Department: Social Services Program Name: Division of Youth Services (DYS) Program is found in the following core budget(s): Youth Services Treatment

1a. What strategic priority does this program address?

Productively involved youth and safer communities

1b. What does this program do?

The Division of Youth Services (DYS) treatment core provides funding for all treatment related and educational services for the youth committed to DYS. Included within this appropriation are the personal services and expense and equipment for the day-to-day operation of all residential facilities and day treatment programs. In addition, this appropriation also covers the cost of providing case management services to DYS youth, training for staff, and programs that promote family engagement.

Program Goals and Objectives:

- > To provide a safe and secure environment for youth in the Division of Youth Services.
- > To provide a Department of Elementary and Secondary Education approved education to youth in residential care and community placements.
- > To help youth achieve productive community involvement and improve "wellbeing".
- > To improve family relationships.

Services Provided:

Youth Treatment Program components include: residential, aftercare, and specialized services available in both residential and aftercare programs.

- Residential Care provided for youth who, by past behavior or offense, have demonstrated an inability to function satisfactorily in a community setting, and providing safety and security to the community while meeting individual treatment needs of committed youth. The division operates three levels of residential programs:
 - Secure Care (4) highly structured secure programs in fenced facilities for youth with the highest scores in risks, seriousness, and treatment needs.
 - Moderate Care (14) moderate level of structure for youth assessed in the moderate range for risks, seriousness, and treatment needs.
 - Group Homes (3) least restrictive environment for youth with the lowest assessed risk, seriousness, and treatment needs.
 - Dual Jurisdiction blended sentence alternative in which the court may dually commit a certified youth offender in both the Division of Youth Services and the Department of Corrections. These youth are largely served at our secure residential facilities.
 - o Contractual Residential Services placement may include private residential care, alternative independent living, or foster care.

Department: Social Services Program Name: Division of Youth Services (DYS) Program is found in the following core budget(s): Youth Services Treatment

- > Aftercare provides resources to assist youth with successful and sustainable transitions from residential treatment to the community.
 - Day Treatment/Resource Centers (6) while living in the community, youth may attend a structured program to continue their education and treatment and participate in positive recreation activities to help ensure a successful transition from residential care. This programming is also available to court referred youth as a "diversion" intervention.

HB Section(s): 11.405

These staff facilitate and lead discussions associated with treatment and community safety; plan and coordinate treatment; work with the family and community to develop resources and supports; monitor progress on goals and objectives; and coordinate the transition of youth back to the community and productive citizenship.
 - Blended Education DYS youth are required to participate in education or career preparation activities as a condition of release and community placement. DYS offers a variety of DESE approved educational environments ranging from residential care, day treatment centers, and a distance learning academy.
 - Family Specialist provide training, consultation, and assistance to other DYS and community programs regarding family involvement, family strengthening interventions, and re-integration of the youth into their families.
 - Jobs Program provides DYS youth opportunities to develop job readiness skills, gain actual work experience, and/or prepare to successfully
 pass the High School Equivalency Test (HiSET) examination.
 - Families and Schools Together (FAST) strengthens family engagement efforts by providing eight week multi-family meetings designed to address three problems: alcohol and drug abuse, delinquency, and school retention. FAST is an evidence based program that introduces families to social support networks and resources in the community.
 - Intensive Case Monitoring provides community mentors to keep in close contact with youth committed to DYS. Community mentors serve as a role model and ensure youth are abiding by the program conditions, such as attending school and being home by curfew. In addition, community mentors may provide tutoring and help with job search activities.

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

In FY22, DSS was appropriated \$1,175,090 in one-time appropriations for start up costs associated with Raise the Age. Due to delayed implementation and discrepancies across the state in the interpretation of the language, DYS has not yet seen a large increase in the number of 17 year olds entering care. Further, the pandemic and its impact on policing and court operations has reduced the number of commitments to DYS custody; therefore, any youth committed under the new law are able to be served with existing capacity at this time. Post-pandemic, DYS would expect a significant increase in the number of commitments which will require the one-time funding to be used for start-up new residential and day treatment programs.

Department: Social Services Program Name: Division of Youth Services (DYS) Program is found in the following core budget(s): Juvenile Court Diversion

HB Section(s): 11.410

1a. What strategic priority does this program address?

Divert youth from commitment to DYS

1b. What does this program do?

The Juvenile Court Diversion Program (JCD) is designed to encourage development of services to youth and families at the local level, while diverting youth from commitment to the Division of Youth Services (DYS).

