# The Missouri Judiciary

The Missouri Judiciary – or third branch of government – provides Missouri citizens a stable, fair, and accessible system of justice for the resolution of disputes. Each year, Missouri courts resolve more than 750,000 cases. Municipal divisions resolved 596,553 cases in FY22 relating to traffic and city ordinances. The judicial branch of government employs people dedicated to serving the citizens of Missouri.

---

The Missouri Judiciary – one of three co-equal branches of government – provides Missouri citizens a stable, fair, and accessible system of justice for the resolution of disputes.

---

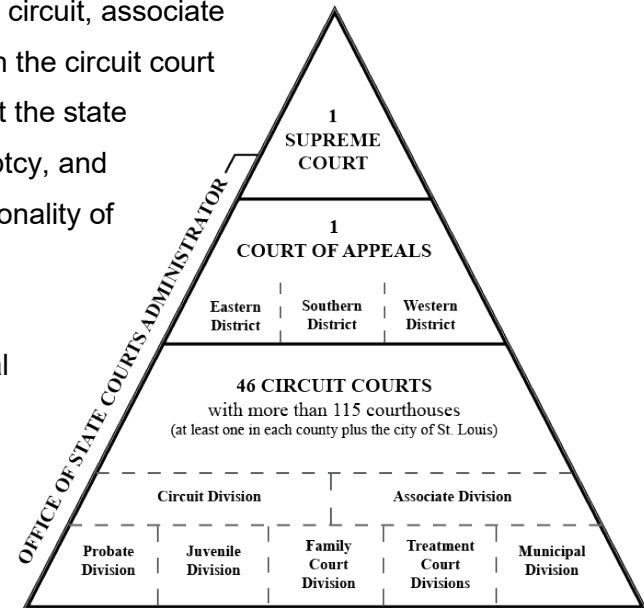

**The FY24 appropriation to the Missouri Judiciary totals just 2% of the statewide General Revenue.**

**The vast majority of that appropriation pays the salaries of court personnel  
in local communities across the state.**

Approximately 3,500 judicial employees represent the face of justice for Missourians who walk into our courthouses or access our services online. The Missouri Judiciary is, at its heart, a branch of people – court clerks, marshals, court reporters, juvenile officers, trial judges, and others who work to ensure the justice system serves the needs of our citizens. We continually strive for efficiency using technological innovation, but we need to retain experienced employees and recruit top-quality replacements to maintain public trust and confidence and to fully discharge our statutory and constitutional obligations.

Within the circuit courts, cases are grouped and heard in divisions by type, such as circuit, associate circuit, family, juvenile, municipal, probate, and small claims. Cases typically start in the circuit court and may be appealed to one of the three appellate districts, potentially ending up at the state supreme court. Some types of cases brought to the courts include divorce, bankruptcy, and civil rights. Criminal cases filed by prosecutors and cases challenging the constitutionality of state laws or the use of governmental power are other types of cases heard.

While the judiciary has effectively used existing resources to fulfill its role, additional resources are needed to further the priorities that will ensure **continuing stability, fairness, and accessibility.**

## Fiscal Year 2025 and Supplemental Fiscal Year 2024 Budget Priorities

The Missouri Judiciary’s FY25 and supplemental FY24 funding priority areas are:

## Support Public Service

For the last few years, excluding the FY21 pandemic year, the legislature and governor have appropriated and the judiciary has implemented salary increases for judiciary staff consistent with the goals of its classification and compensation study. For FY24, the legislature and governor’s appropriations provided for significant progress toward salary goals. The judiciary’s 21st Century

Workforce compensation plan moves staff toward target – or market – salary goals and improves recruitment and retention, with much of the focus on the lowest paid staff and reducing salary compression. Staff whose positions are established by statute (e.g., circuit clerks) and who were not a part of the salary study should receive a comparable increase.

Missouri judges’ salaries are based upon the salaries of their federal counterparts under the compensation schedule filed by Missouri Citizens Commission on Compensation for Elected Officials pursuant to Article XIII, section 3 of the Missouri Constitution.

Funding is also requested to fund Law Clerks at the Senior Law Clerk level for the Supreme Court and Court of Appeals staff in the amount of **\$296,511**.

In fiscal year 2017 the legislature moved personal services from the general revenue fund to the federal fund to have the judiciary spend down the fund balance. The federal fund balance is now at a level that can no longer sustain the personal services. This request is to replace that core funding for 21 FTE reallocated from the federal fund to general revenue in the amount of **\$1,163,107**.

Since 2015, the judiciary has been working to bring municipal divisions from their own isolated systems the single statewide system for circuit courts. In fiscal year 2024, all municipal divisions will have added to the statewide system, joined another municipality on

the statewide system, or sent their cases to the associate divisions (which are on the statewide system). This change provides uniformity in court processes, enhances Supreme Court oversight, fosters accountability of municipalities, enables wide public access to court records, and creates greater efficiencies. This change also increases the number of judiciary users needing support with case processing, financial transactions, bank reconciliations, and similar issues. Additional 6.5 FTE and expense and equipment are needed to continue the support of municipal divisions in the amount of **\$795,395**.

Additionally, Lawrence County (39th Judicial Circuit) is requesting a treatment court commissioner based on the judiciary's weighted caseload. Personal services and expense and equipment in the amount of **\$167,456** are needed.

