- Residential Care – provided for youth who, by past behavior or offense, have demonstrated an inability to function satisfactorily in a community setting and providing safety and security to the community while meeting individual treatment needs of committed youth. The division operates three levels of residential programs:
 - Secure Care (5) – highly structured secure programs in fenced facilities for youth with the highest scores in risks, seriousness, and treatment needs.
 - Moderate Care (18) – moderate level of structure for youth assessed in the moderate range for risks, seriousness, and treatment needs.
 - Group Homes (6) – least restrictive environment for youth with the lowest assessed risk, seriousness, and treatment needs.
- Dual Jurisdiction – blended sentence alternative in which the court may dually commit a certified youth offender in both the Division of Youth Services and the Department of Corrections. These youth are largely served at our secure residential facilities.
- Contractual Residential Services – placement may include private residential care, alternative independent living, or foster care.

PROGRAM DESCRIPTION

Department: Social Services

HB Section(s): 11.405

Program Name: Division of Youth Services (DYS)

Program is found in the following core budget(s): Youth Services Treatment

- Aftercare – provides resources to assist youth with successful and sustainable transitions from residential treatment to the community.
 - Day Treatment/Resource Centers – while living in the community, youth may attend a structured program to continue their education and treatment and to participate in positive recreation activities to help ensure a successful transition from residential care. This programming is also available to court referred youth as a “diversion” intervention.
- Specialized Services available to both Residential Programs and Aftercare Programs
 - Case Management – planning and service delivery process administered by the division’s service coordinators to determine needs and risk of each youth committed to the division. These staff facilitate and lead discussions associated with treatment and community safety; plan and coordinate treatment; work with the family and community to develop resources and supports; monitor progress on goals and objectives; and coordinate the transition of youth back to the community and productive citizenship.
 - Blended Education – DYS youth are required to participate in education or career preparation activities as a condition of release and community placement. DYS offers a variety of DESE approved educational environments ranging from residential care, day treatment centers, and a distance learning academy.
 - Family Specialist – provide training, consultation, and assistance to other DYS and community programs regarding family involvement, family strengthening interventions, and re-integration of the youth into their family.
 - Jobs Program – provides DYS youth opportunities to develop job readiness skills, gain actual work experience, and/or prepare to successfully pass the High School Equivalency Test (HiSET) examination.
 - Families and Schools Together (FAST) - strengthens family engagement efforts by providing eight week multi-family meetings designed to address three problems: alcohol and drug abuse, delinquency, and school retention. FAST is an evidence based program that introduces families to social support networks and resources in the community.
 - Intensive Case Monitoring – provides community mentors to keep in close contact with youth committed to DYS. Community mentors serve as a role model and ensure youth are abiding by the program conditions, such as attending school and being home by curfew. In addition, community mentors may provide tutoring and help with job search activities.

The time study determined a decrease in the percentage of time in rehabilitative services and a decrease in number of days. Missouri can claim Medicaid dollars for the cost of rehabilitative services for eligible youth committed to DYS. A Medicaid State Plan Amendment relating to Behavioral Health Treatment Services for Youth stipulates that reimbursement for Early and Periodic Screening, Diagnostic, and Treatment (EPSDT) Rehabilitative Behavioral Health Treatment Services for Youth must be recalculated every three years to reflect reported changes in Medicaid allowable costs. The time study performed accounts for the portion of time each worker has spent on the four major activity areas of service: Treatment/Rehabilitative Services, Room and Board, Education, or Administration.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

DYS completes a time study every three years. Results are applied to the most recent year's cost reports which results in a daily rehabilitation rate. The reduction in rate, coupled with a reduced number of youth being served and number of days being billed, results in a need for a GR pickup. The new rates calculated for Residential, Day Treatment, and After Care were multiplied by estimated decrease in days billed based on a reasonable trend. The difference between the earnings in SFY 18 and the estimated earnings for SFY 19 results in the need for a GR pickup. Due to the decline in population there has also been a decrease in revenue from the local tax effort "bill back" from school districts. The supplemental includes the need for a GR pickup based on a trend of expected loss of revenue; this is the cost to continue for FY20.

FY20 Cost to Continue - Original Amount	\$ 4,151,650

PROGRAM DESCRIPTION

Department: Social Services

HB Section(s): 11.410

Program Name: Division of Youth Services (DYS)

Program is found in the following core budget(s): Juvenile Court Diversion

1a. What strategic priority does this program address?

Divert youth from commitment to DYS

1b. What does this program do?

The Juvenile Court Diversion Program (JCD) is designed to encourage development of services to youth and families at the local level while diverting youth from commitment to the Division of Youth Services (DYS). Funding is based on an application process from each circuit court and is awarded based on merit and past spending.

Program Goals and Objectives:

- To provide early interventions to prevent deep penetration into the juvenile justice system.

Services Provided:

DYS operates JCD as a grant-in-aid program in order to provide local juvenile courts with the resources to work with their communities to create specific services or solutions for problems unique to their communities.

DYS staff monitor the overall operation of each diversion project through visits by DYS regional administration to the participating courts. Discussions are held with the Chief Juvenile Officer or designee to ensure project compliance, effectiveness and spending efficiency.

2a. Provide an activity measure(s) for the program.
