October 1, 2023

Dear Governor Parson:

In September 2023 the Missouri Behavioral Health Council hosted its tenth annual conference for behavioral health practitioners. Missouri State Public Defender was proud to be part of the conference and to share information with the behavioral health community on MSPD's new holistic defense initiative. MSPD's Holistic Defense Services (HDS) initiative, the largest initiative of its kind in the country, focuses on understanding and addressing the root causes of our clients' criminal legal system involvement to reduce incarceration and recidivism, with the ultimate goal of providing our clients, their families, and their communities with a healthier and safer environment.

For decades MSPD has talked about the need for sufficient resources to have the capacity to handle the cases of all those eligible for MSPD representation. MSPD has been a leader in identifying the parameters of effective representation and in advocating for those additional resources. After a delay, the National Public Defense Workload Standards, a joint report of the American Bar Association Standing Committee on Legal Aid and Indigent Defense, the National Center for State Courts, the Rand Corporation and Lawyer Hanlon, was released on September 12, 2023. The report uses the best methodology to provide guidance on reasonable caseload capacity for public defender systems. MSPD has made great strides in moving towards that reasonable caseload capacity and will continue to work towards meeting the standard of constitutional

representation. I believe that part of our work is in identifying ways MSPD can reduce the number of clients who find themselves system involved. The Holistic Defense Initiative is one of those ways. MSPD has obtained funding to evaluate the success of this initiative. That success is best measured in the transformed lives of the clients served by HDS who return to the community able to work and to parent their children. Funded in large part through grants, MSPD hopes to grow this initiative to be a national success story for Missouri and its commitment to indigent defense.

In FY 2023 MSPD attorneys and staff continued their important and honorable work, handling over 80,000 cases throughout the year. The increase in compensation provided by the Legislature and Governor have been helpful in retaining our experienced attorneys, recruiting new members of the profession, and encouraging former public defenders to return to our mission. The combination of increased compensation and decreased caseloads will allow MSPD to better fulfill its constitutional obligation of providing high quality, zealous defense to the indigent accused. During this sixtieth anniversary year of *Gideon v. Wainwright*, I am honored every day to continue this work in Missouri and to work alongside the almost seven hundred members of Missouri State Public Defender.

With appreciation for the support of your office and the General Assembly, I submit this request for our FY 2025 budget.

Sincerely,

Mary Fox
Director

PROGRAM DESCRIPTION

Department: Missouri State Public Defender

HB Section(s): HB 12.400

Program Name: Public Defender

Program is found in the following core budget(s):

**This program is found in all MSPD core budgets.
MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime.**

1a. What strategic priority does this program address?

The single overriding goal of the Missouri State Public Defender is to provide effective criminal defense representation for its clients fulfilling the State's constitutional mandate to provide legal representation to the poor charged with criminal offenses who are unable to retain counsel on their own. Strategies to accomplish this mission have been identified and implemented with continued refinements to enhance productivity and efficiencies, reducing costs and eliminating waste in the processes and operations that deliver such services, without sacrificing the constitutionally mandated quality representation.

1b. What does this program do?

The Missouri State Public Defender (MSPD) is a statewide system that provides legal representation to poor persons who are accused or convicted of state crimes. That representation occurs in Missouri's trial, and appellate courts, as well as in the United States Supreme Court. MSPD'S representation of eligible applicants fulfills the state's constitutional mandate to provide counsel pursuant to the Sixth Amendment of the United States Constitution and Article I, Section 18 of the Missouri Constitution.

MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime.**

2a. Provide an activity measure(s) for the program.

MSPD tracks both intake of new cases and resolution of disposed cases. MSPD also tracks outcomes of those cases. Many cases take more than a year from assignment to disposition and many more do not fall neatly, start to finish, within a single fiscal year. The chart reflects the reality that no lawyer begins the fiscal year with an empty file drawer. At the start of FY2023, Missouri's Trial Division public defenders had over 30,316 pending cases already on their desks, to which another 56,529 new cases were assigned over the course of the fiscal year.

MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime.**

2b. Provide a measure(s) of the program's quality.

MSPD provides representation to the majority of persons facing criminal charges in Missouri's courts. Each eligible applicant is assigned to an individual Assistant Public Defender who is responsible for the representation of the client. MSPD measures incoming cases by charges filed by the State and jurisdiction in which the charges are pending. MSPD measures disposition of the cases by the final outcome of the case; i.e. trial, guilty plea, dismissal, etc. Any case which results in a conviction is eligible for post conviction review by both circuit and appellate courts. MSPD is generally responsible for providing representation in those cases also.

MSPD has only one mission and only one program - to provide

2c. Provide a measure(s) of the program's impact.

As noted above, MSPD is the independent statutory department that provides legal representation at the public expense to any eligible applicant as required by the Sixth Amendment of the United States Constitution and Article I, Section 18 of the Missouri Constitution. Missouri's criminal courts would come to a standstill without MSPD. At any time, MSPD is the defense attorney of record in the majority of criminal cases pending in those courts.

2d. Provide a measure(s) of the program's efficiency.