**Budget Request:**

1. Appropriate **\$3,370,793** for fiscal 2025 for salaries for judges to match the projected federal salary increase of 5.2%.
2. Appropriate **\$334,026** for fiscal 2025 for salaries for commissioners, the Clerk of the Supreme Court, and counsel for the Commission on Retirement, Removal and Discipline to match the projected federal salary increase of 5.2%.
3. Appropriate **\$3,107,597** for increases to court reporter salaries based on years of service per SB 103 passed in the 2023 legislative session. (\$1,035,866 is also included in the supplemental FY24 request).
4. Implement the 21st Century Workforce compensation plan to raise salaries of staff to target – or market – for the Circuit Courts, Courts of Appeals, Supreme Court, and Office of State Courts Administrator for a total of **\$10,236,628**.
5. Fund Law Clerks at the Senior Law Clerk level for the Supreme Court and Court of Appeals in the amount of **\$296,511**.
6. Appropriate **\$1,163,107** personal services from general revenue for the federal fund core (21 FTE reallocated from federal fund to general revenue).
7. Fund **\$795,395** for 6.50 FTE and E&E for municipal support for the single statewide system for circuit courts
8. Appropriate **\$167,456** for 1.0 FTE and E&E for a treatment court commissioner for Lawrence County (39th Judicial Circuit) based on the judiciary's weighted caseload.

## Ensure Access to Courts Through Interpreters in Civil Cases

Section 476.803, RSMo requires courts to appoint a qualified language interpreter in all legal proceedings in which a non-English speaking person is a party or witness. Further, according to Federal Executive Order 13166 and U.S. Department of Justice policy guidelines, state courts must provide interpreting and translating services to ensure non-English speaking individuals have meaningful access to the courts.

■ Language is very diverse across Missouri. A Missouri Economic Research and Information Center<sup>1</sup> survey identified seven languages in Missouri with 10,000 or more speakers. In 2020, 6.3% of Missouri residents spoke a language other than English.

### Budget Request:

1. Fully fund the projected annual expenditures of **\$324,090** to cover costs for interpreters in civil court proceedings for fiscal 2025.

<sup>1</sup> Missouri Department of Higher Education and Workforce Development. (2023). *Missouri Language Diversity*. Retrieved from <https://meric.mo.gov/data/many-languages-missouri>.

## **Protection for the Public and Court Staff and the Effective Administration of Justice**

To effectively administer the pretrial release of defendants from custody, reasonable assurance of court appearances and public safety is needed. Pretrial administrators would be located in circuits based on workload. The Office of the State Courts Administrator would serve as a central office providing the public safety assessment. Funding of **\$10,819,726** is requested for 152 FTE and expense and equipment.

Additional staff are needed to increase the bed capacity of the juvenile detention centers located in the 26th Judicial Circuit (Camden, Laclede, Miller, Moniteau and Morgan counties) and 13th Judicial Circuit (Boone and Callaway counties). An additional 27 full-time equivalent Detention Juvenile Officers and Detention Aides will need to be hired. To maintain secure juvenile detention centers, mental health contractors and security contractors also will be needed. This request is for **\$6,867,030** and 27 full-time equivalent (FTE) staff.

The Southern District is requesting 1.0 FTE for a deputy marshal to become full time (additional 0.4 FTE) and for a new part time deputy marshal (additional 0.6 FTE). This request is for **\$57,721** to include 1.0 FTE deputy marshal plus expense and equipment.

### **Budget Request:**

1. Appropriate **\$10,819,726** for the pretrial program.
2. Fund **\$6,867,030** for 27 FTE and expense and equipment for secure juvenile detention centers.
3. Appropriate **\$57,721** for 1.0 FTE deputy marshal position and E&E for the Southern District Court of Appeals.

## Supreme Court Building and Library

Like the Missouri State Capitol and Governor’s Mansion, the Supreme Court is one of the historic buildings in the Capitol Complex. Built with proceeds of the 1904 World’s Fair in St. Louis and opened in 1907, the building now welcomes more than 20,000 visitors each year. Due to age and usage, repairs and restoration for each floor are needed, and restoring the building to its original historical look is desired. Specific projects would include painting, plaster and wood restoration, a historical study of the building, cleaning and restoration of the original tile mosaic floors, electrical upgrades, and other safety and structural replacements and improvements.

The 6,000 square-foot Supreme Court Library is designated as the state law library by statute (Chapter 180). The library needs repair to falling plaster and its historic ceiling and laylights. In addition, the library is a central feature of the numerous tours given to school children and other Missourians throughout the year. To provide more substantive content, the Court would use the money to upgrade tours via interactive teaching tools to help educate visitors about not only Missouri history, but also the fundamentals of the rule of law.

### Budget Requests:

1. **\$1,636,398** for library renovations and a judicial learning center (\$1,636,398 requested for supplemental FY24, and \$1,136,398 requested for FY25). This could be funded in HB 18 capital improvements or in HB 12 with capital improvement language.
2. **\$2,168,112** for building restoration of the Supreme Court Building (\$2,168,112 requested for supplemental FY24 and for FY25). This could be funded in HB 18 capital improvements or in HB 12 with capital improvement language.

---

In the past decade, public confidence in the courts and the rule of law has eroded faster than ever before. Most people don’t have much idea what we do or how we do it, and much of what they think they know is wrong. If we want the public to know what we know – and they have to, for the rule of law to survive and for the judicial system to work – then it’s up to us to teach them. We have to educate the public about their justice system.

- Paul C. Wilson, Chief Justice, Supreme Court of Missouri  
Address to The Missouri Bar and the Judicial Conference  
of Missouri, September 15, 2022

## Marijuana Initiative Implementation

Article XIV, Section 2, Subsection 10 created a constitutional obligation to automatically vacate certain marijuana-related offenses and also required the expungement of certain marijuana-related records within a specified timeframe.

The projected costs for postage, supplies, redaction software, and information security and maintenance for expungements is \$1,660,000 in E&E. In addition, personal services dollars of \$2,076,000 would be needed for the increased workload of the courts, using temporary staff and overtime. Costs would be incurred for expungements, sentences automatically vacated within specified timeframes, and the creation of a special index of expunged cases. Costs for implementation began in FY23 and continue into FY25.

The image shows a form titled "Petition for Expungement of Arrest Records" from the Missouri Judicial Circuit. The form is for filing in a specific judicial circuit and county in Missouri. It includes fields for the Judge or Division, Case Number, Court ORI No., and Petitioner. There are checkboxes for various defendant types: Circuit Court Division, Associate Court Division, Municipal Court Division, Criminal Records Repository, County Sheriff's Dept., Municipal Police Dept., and Missouri Highway Patrol Troop. There are also fields for the Prosecutor's Office (County or Municipal) and an "Other" category. The form is partially obscured by a large grey arrow pointing to the right.