Program Goals and Objectives:

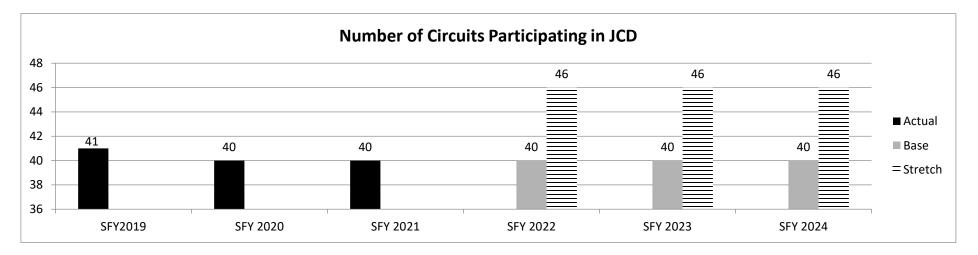

> To provide early interventions to prevent deep penetration into the juvenile justice system.

Services Provided:

DYS operates JCD as a grant-in-aid program in order to provide local juvenile courts with resources to work with their communities in developing specific services, or solutions to problems unique to their communities.

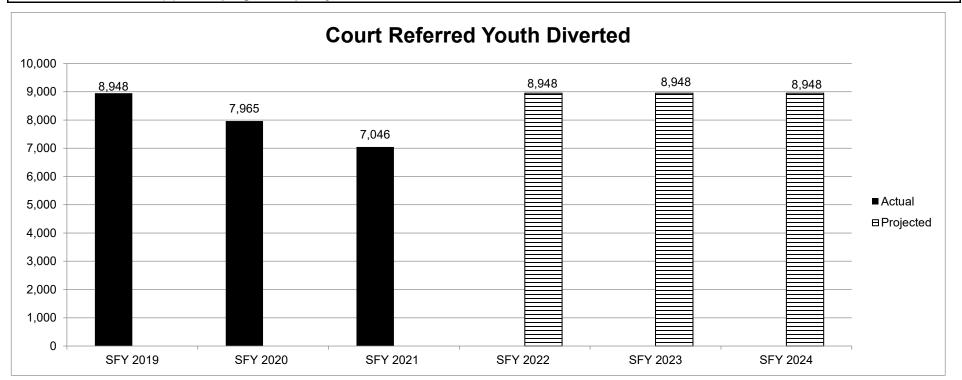

DYS staff monitor the overall operation of each diversion project through visits by DYS regional administration to the participating courts. Discussions are held with the Chief Juvenile Officer or designee to ensure project compliance, effectiveness and spending efficiency.

2a. Provide an activity measure(s) for the program.

Department: Social Services Program Name: Division of Youth Services (DYS) Program is found in the following core budget(s): Juvenile Court Diversion

2b. Provide a measure(s) of the program's quality.

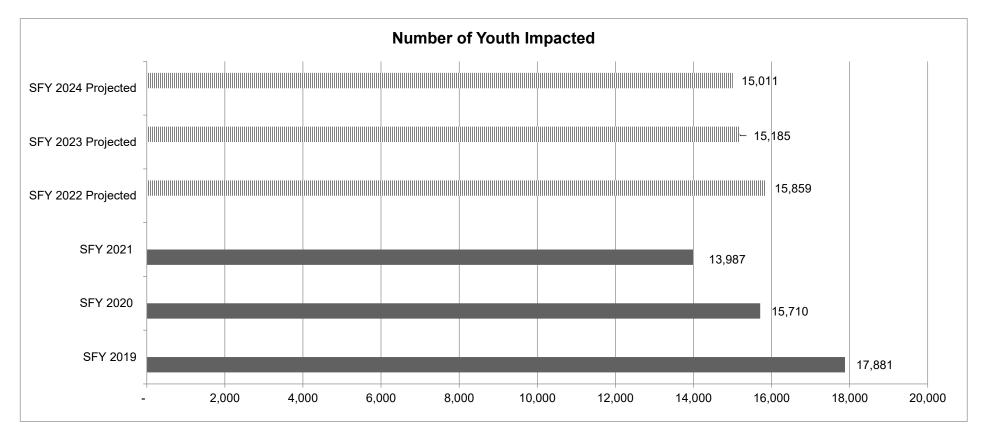

JCD participants reported by the Juvenile Court as "diverted" includes law violators assigned informal supervisions, formal supervision, or out-of-home placement. Actual numbers vary and are predicated on referrals to the local juvenile offices. The projected numbers are the highest of the last three state fiscal years.

The Juvenile Court Diversion program experienced a decline in youth served for FY20 and FY21 due to the impact of COVID-19. The closure of educational programs and the inability to meet with youth in person and in larger group settings limited the opportunities to provide and offer diversion activities and services to as many youth as has historically been reported.

HB Section(s): 11.410
