PROGRAM DESCRIPTION

Department: Social Services

HB Section(s): 11.305

Program Name: Division of Youth Services (DYS)

Program is found in the following core budget(s): Youth Services Treatment

1a. What strategic priority does this program address?

Productively involved youth and safer communities

1b. What does this program do?

The Division of Youth Services (DYS) treatment core provides funding for all treatment related and educational services for the youth committed to DYS. Included within this appropriation are the personal services and expense and equipment for the day-to-day operation of all residential facilities and day treatment programs. In addition, this appropriation also covers the cost of providing case management services to DYS youth, training for staff, and programs that promote family engagement.

Program Goals and Objectives:

- To provide a safe and secure environment for youth in the Division of Youth Services.
- To provide a Department of Elementary and Secondary Education approved education to youth in residential care and community placements.
- To help youth achieve productive community involvement and improve “wellbeing”.
- To improve family relationships.

Services Provided:

Youth Treatment Program components include: residential, aftercare, and specialized services available in both residential and aftercare programs.

- Residential Care – provided for youth who by past behavior or offense have demonstrated an inability to function satisfactorily in a community setting and providing safety and security to the community while meeting individual treatment needs of committed youth. The division operates three levels of residential programs:
 - Secure Care (5) – highly structured secure programs in fenced facilities for youth with the highest scores in risks, seriousness, and treatment needs.
 - Moderate Care (18) – moderate level of structure for youth assessed in the moderate range for risks, seriousness, and treatment needs.
 - Group Homes (6) – least restrictive environment for youth with the lowest assessed risk, seriousness, and treatment needs.
- Dual Jurisdiction – blended sentence alternative in which the court may dually commit a certified youth offender in both the Division of Youth Services and the Department of Corrections. These youth are largely served at our secure residential facilities.
- Contractual Residential Services – placement may include private residential care, alternative independent living, or foster care.

PROGRAM DESCRIPTION

Department: Social Services

HB Section(s): 11.305

Program Name: Division of Youth Services (DYS)

Program is found in the following core budget(s): Youth Services Treatment

- Aftercare – provides resources to assist youth with successful and sustainable transitions from residential treatment to the community.
 - Day Treatment/Resource Centers – while living in the community, youth may attend a structured program to continue their education and treatment and to participate in positive recreation activities to help ensure a successful transition from residential care. This programming is also available to court referred youth as a “diversion” intervention.

- Specialized Services available to both Residential Programs and Aftercare Programs
 - Case Management – planning and service delivery process administered by the division’s service coordinators to determine needs and risk of each youth committed to the division. These staff facilitate and lead discussions associated with treatment and community safety; plan and coordinate treatment; work with the family and community to develop resources and supports; monitor progress on goals and objectives; and coordinate the transition of youth back to the community and productive citizenship.
 - Blended Education – DYS youth are required to participate in education or career preparation activities as a condition of release and community placement. DYS offers a variety of DESE approved educational environments ranging from residential care, day treatment centers, and a distance learning academy.
 - Family Specialist – provide training, consultation, and assistance to other DYS and community programs regarding family involvement, family strengthening interventions, and re-integration of the youth into their family.
 - Jobs Program – provides DYS youth opportunities to develop job readiness skills, gain actual work experience, and/or prepare to successfully pass the High School Equivalency Test (HiSET) examination.
 - Families and Schools Together (FAST) - strengthens family engagement efforts by providing eight week multi-family meetings designed to address three problems: alcohol and drug abuse, delinquency, and school retention. FAST is an evidence based program that introduces families to social support networks and resources in the community.
 - Intensive Case Monitoring – provides community mentors to keep in close contact with youth committed to DYS. Community mentors serve as a role model and ensure youth are abiding by the program conditions, such as attending school and being home by curfew. In addition, community mentors may provide tutoring and help with job search activities.

RANK: 20 OF 51

Department: Social Services

Budget Unit: 90438C

Division: Youth Services

DI Name: GR Pickup for DYS Rates Cost to Continue DI# 1886015

HB Section: 11.305

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

DYS completes a time study every three years. Results are applied to the most recent year's cost reports which results in daily rehabilitation rate. The reduction in rate coupled with a reduced number of youth being served and number of days being billed results in a need for a GR pickup. The new rates calculated for Residential, Day Treatment, and After Care were multiplied by estimated decrease in days billed based on a reasonable trend. The difference between the earnings in SFY 18 and the estimated earnings for SFY 19 results in the need for a GR pickup. Due to the decline in population there has also been a decrease in revenue from the local tax effort "bill back" from school districts. The supplemental includes the need for a GR pickup based on a trend of expected loss of revenue; this is the cost to continue for FY20.

5. BREAK DOWN THE REQUEST BY BUDGET OBJECT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.