<p>Article XIII, section 3 of the Missouri Constitution establishes the Missouri Citizens' Commission on Compensation for Elected Officials, which sets the salaries for elected state officials, members of the General Assembly, and judges (except municipal judges). The commission issued its compensation schedule on December 1, 2020; the General Assembly did not disapprove it, and the salary schedule became effective. This is to fund the constitutionally mandated salaries of the judges as of July 1, 2024. Originally, this request was estimated to be a 5.2% increase; however, based on the latest available data, the federal increase is now projected to be 4.6%.</p>

<b>3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.</b>									
<p>Article XIII, section 3 of the Missouri Constitution establishes the Missouri Citizens' Commission on Compensation for Elected Officials, which sets the salaries for elected state officials, members of the General Assembly, and judges (except municipal judges). The commission issued their report on compensation on December 1, 2020; the General Assembly did not disapprove it, and the salary schedule became effective. This is to fund the statutory salaries as of July 1, 2024 of the commissioners (whose salaries are statutorily tied to judicial salaries), the Clerk of the Supreme Court (whose salary is tied to judicial salaries by Supreme Court policy), and Counsel for Commission on Retirement, Removal and Discipline (whose salary is tied to judicial salaries by the Commission). Originally, this request was estimated to be a 5.2% increase; however, based on the latest available data, the federal increase is now projected to be 4.6%.</p>

In order to have meaningful access to the courts, Federal Executive Order 13166 and the U.S. Department of Justice policy guidelines state that courts must provide interpreting and translating services to non-English speaking individuals who use the court system. Section 476.803, RSMo, requires courts to appoint a qualified language interpreter in all legal proceedings in which a non-English speaking person is a party or witness.

According to 2020 census data, 6.3% of the Missouri population speaks a language other than English at home, and of those, 2.1% have limited English proficiency. Qualified foreign language interpreters are essential to a functional and fair justice system. An insufficient number of foreign language interpreters and funding could result in language barriers and a lack of awareness of one's rights.

Re: Complaint No: 171-43-20  
Complaint Regarding the Ste. Genevieve County, Missouri court

Dear Mr. Leysnock:

Thank you for your cooperation with the U.S. Department of Justice's (DOJ) review of a complaint alleging that the Ste. Genevieve County, Missouri court (Ste. Genevieve Court) failed to provide appropriate language assistance services to a limited English proficient (LEP) individual under Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d to 2000d-7, and its implementing regulations (Title VI). The purpose of this letter is to advise you that, because of actions taken by the court during the course of our review, our office considers this matter resolved.

The Federal Coordination and Compliance Section (FCS) of the Civil Rights Division at DOJ initiated this Title VI review following receipt of a complaint alleging that the court failed to provide appropriate language assistance services in a case involving the complainant, including a March 28, 2017 order requiring parties to pay for a court interpreter. In May, my staff contacted Lynette Ricks, access to courts specialist, in the Office of State Courts Administrator, to discuss the complaint. You then contacted our office and we provided you with information on state court obligations to provide meaningful access to LEP individuals under Title VI. On June 26, the Ste. Genevieve court directed the clerk to immediately refund the amount paid by each party for court interpreter fees. The parties have settled the underlying case and the complainant has received the refund. As a result, we are closing our review of the Ste. Genevieve Court.

While we are closing our files in this matter, it is critical that the Missouri State Courts ensure meaningful language access to court proceedings and operations. We recommend that court personnel review the state courts section of [www.LEP.gov](http://www.LEP.gov) (<https://go.usa.gov/xNMCR>), including the *Language Access Guidance Letter to State Courts from the Assistant Attorney General for Civil Rights* (Aug. 16, 2010). In addition, the DOJ publication, “Language Access in State Courts” provides an overview of FCS’s State Courts Language Access Initiative, a multi-pronged initiative focused on enforcement, technical assistance, outreach, resource development, and policy efforts to ensure meaningful access to state courts receiving federal financial assistance. Court staff may also find the Language Map App (<https://www.lep.gov/maps/>) helpful in finding the concentration of, and languages spoken by, LEP individuals in a community.

We are obligated to inform you that no one may intimidate, threaten, coerce, or engage in other discriminatory conduct against anyone because he or she has either taken action or participated in an action to secure rights protected by the civil rights laws we enforce. We are further obligated to inform you that closure of this matter is limited to the specific facts of the matter and neither precludes DOJ from taking additional appropriate action to evaluate a recipient’s compliance with any of the laws enforced by DOJ nor affects the Ste. Genevieve Court or the Missouri State Courts’ requirement to comply with all applicable federal laws and regulations.

To the extent we can provide any additional guidance or assistance going forward, please do not hesitate to contact Dylan Nicole de Kervor at (202) 616-2271.

Thank you.

Sincerely,

Christine Stoneman

## Civil Rights Division

Assistant Attorney General

Washington, D.C. 20530

August 16, 2010

Dear Chief Justice/State Court Administrator:

In the past decade, increasing numbers of state court systems have sought to improve their capacity to handle cases and other matters involving parties or witnesses who are limited English proficient (LEP). In some instances the progress has been laudable and reflects increased recognition that language access costs must be treated as essential to sound court management. However, the Department of Justice (DOJ) continues to encounter state court language access policies or practices that are inconsistent with federal civil rights requirements. Through this letter, DOJ intends to provide greater clarity regarding the requirement that courts receiving federal financial assistance provide meaningful access for LEP individuals.

