*Includes motor vehicle and marine titles issued.

2b. Provide a measure(s) of the program's quality.

The target for the number of days to issue a title is three days. The national average for original titles to be issued is three to four weeks after title application is received.

In FY22, the MVB issued 1,948,832 original motor vehicle and marine titles and 73% of those (1,422,647) were issued in 0-3 days.

In FY2021, MVB implemented an enhanced Interactive Voice Recognition (IVR) self service phone system which decreased the number of calls handled by a Call Center team member. In FY2022, approximately 41% of calls (183,513 of 447,147 total calls) received by the MVB were completed through the new IVR system. MVB maintains a remote customer service center to ensure calls are answered effectively. This process allows the Department to retain knowledgeable team members to assist our citizens.

The average wait time in call queue increased from FY2021 to FY2022 is due to low volume of applicants, staff shortages, and high turn over rates.

<p>The Department of Revenue is statutorily required to process new dealer applications within eight hours of receipt. In FY2022, the Department processed new dealer applications and met the statutory requirement.</p> <p>The Dealer renewal season in FY2022 began August 08, 2021 and 4,460 dealer renewal letters were issued.</p> <p>The Department receives complaints regarding licensed dealerships, and the bureau reviews the complaints, investigates, and takes the appropriate actions. If administration determines that the complaint needs further investigation, a case is opened and the Compliance and Investigation Bureau (CIB) audits and investigates the licensee. CIB and the MVB work together to ensure that the investigations are completed and disciplinary action is taken when necessary. If CIB finds that action needs to be taken, all parties involved are notified. In FY2022, 833 complaints had actions taken against them. Disciplinary actions can include a penalty assessment up to license revocation.</p> <p>This is an important and necessary process to ensure consumers are protected and that licensed dealers conduct business in accordance with the law.</p>