There are three primary measures of effectiveness applicable to the Missouri State Public Defender System:

- (1) **Case Law:** Through cases ruled upon by the United States Supreme Court, the Missouri Supreme Court and Courts of Appeal, specific standards of what does or does not constitute effective assistance of counsel in the representation of a criminal defendant have evolved. Where an attorney is found by the court to have failed to meet those standards, any conviction of the defendant must be set aside.
- (2) **Missouri Rules of Professional Responsibility** are established by the Missouri Supreme Court and applicable to every attorney licensed to practice law within the State of Missouri. The Rules set out what is expected from a competent, professional attorney and are enforced by the Missouri Supreme Court through its Office of Chief Disciplinary Counsel. Failure to comply with these rules can result in actions being taken against the attorney's license, ranging from a formal reprimand up to and including permanent disbarment from the right to practice law within the state.
- (3) **MSPD Guidelines for Representation** adopted by the Missouri State Public Defender Commission, which set out the Commission's expectations of its attorneys in order to meet the above standards for effective representation of clients served by Missouri Public Defenders.

FLEXIBILITY REQUEST FORM

BUDGET UNIT NUMBER: 15111C	DEPARTMENT: Missouri State Public Defender
BUDGET UNIT NAME: Office of the State Public Defender - Legal Services	
HOUSE BILL SECTION: 12.400	DIVISION: Director's Office - Legal Services

1. Provide the amount by fund of personal service flexibility and the amount by fund of expense and equipment flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed. If flexibility is being requested among divisions, provide the amount by fund of flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed.

DEPARTMENT REQUEST

As in previous years, the Missouri State Public Defender is requesting full flexibility in our legal services appropriations. (Appropriation 0911, 0912 and 8727). Due to the turnover of attorney positions, the number of conflicts and the overload of cases, it is frequently necessary to transfer cases from state employees (Appropriation 0911) to private counsel who can be compensated from appropriation 0912 or 8727. It is also necessary to transfer vacancy savings dollars from the personal services appropriation to the expense and equipment appropriation to cover appropriation shortfalls in case litigation expenses and increasing office expenses such as travel, postage, equipment maintenance and network charges.

2. Estimate how much flexibility will be used for the budget year. How much flexibility was used in the Prior Year Budget and the Current Year Budget? Please specify the amount.

PRIOR YEAR ACTUAL AMOUNT OF FLEXIBILITY USED	CURRENT YEAR ESTIMATED AMOUNT OF FLEXIBILITY THAT WILL BE USED	BUDGET REQUEST ESTIMATED AMOUNT OF FLEXIBILITY THAT WILL BE USED
\$3,856,193	\$3,000,000	\$3,000,000

3. Please explain how flexibility was used in the prior and/or current years.

PRIOR YEAR EXPLAIN ACTUAL USE	CURRENT YEAR EXPLAIN PLANNED USE
\$3,856,193 was transferred from personal service (0911) to expense & equipment (0912). In FY23 the transferred money was used for private counsel for conflict and overload cases and to cover the shortfalls of our expense and equipment appropriation.	Flexibility will be utilized to best meet the caseload demands of the Missouri State Public Defender. Dollars from personal service vacancy savings could be used to meet the costs of operating the local offices or to contract out cases to private counsel as the need arises or to pay for increasing necessary litigation expenses.

This decision item will allow the appropriation of the new resources authorized by the amendment for MSPD services.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

Missouri State Public Defender intends to allocate its share of Amendment 3 funds primarily to support its Case Contracting Division. The primary purpose of the Case Contracting division is to provide conflict-free counsel all over the state when clients in an office have cases that are related in such a way that representing both clients creates an ethical conflict of interest. Additionally, Case Contracting manages contract attorneys, who provide relief to counties facing a high volume of cases and a shortage of MSPD counsel due to unfilled vacancies. The need for case contracting has been steadily growing in recent years and these funds will supplement the current budget for Case Contracting.

These funds will also support holistic programming and training to ensure clients are successfully reintegrated into their communities. Client Advocates will be contracted to assist attorneys in developing release plans and providing mitigation advocacy on trial level cases. These services are proven to reduce pretrial incarceration as well as the occurrence and length of prison sentences, particularly for clients lacking connection to mental health services, substance use treatment, and stable housing, thereby reducing the burden on other state agencies. These services are also expected to have a positive impact on recidivism and public safety.

2. CORE DESCRIPTION

This appropriation was established to cover three types of expenses.

VIOLENT CRIMES: Payment of expenses associated with the defense of violent crimes, including those charged as sexually violent predators and death penalty cases.

LITIGATION EXPENSES: Litigation expenses are also paid out of the appropriation. these would include, but are not limited to, such things as mental health evaluations by experts, depositions, interpreters, medical records, transcriptions, exhibits, immigration consultations, fingerprint experts, handwriting analysis, etc. There has been no increase in funding for litigation expenses since fiscal year 1996.

CONFLICT CASES: A conflict requiring a case to be contracted out to private counsel occurs when there are multiple co-defendants charged in a particular incident. The co-defendants each require conflict free counsel who can investigate and negotiate the case independently, including any negotiation of testimony against another co-defendant.