Dispensing justice fairly, efficiently, and accurately is a cornerstone of the judiciary. Policies and practices that deny LEP persons meaningful access to the courts undermine that cornerstone. They may also place state courts in violation of long-standing civil rights requirements. Title VI of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000d *et seq.* (Title VI), and the Omnibus Crime Control and Safe Streets Act of 1968, as amended, 42 U.S.C. § 3789d(c) (Safe Streets Act), both prohibit national origin discrimination by recipients of federal financial assistance. Title VI and Safe Streets Act regulations further prohibit recipients from administering programs in a manner that has the effect of subjecting individuals to discrimination based on their national origin. *See* 28 C.F.R. §§ 42.104(b)(2), 42.203(e).

The Supreme Court has held that failing to take reasonable steps to ensure meaningful access for LEP persons is a form of national origin discrimination prohibited by Title VI regulations. *See Lau v. Nichols*, 414 U.S. 563 (1974). Executive Order 13166, which was issued in 2000, further emphasized the point by directing federal agencies to publish LEP guidance for their financial assistance recipients, consistent with initial general guidance from DOJ. *See* 65 Fed. Reg. 50,121 (Aug. 16, 2000). In 2002, DOJ issued final Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons. 67 Fed. Reg. 41,455 (June 18, 2002) (DOJ Guidance). The DOJ Guidance and subsequent technical assistance letters from the Civil Rights Division explained that court systems receiving federal financial assistance, either directly or indirectly, must provide meaningful access to LEP persons in order to comply with Title VI, the Safe Streets Act, and their implementing regulations. The federal requirement to provide language assistance to LEP individuals applies notwithstanding conflicting state or local laws or court rules.

- 2 -

Despite efforts to bring courts into compliance, some state court system policies and practices significantly and unreasonably impede, hinder, or restrict participation in court proceedings and access to court operations based upon a person's English language ability. Examples of particular concern include the following:

1. Limiting the types of proceedings for which qualified interpreter services are provided by the court. Some courts only provide competent interpreter assistance in limited categories of cases, such as in criminal, termination of parental rights, or domestic violence proceedings. DOJ, however, views access to *all* court proceedings as critical. The DOJ Guidance refers to the importance of meaningful access to courts and courtrooms, without distinguishing among civil, criminal, or administrative matters. *See* DOJ Guidance, 67 Fed. Reg. at 41,462. It states that "every effort should be taken to ensure competent interpretation for LEP individuals during *all* hearings, trials, and motions," *id.* at 41,471 (emphasis added), including administrative court proceedings. *Id.* at 41,459, n.5.

Courts should also provide language assistance to non-party LEP individuals whose presence or participation in a court matter is necessary or appropriate, including parents and guardians of minor victims of crime or of juveniles and family members involved in delinquency proceedings. Proceedings handled by officials such as magistrates, masters, commissioners, hearing officers, arbitrators, mediators, and other decision-makers should also include professional interpreter coverage. DOJ expects that meaningful access will be provided to LEP persons in all court and court-annexed proceedings, whether civil, criminal, or administrative including those presided over by non-judges.

2. Charging interpreter costs to one or more parties. Many courts that ostensibly provide qualified interpreters for covered court proceedings require or authorize one or more of the persons involved in the case to be charged with the cost of the interpreter. Although the rules or practices vary, and may exempt indigent parties, their common impact is either to subject some individuals to a surcharge based upon a party's or witness' English language proficiency, or to discourage parties from requesting or using a competent interpreter. Title VI and its regulations prohibit practices that have the effect of charging parties, impairing their participation in proceedings, or limiting presentation of witnesses based upon national origin. As such, the DOJ Guidance makes clear that court proceedings are among the most important activities conducted by recipients of federal funds, and emphasizes the need to provide interpretation free of cost. Courts that charge interpreter costs to the parties may be arranging for an interpreter's presence, but they are not "providing" the interpreter. DOJ expects that, when meaningful access requires interpretation, courts will provide interpreters at no cost to the persons involved.

- 3 -

3. Restricting language services to courtrooms. Some states provide language assistance only for courtroom proceedings, but the meaningful access requirement extends to court functions that are conducted outside the courtroom as well. Examples of such court-managed offices, operations, and programs can include information counters; intake or filing offices; cashiers; records rooms; sheriff's offices; probation and parole offices; alternative dispute resolution programs; *pro se* clinics; criminal diversion programs; anger management classes; detention facilities; and other similar offices, operations, and programs. Access to these points of public contact is essential to the fair administration of justice, especially for unrepresented LEP persons. DOJ expects courts to provide meaningful access for LEP persons to such court operated or managed points of public contact in the judicial process, whether the contact at issue occurs inside or outside the courtroom.

4. Failing to ensure effective communication with court-appointed or supervised personnel. Some recipient court systems have failed to ensure that LEP persons are able to communicate effectively with a variety of individuals involved in a case under a court appointment or order. Criminal defense counsel, child advocates or guardians *ad litem*, court psychologists, probation officers, doctors, trustees, and other such individuals who are employed, paid, or supervised by the courts, and who are required to communicate with LEP parties or other individuals as part of their case-related functions, must possess demonstrated bilingual skills or have support from professional interpreters. In order for a court to provide meaningful access to LEP persons, it must ensure language access in all such operations and encounters with professionals.

DOJ continues to interpret Title VI and the Title VI regulations to prohibit, in most circumstances, the practices described above. Nevertheless, DOJ has observed that some court systems continue to operate in apparent violation of federal law. Most court systems have long accepted their legal duty under the Americans with Disabilities Act (ADA) to provide auxiliary aids and services to persons with disabilities, and would not consciously engage in the practices highlighted in this letter in providing an accommodation to a person with a disability. While ADA and Title VI requirements are not the same, existing ADA plans and policy for sign language interpreting may provide an effective template for managing interpreting and translating needs for some state courts.

Language services expenses should be treated as a basic and essential operating expense, not as an ancillary cost. Court systems have many operating expenses – judges and staff, buildings, utilities, security, filing, data and records systems, insurance, research, and printing costs, to name a few. Court systems in every part of the country serve populations of LEP individuals and most jurisdictions, if not all, have encountered substantial increases in the number of LEP parties and witnesses and the diversity of languages they speak. Budgeting adequate funds to ensure language access is fundamental to the business of the courts.

