### **ADMINISTRATION**

Article IV, Section 15 of the Missouri Constitution describes the duties and responsibilities of the State Treasurer. The State Treasurer is responsible for receiving and investing state moneys, posting receipts to the proper funds, and signing warrants drawn according to law. As custodian of those funds, the Treasurer determines the amount of state moneys not needed for current operating expenses and invests those funds in interest-bearing time deposits in Missouri banking institutions or in short-term United States government obligations. The Treasurer is required to give due consideration to the preservation of state funds and the comparative yields available. The Treasurer also must determine whether the general welfare of the state is better served by investing state funds in United States securities or within the Missouri banking system.

The Treasurer also administers the state's unclaimed property law by collecting unclaimed or abandoned funds and property belonging to Missouri citizens and trying to locate the owners.
