arbitrage expenses.

The Board of Fund Commissioners is authorized to issue general obligation debt for the purposes listed below. The bond sale proceeds are deposited into the project funds to be used as follows:

Fourth State Building Bonds: The Board is authorized by constitutional amendment to issue \$250,000,000 in bonds. The bonds were issued, upon approval of the General Assembly, to provide funds for improvements of buildings and property of higher education institutions, the Department of Corrections, and the Division of Youth Services. The Board began issuing these bonds in 1995. There is no remaining amount of authorization to be issued for these bonds. The final series of bonds will mature on 12/1/2022.

Water Pollution Control Bonds: The Board is authorized by constitutional amendment to issue \$725,000,000 in bonds. The bonds were issued, upon approval of the General Assembly, to provide funds for the state to protect the environment through the control of water pollution. The Board began issuing these bonds in 1972. The remaining amount of authorization is \$130,505,760. The Water Pollution Control Program is administered by the Department of Natural Resources. To date, the final series of bonds will mature on 12/1/2022.

Stormwater Control Bonds: The Board is authorized by constitutional amendment to issue \$200,000,000 in bonds. The bonds were issued, upon approval of the General Assembly, to provide funds for the state to use to protect the environment through control of stormwaters. The Board began issuing these bonds in 1999. The remaining amount of authorization is \$155,000,000. The Stormwater Control Program is administered by the Department of Natural Resources. To date, the final series of bonds will mature on 12/1/2022.

Program Name	General Obligation Debt Administration	
Program is found in the following core budget(s):		

7a. Provide an effectiveness measure.

Prompt payment of principal and interest results in adherence to constitutional requirements and to the bond resolutions. This promotes sound financial management and helps to maintain the State's AAA bond rating. Generally, AAA rated bonds bear the lowest interest rates thereby lowering the overall interest cost incurred by the State.

Compliance to the Missouri Constitution: All transfers from general revenue or other funds to the debt service funds are made one year in advance of required debt service payments in accordance with Article III, Section 37 of the Missouri Constitution.

7b. Provide an efficiency measure.