- 4 -

We recognize that most state and local courts are struggling with unusual budgetary constraints that have slowed the pace of progress in this area. The DOJ Guidance acknowledges that recipients can consider the costs of the services and the resources available to the court as part of the determination of what language assistance is reasonably required in order to provide meaningful LEP access. *See id.* at 41,460. Fiscal pressures, however, do not provide an exemption from civil rights requirements. In considering a system's compliance with language access standards in light of limited resources, DOJ will consider all of the facts and circumstances of a particular court system. Factors to review may include, but are not limited to, the following:

- The extent to which current language access deficiencies reflect the impact of the fiscal crisis as demonstrated by previous success in providing meaningful access;
- The extent to which other essential court operations are being restricted or defunded;
- The extent to which the court system has secured additional revenues from fees, fines, grants, or other sources, and has increased efficiency through collaboration, technology, or other means;
- Whether the court system has adopted an implementation plan to move promptly towards full compliance; and
- The nature and significance of the adverse impact on LEP persons affected by the existing language access deficiencies.

DOJ acknowledges that it takes time to create systems that ensure competent interpretation in all court proceedings and to build a qualified interpreter corps. Yet nearly a decade has passed since the issuance of Executive Order 13166 and publication of initial general guidance clarifying language access requirements for recipients. Reasonable efforts by now should have resulted in significant and continuing improvements for all recipients. With this passage of time, the need to show progress in providing all LEP persons with meaningful access has increased. DOJ expects that courts that have done well will continue to make progress toward full compliance in policy and practice. At the same time, we expect that court recipients that are furthest behind will take significant steps in order to move promptly toward compliance.

The DOJ guidance encourages recipients to develop and maintain a periodically-updated written plan on language assistance for LEP persons as an appropriate and cost-effective means of documenting compliance and providing a framework for the provision of timely and reasonable language assistance. Such written plans can provide additional benefits to recipients' managers in the areas of training, administering, planning, and budgeting. The DOJ Guidance goes on to note that these benefits should lead most recipients to document in a written LEP plan their language assistance services, and how staff and LEP persons can access those services. In court systems, we have found that meaningful access inside the courtroom is most effectively implemented in states that have adopted a court rule, statute, or administrative order providing for universal, free, and qualified court interpreting. In addition, state court systems that have strong leadership and a designated coordinator of language services in the office of the court administrator, and that have identified personnel in charge of ensuring language access in each courthouse, will more likely be able to provide effective and consistent language access for LEP

individuals. Enclosed, for illustrative purposes only, are copies of Administrative Order JB-06-3 of the Supreme Judicial Court of Maine, together with the September 2008 Memorandum of Understanding between that court and DOJ. Also enclosed for your information is a copy of "Chapter 5: Tips and Tools Specific to Courts" from DOJ, *Executive Order 13166 Limited English Proficiency Document: Tips and Tools from the Field* (2004).

The Office of Justice Programs provides Justice Assistance Grant funds to the states to be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and criminal justice information systems that will improve or enhance criminal justice programs including prosecution and court programs. Funding language services in the courts is a permissible use of these funds.

DOJ has an abiding interest in securing state and local court system compliance with the language access requirements of Title VI and the Safe Streets Act and will continue to review courts for compliance and to investigate complaints. The Civil Rights Division also welcomes requests for technical assistance from state courts and can provide training for court personnel. Should you have any questions, please contact Mark J. Kappelhoff, Acting Chief, Federal Coordination and Compliance Section (formally known as Coordination and Review Section) at (202) 307-2222.

Sincerely,

**3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.**

The FY 2025 budget includes appropriation authority for the statewide pay increase for employees, including two components:

- 3.2% pay increase for employees; and,
- Tenure-based retention plan for direct care and essential shift staff working in certain congregate care facilities. This would provide a 1% salary increase for every two years of continuous service and would cap out at 10% for 20 years of service.

**4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)**

The appropriated amount for the Fiscal Year 2025 pay plan was based on an 3.2% pay increase for employees, and providing a tenure-based retention plan for direct care staff and essential shift staff working in certain congregate care facilities to address high rates of turnover and vacancy.

**5. BREAK DOWN THE REQUEST BY BUDGET OBJECT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.**

**3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.**

According to the state's vendor for the compensation study, organizations that want to stay competitive in the market place "strive to compensate employees at the median of the competitive labor market". Obtaining a competitive pay structure will help the judiciary reduce turnover and meet its goal to maintain a more experienced and productive workforce. Pay increases for judiciary staff in FY17, FY19, and FY20, and for court clerks in FY18 and FY20 have improved the judiciary's effort to remain competitive in the workforce. However, in FY18, only court clerks received an increase, and in FY21, no staff received increases. Progress has been made with the appropriations in FY22, FY23, and FY24 to move salaries closer to target, but additional funding is needed to reach the target levels under the study. Currently, the vast majority of judiciary staff remain below their market-based competitive salary. This hinders the judiciary's efforts to remain competitive in recruiting and retaining an experienced workforce.

**4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)**

The judiciary's goal is to fund salaries at a competitive range to maintain an experienced and productive workforce. This would raise salaries for employees whose current salary is below their target.

Since statutory staff were not included in this request, statutory staff would need to be included in a statewide pay plan.

According to the state's vendor for the compensation study, organizations that want to stay competitive in the market place "strive to compensate employees at the median of the competitive labor market". Obtaining a competitive pay structure will help the judiciary reduce turnover and meet its goal to maintain a more experienced and productive workforce. Pay increases for judiciary staff in FY17, FY19, and FY20, and for court clerks in FY18 and FY20 have improved the judiciary's effort to remain competitive in the workforce. However, in FY18, only court clerks received an increase, and in FY21, no staff received increases. Progress has been made with the appropriations in FY22, FY23, and FY24 to move salaries closer to target, but additional funding is needed to get to the target levels under the study. Currently, the vast majority of judiciary staff remain below their market based competitive salary. This hinders the judiciary's efforts to remain competitive in recruiting and retaining an experienced workforce.

