For reducing recidivism among offenders with serious substance use disorders who are returning to the St. Louis or Kansas City areas from any of the state correctional facilities. Additionally, remaining funds shall be used to support offenders returning to other regions of the state who are working with available treatment slots from the Department of Mental Health. The department shall select a qualified not-for-profit service provider in accordance with state purchasing rules. The provider must have experience serving this population in a correctional setting as well as in the community. The provider shall design and implement an evidence-based program that includes a continuum of services from prison to community, including medication assisted treatment that is initiated prior to release, when appropriate. The program must include an evaluation component to determine its effectiveness relative to other options, provided that three percent (3%) flexibility is allowed from this section to Section 10.575

For the sole purpose of conducting and evaluating a Pilot Project at Women's Eastern Reception and Diagnostic, Northeast, Chillicothe, and Cremer Therapeutic Community Centers for up to one hundred fifty (150) women and up to forty-five (45) males, with twenty (20) of the individuals selected having a developmental disability. If it is deemed medically appropriate, these individuals may volunteer to receive FDA approved nonaddictive medication assisted treatment for alcohol dependence and prevention of relapse to opioid dependence prior to release, and for up to six (6) months after release. Other medical services, including but not limited to, substance use disorder treatment services, may be provided by the contracted health care vendor to the Missouri Department of Corrections, and upon release, to designated substance use disorder treatment providers in the community, including Saint Louis and Kansas City metropolitan areas, provided that three percent (3%) flexibility is allowed from this section to Section 10.575

GOVERNOR'S RECOMMENDED AMENDMENT TO HOUSE BILL 10 SECTIONS 10.810 & 10.815

Department: Health and Senior Services

Explanation of Amendment:

The Governor recommends an additional \$6,535,993, including \$2,221,584 general revenue, for increased rates for home and community based private duty nursing services. This brings private duty nursing providers between the lower bound and mid-point of the market rate. There is a corresponding rate reduction for consumer directed services that fully offsets the increase to private duty nursing rates.

Amended section to read as follows:

Section 10.810. To the Department of Health and Senior Services

For the Division of Senior and Disability Services

For providing consumer directed personal care assistance services at a rate not to exceed sixty percent (60%) of the average monthly Medicaid cost of nursing facility care, provided that ten percent (10%) flexibility is allowed between this section and Section 10.815 to allow flexibility within the Medicaid Home and Community Based Services Program
