2. CORE DESCRIPTION

The General Assembly created the Joint Committee on Public Employee Retirement (JCPER) in 1983. Sections 21.550 to 21.563 establish the committee and prescribe its duties, which include performing an annual survey and analysis of Missouri's state and local public employee retirement systems (approximately 128), devising a standard reporting system to obtain data on each retirement system, determining the need for changes in statutory law, and making recommendations to the General Assembly. The JCPER compiles an annual report to the General Assembly and an annual watch list of public defined benefit pension plans that are funded below 70% on a market value basis. Public retirement systems that make certain benefit changes are required to file actuarial cost statements with the JCPER. Public retirement systems are required to file proposed administrative rules with the JCPER, notify it of cost-of-living increases in pension benefits, and file actuarial valuations and financial reports with it.