Like the Capitol and Governor's Mansion, the Supreme Court Building is one of the historic landmarks within the capital city. The building, which is older than the Capitol, houses a 6,000 square-foot library that is designated as the state law library by statute (Chapter 180). This feature of the Court needs repair to falling plaster and work on its historic ceiling and laylights. This request could be in HB 18 capital improvements or in HB 12 with capital improvement language.

The Supreme Court building is one of the historic buildings in the Capitol Complex. It was built with the proceeds of the 1904 World's Fair in St. Louis and opened in 1907. The building was built to not only house the offices of the Attorney General and the Supreme Court, but to also provide a residence for the judges when they stay in Jefferson City. The building is open to the public and more than 20,000 visitors tour the building each year. Due to the age and usage, repairs and restoration are needed for each floor of the building. In addition, work to restore the building to its original historical look is desired. Specific projects would include a historical study of the building, plaster repair, painting, wood restoration, cleaning and restoration of the original tile mosaic floors, electrical upgrades, and other safety and structural replacements and improvements. This request could be in HB 18 capital improvements or in HB 12 with capital improvement language.

In FY17, the legislature moved personal services from general revenue to the federal fund to have the judiciary spend down the fund balance. The federal fund balance is now at a level that can no longer sustain the personal services. This request is to replace that core funding for 21 FTE reallocated from the federal fund to general revenue.

Since 2015, the judiciary has been working to bring municipal divisions from their own isolated systems onto the single statewide system for circuit courts. In fiscal year 2024, all municipal divisions have switched to the statewide system, joined another municipality on the statewide system, or sent their cases to the associate divisions (which are on the statewide system). This change provides uniformity in court processes, enhances Supreme Court oversight, fosters accountability of municipalities, enables wider public access to court records, and creates greater efficiencies. This change also increases the number of judiciary users needing support in their case processing, financial transactions, bank reconciliations, and similar issues. Additional FTE and funding are needed to continue the support of municipal divisions.

Like the Capitol and Governor’s Mansion, the Supreme Court building is one of the historic landmarks within the capital city. The building, which is older than the Capitol, houses a 6,000 square-foot library that is designated as the state law library by statute (Chapter 180). This feature of the Court needs repair to falling plaster and work on its historic ceiling and laylights. In addition, the library is a central feature in the numerous tours given to school children and other Missourians throughout the year. In order to provide more substantive content, the Court would use this money to upgrade the tours via interactive teaching tools to help educate visitors on not only Missouri history, but also the fundamentals of the rule of law. This request could be in HB 18 capital improvements or in HB 12 with capital improvement language.

**2. WHY IS THIS SUPPLEMENTAL FUNDING NEEDED? INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.**

The Supreme Court building is one of the historic buildings in the Capitol Complex. It was built with the proceeds of the 1904 World's Fair in St. Louis and opened in 1907. The building was built to not only house the offices of the Attorney General and the Supreme Court, but to also provide a residence for the judges when they stay in Jefferson City. The building is open to the public and more than 20,000 visitors tour the building each year. Due to the age and usage, repairs and restoration are needed for each floor of the building. In addition, work to restore the building to its original historical look is desired. Specific projects would include a historical study of the building, plaster repair, painting, wood restoration, cleaning and restoration of the original tile mosaic floors, electrical upgrades, and other safety and structural replacements and improvements. This request could be in HB 18 capital improvements or in HB 12 with capital improvement language.

**2. CORE DESCRIPTION**

Article V, section 25(d) of the Missouri Constitution establishes the Appellate Judicial Commission, whose duty it shall be to nominate candidates for vacancies on the Supreme Court of Missouri and the Missouri Court of Appeals. This constitutional mandate includes the election of an attorney to serve on the commission, conducted in one of the three districts of the Missouri Court of Appeals on a rotating basis, every two years. The most recent election was conducted in FY22, and the next election will be in FY24. The commission meets only when a vacancy occurs and it is necessary to make nominations to the Governor. Commission members do not receive salaries, but funds are needed to pay travel and operating expenses necessary for the work of the commission.

**2. CORE DESCRIPTION**

The court improvement projects' core budget provides the appropriation authority to accept and expend a variety of grants and other monies for programs and services provided to the public by the Missouri judiciary. The grant programs are focused on fulfilling mandates and developing new ways to make the judicial branch more effective and responsive to the needs of Missouri citizens. Initiatives promote safety for Missouri families by addressing specific problems, such as improved processing of child abuse and neglect cases and automation of criminal history information and adult protection orders.

**3. PROGRAM LISTING (list programs included in this core funding)**

Basic Civil Legal Services (BCLS). In FY22, over \$125 million from punitive damages awarded in talc litigation in Missouri was transferred from the Tort Victims Compensation Fund into the BCLS. This represents the largest single payment into the BCLS, and this funding was paid to legal service organizations.

**2. CORE DESCRIPTION**

Statutorily created, the fundamental strategic goal of the statewide court automation project is to build and sustain "an integrated court system that renders geography largely irrelevant...with greater efficiency, wider access, and enhanced accountability" for the litigant and taxpayer. This plan includes installation and ongoing development of Show-Me Courts, Show-Me Jury, Case.net, eFiling, Track This Case, Pay-By-Web, eBench, and other software packages.

**2. CORE DESCRIPTION**

Judicial education serves to orient employees to a complex set of laws and procedures, all of which must be understood and followed if litigants are to have their cases resolved fairly and expeditiously. Judicial education plays a major role in updating the knowledge and skills for over 5,000 state, county and municipal judicial branch employees, including front-line workers such as juvenile officers, detention workers and court clerks, and municipal division employees. The judicial employees have no other means to acquire the information to discharge day-to-day job responsibilities. Judicial education packages courses and programs of study that are tailored to meet the specific needs of new as well as experienced court personnel. These courses and programs are designed to satisfy standards mandated by federal and state statute and Supreme Court Rules.

### Department of Correction Cost Avoidance for Video Court Proceedings

**Sustain and expand technology services that render geography largely irrelevant, with greater efficiency, wider access, and enhanced accountability for the litigant and taxpayer.**

- Maintain and support the computers, servers, websites, information systems, and technologies required to operate all Missouri courts by connecting 341 servers and 536 routers and switches in 224 locations, which allows more than 5,000 judiciary employees to share electronic information on one network and with other state systems.
- Develop and implement Show-Me Courts Enhanced Traffic and Ordinance and Show-Me Jury in the circuit courts, including the municipal divisions.
- Support Missouri Case.net, which averages 118,549,005 hits monthly, and more than 1.4 billion hits yearly.
- Add "Track This Case" to Case.net, which improves service by allowing citizens to receive an email or text about events in a particular case of interest. Currently, 337,681 users are registered with an average of 5,666 new users signing up each month.
- Generate more than 25 million eNotices and eService emails in fiscal year 2023 through the Missouri eFiling system.
- Allow lawyers to use existing electronic court records to compile a legal file instead of paper records in the appellate courts. The Public Defenders Office is a significant beneficiary of the legal file functionality, saving the Public Defenders time and expense in their appellate filings. Postage costs are also saved due to this implementation. Taxpayer dollars are saved by eliminating the need for circuit court personnel to be involved in the process and citizens pay less in attorney fees for preparation of the legal file. The Missouri eFiling System processed 1,482 system-generated legal file filings during fiscal year 2023.
- Support video conferencing technology that allows an offender to appear before a judge for arraignment without ever leaving a secure facility. This reduces the need for transportation to court and security personnel, and increases secure containment of offenders, all of which enhance the safety of court personnel and the general public. Video Conferencing allows cost savings to county jails for not having to hold inmates while on a trip for a court appearance. Mental health hearings also use video conferencing statewide, realizing savings in time and money more productively spent on patient care.
- Develop, deploy, and maintain automated interfaces to share data with the highway patrol; attorney general's office; local prosecuting attorneys; and departments of revenue, social services, and health and senior services. Shared data populates other automated systems and meets federal and state reporting guidelines, such as criminal history and traffic disposition reporting.

# Judicial Education Activity

### Activities by Delivery Method

More than 6,325 state, county, and municipal judicial branch employees rely on new or continuing education and skills training funded by the Judicial Education and Training Fund. Citizens are best served when clerks, judges, and juvenile staff are well-educated and trained.

From front-line workers such as juvenile officers, detention workers, and court clerks, to municipal division employees, judicial education provides courses and programs of study tailored to meet the specific needs of both new and experienced court personnel. These courses and programs are designed to satisfy standards mandated by federal and state statutes and by Supreme Court rules. Courses provided included the following:

- New juvenile officer training
- Child abuse and neglect training
- Case planning and assessment
- Fundamental skills and safety for the juvenile justice professional
- Fundamental skills for detention staff faculty development
- Court clerk college
- New clerk orientation
- Case processing
- Case management software
- Jury management software
- Child support software
- Judicial College
- New judge orientation
- Trial skill seminars

## Basic Civil Legal Services

### Provides funding for the Legal Aid programs

- The Basic Civil Legal Services Fund, passed in SB 447 (2003), section 477.650, RSMo., funds the work of Missouri's four Legal Aid programs, which provide access to the civil justice system to low-income Missourians (who live at or below 125% of Federal Poverty Level) to protect their fundamental legal rights.
- One of the focuses of the Legal Aid programs is to ensure that adults and children have access to medical care through the MoHealthNet system. Access to these benefits reduces the number of emergency room visits and the cost of medical care for everyone.
- Legal Aid staff win over 85% of the cases they bring to obtain access to medical care for their clients.
- There are four regional Legal Aid offices: Kansas City, St. Louis, Columbia and Springfield.
- In FY22, over \$125 million from punitive damages awarded in talc litigation in Missouri was transferred from the Tort Victims Compensation Fund into the BCLS. This represents the largest single payment into the BCLS, and this funding was paid to legal service organizations.

**2. CORE DESCRIPTION**

The constitutional provisions establishing the parameters and responsibilities of the Missouri judicial system reflect the basic recognition of the need for a fair and timely system of justice for Missouri citizens. The constitution and statutes of Missouri charges the Missouri Court of Appeals, Western District, with appellate and original jurisdiction over cases that arise in 45 counties, of northern, central, and western Missouri. In addition to its headquarters in downtown Kansas City, the Western District regularly holds court in locations throughout its 45 counties, including Missouri Western State University; University of Central Missouri; Westminster College; William Jewell College; William Woods University; Truman State University; University of Missouri, Kansas City; University of Missouri, Columbia; Northwest Missouri State University; Columbia College; and Lincoln University. On average, the Western District hears cases at 10-15 traveling dockets per year. Twelve of the state's 21 correctional institutions are located in the Western District, which results in a large percentage of the writs regularly filed by inmates. In addition, Cole County is within the geographical jurisdiction of this court. Hence, appeals include virtually all cases for expedited elections matters; the Public Service Commission, the Labor and Industrial Relations Commission, the Administrative Hearing Commission, the Missouri Department of Transportation, and the Missouri Gaming Commission. Many of these appeals involve review of complicated and complex evidentiary and legal issues, requiring a great deal more judicial time than the average appeal. A total of 2,476 motions were filed in the Western District in FY 2023. Many of these presented novel, vexing, and unique problems because the center of state government and most of the state's correctional institutions are located in the Western District.

**2. CORE DESCRIPTION**

The constitution and statutes of Missouri confer upon the Missouri Court of Appeals, Eastern District jurisdiction over 25 counties and the City of St. Louis containing 41 percent of the state's population. All citizens within this area have an automatic right of appeal from all final judgments in civil and criminal cases to the Eastern District, except those within the exclusive jurisdiction of the Supreme Court. The court hears 47 percent of all appeals filed in the state. The Eastern District includes six correctional facilities containing more than one-third of the state's inmate population and five centers run by the Missouri Department of Mental Health creating a continuing source of petitions for writs and appeals. In order to carry out its mandate to hear and decide cases, the court also operates the clerk's office, the library, and provides security. The court endeavors to make the appellate process visible to all geographic areas of the Eastern District by holding sessions of court not only at its headquarters in St. Louis, but at more than 20 different courthouses and schools throughout the Eastern District, including Southeast Missouri State University, Lindenwood University, University of Missouri at St. Louis, Harris Stowe University, Hannibal, Jackson, Farmington, Hillsboro, St. Charles, Troy, Bowling Green, Montgomery City, Warrenton, Mexico, New London, and many other locations.

**2. CORE DESCRIPTION**

The constitution and statutes of Missouri confer upon the Missouri Court of Appeals, Southern District, general appellate jurisdiction and general superintending control over all courts and tribunals within a 44-county territory across southern Missouri, as well as jurisdiction to review actions of administrative agencies as provided by law. The district's territory includes more than 38 percent of all counties of the state. By law, the southern district has seven judges, which is less than 22 percent of all judges of the court of appeals. The district's principal offices and courtroom are in the city of Springfield in Greene County, but it also has chambers and a courtroom in Poplar Bluff in Butler County in order to fulfill its duties under section 477.220, RSMo, to hold sessions of court in Poplar Bluff. The southern district endeavors to provide greater public access to the court's proceedings by holding oral arguments at schools, courthouses, and other sites throughout the district.

2023 Appeals

In addition to handling cases filed in our courts, appellate judges are actively involved in improving the efficient and effective administration of justice throughout the state.

- Missouri’s appellate judges contribute to judicial effectiveness through participation in and leading a number of statutory and Supreme Court committees, commissions, and taskforces, which are designed to promote the administration of justice. These include: Missouri Court Automation Committee, State Judicial Records Committee, Judicial Education Committee, Appellate and Civil Rule committees, Committee on Criminal Procedures and Instructions, Commission on Racial and Ethnic Fairness, Civil Education Committee, Joint Commission on Women in the Profession, Family Law Committee, Commission on Retirement, Removal and Discipline, and Commission on Civil Justice Reform. Furthermore, Missouri appellate judges serve on national committees and in organizations that seek to improve the administration of justice beyond the borders of our state, including the National Center for Courts and the National Conference of Bar Examiners.

- Missouri’s appellate judges provide free and frequent civic education by speaking at community, civic, legal, and educational functions. This public outreach complements access to the courts initiatives such as Case.net and Track This Case.

- In 2012, through the efforts of the judges, court staff, and representatives of the Office of State Courts Administrator, the three districts of the Court of Appeals implemented electronic filing. Since that time, we have continued to improve and refine the electronic filing system. For example, we have added popular features like “Track This Case,” which allows approximately 100,000 citizens to follow cases of interest. In January 2018, we also implemented a new system that allows lawyers to use existing court records to electronically compile a legal file without having to copy and scan certified paper records. This saves taxpayers dollars by eliminating the need for circuit court personnel to assist in this process, and it reduces attorney’s fees by dramatically decreasing the time to prepare a legal file.

- The chief judge of the Western District chairs the 6th, 7th and 16th Judicial Circuit commissions. The chief judge of the Eastern District chairs the 21<sup>st</sup> and 22nd Judicial Circuit commissions. The chief judge of the Southern District chairs the 31st Judicial Circuit Commission. These commissions submit panels to the Governor for appointment of associate and circuit court judges for the respective circuits.

- To increase accessibility to the judicial process, the three districts of the Court of Appeals conduct special dockets at dozens of locations outside of our respective courthouses. These dockets are conducted at colleges, universities, law schools, county courthouses, and other public places in our communities. The goal is to serve the needs of our citizens who would not otherwise have the opportunity to see their appellate court in action.

**2. CORE DESCRIPTION**

Article V, section 1 of the Missouri Constitution establishes the circuit courts as the trial court system of the state. Per statute, there are 46 circuits, each of which is composed of anywhere from one to five counties. The circuit court is organized into divisions: circuit, associate, family, juvenile, municipal, and probate. The state is required to pay the salaries of most circuit court personnel, excluding municipal division employees. Salaries set by statute make up a large portion of the total personal service dollars requested. Sections 478.017 and 485.090, RSMo, require the state to pay case-related travel expenses for judges and court reporters. State funding for interpreters for the hearing impaired and those who speak a foreign language that are parties or witnesses in a criminal proceeding is required by §476.806, RSMo. In addition, the state is responsible for some legal and other necessary expenses as designated in statute.

It includes the implementation of an on-going collaborative “team” approach to implement, at local level, system reforms designed to improve safety and permanency outcomes for children in foster care. Participation is voluntary and funding is provided through the State Court Improvement Program Grants (Family Court Committee, 2014).

**2. CORE DESCRIPTION**

Article V, section 24(2) of the Missouri Constitution requires the retirement of a judge who is found to be unable to perform his or her duties because of permanent sickness or a physical or mental infirmity. Under article V, section 24(3) of the Missouri Constitution, a judge may be reprimanded, disciplined, suspended, or removed for misconduct or incompetence in office.

Under Missouri Supreme Court Rule 12, the Commission on Retirement, Removal and Discipline must investigate all complaints and requests except those which are obviously unfounded or without merit.

The commission consists of two citizens (non-lawyers) appointed by the Governor, two lawyers appointed by the governing body of the Missouri Bar, one judge of the court of appeals chosen by a majority of the court's judges, and one circuit judge selected by a majority of the state's circuit judges. The number of judges under the commission's jurisdiction is approximately 750. An administrator/counsel, a part-time investigator, and clerical support enable the commission to perform its constitutional responsibilities.
