Dear Governor Parson:

Just two short years ago over five thousand persons eligible for public defender representation languished in a judicial limbo awaiting the assignment of an attorney to provide them with their constitutionally entitled defense. Today there are no waiting lists for public defender services. That significant change is the result of the increased state funding for both attorney and support staff. Unfortunately, the increased funding, which should have moved Missouri much closer to the mark for constitutional caseloads, has coincided with *The Great Resignation* that has created difficulties in filling all of our authorized positions. With the flexibility built into the public defender budget, we have been able to work creatively to provide representation to eligible persons throughout the State. But the workload strain on individual attorneys, both in system and contract, continues and increases every day.

In FY 2022 MSPD was able to hire sixty-six new attorneys. That hiring success was offset by the departure of over seventy attorneys. Attorneys leaving MSPD typically leave behind over one hundred open cases, resulting in over 7,000 cases that were reassigned in system or contracted out to special contract public defenders. The addition of those cases to caseloads already over caseload capacity resulted in even more departures, both from in system positions and contract counsel positions. MSPD continues to focus on filling every available FTE so that we can fulfill our constitutional obligation. The pay increases provided in the last two fiscal years were gratefully received

and have assisted with both recruitment and retention. With ever increasing inflation, continued state wide pay raises will only further assist in our efforts to recruit and retain.

Missouri has been a leader in acknowledging public defender case capacity issues and in working to adequately resource indigent defense. Sixteen states have followed Missouri's lead by conducting studies to address their states' need for adequate resources for constitutional indigent defense. This year, National Public Defense Workload Standards, a joint report of the American Bar Association Standing Committee on Legal Aid and Indigent Defense, the National Center for State Courts, the Rand Corporation and Lawyer Hanlon, will be released. The report uses the best methodology to provide guidance on reasonable caseload capacity for public defender systems. Upon the publication of that report, MSPD will evaluate its current and future workloads and calculate future resource needs. With the continued support from the legislature and your office, I believe we can create a plan to determine and comply with reasonable caseload capacity for Missouri State Public Defender.

The work of Missouri State Public Defender is honorable, fundamental and essential to the fulfillment of the Sixth Amendment promise of effective representation for the poor. I am honored every day to work alongside the dedicated members of MSPD. It is with appreciation for the State's support of this work and renewed hope for the continued improvement of our State's public defense system that MSPD submits this FY 2024 budget request.

Sincerely,

Mary Fox
Director

PROGRAM DESCRIPTION

Department: Missouri State Public Defender

HB Section(s): HB 12.400

Program Name: Public Defender

Program is found in the following core budget(s):

**This program is found in all MSPD core budgets.
MSPD has only one mission and only one program - to provide
effective legal representation to indigent persons accused of crime.**

1a. What strategic priority does this program address?

The single overriding goal of the Missouri State Public Defender is to provide effective criminal defense representation for its clients fulfilling the State's constitutional mandate to provide legal representation to the poor charged with criminal offenses who are unable to retain counsel on their own. Strategies to accomplish this mission have been identified and implemented with continued refinements to enhance productivity and efficiencies, reducing costs and eliminating waste in the processes and operations that deliver such services, without sacrificing the constitutionally mandated quality representation.

1b. What does this program do?

The Missouri State Public Defender (MSPD) is a statewide system that provides legal representation to poor persons who are accused or convicted of state crimes. That representation occurs in Missouri's trial, and appellate courts, as well as in the United States Supreme Court. MSPD'S representation of eligible applicants fulfills the state's constitutional mandate to provide counsel pursuant to the Sixth Amendment of the United States Constitution and Article I, Section 18 of the Missouri Constitution.

This program is found in all MSPD core budgets.
MSPD has only one mission and only one program - to provide effective legal representation to indigent persons accused of crime.

2a. Provide an activity measure(s) for the program.

MSPD tracks both intake of new cases and resolution of disposed cases. MSPD also tracks outcomes of those cases. Many cases take more than a year from assignment to disposition and many more do not fall neatly, start to finish, within a single fiscal year. The chart reflects the reality that no lawyer begins the fiscal year with an empty file drawer. At the start of FY2022, Missouri's Trial Division public defenders had over 29,525 pending cases already on their desks, to which another 56,821 new cases were assigned over the course of the fiscal year.

2b. Provide a measure(s) of the program's quality.

MSPD provides representation to the majority of persons facing criminal charges in Missouri's courts. Each eligible applicant is assigned to an individual Assistant Public Defender who is responsible for the representation of the client. MSPD measures incoming cases by charges filed by the State and jurisdiction in which the charges are pending. MSPD measures disposition of the cases by the final outcome of the case; i.e. trial, guilty plea, dismissal, etc. Any case which results in a conviction is eligible for post conviction review by both circuit and appellate courts. MSPD is generally responsible for providing representation in those cases also.

2c. Provide a measure(s) of the program's impact.

As noted above, MSPD is the independent statutory department that provides legal representation at the public expense to any eligible applicant as required by the Sixth Amendment of the United States Constitution and Article I, Section 18 of the Missouri Constitution. Missouri's criminal courts would come to a standstill without MSPD. At any time, MSPD is the defense attorney of record in the majority of criminal cases pending in those courts.

2d. Provide a measure(s) of the program's efficiency.

There are three primary measures of effectiveness applicable to the Missouri State Public Defender System:

- (1) **Case Law:** Through cases ruled upon by the United States Supreme Court, the Missouri Supreme Court and Courts of Appeal, specific standards of what does or does not constitute effective assistance of counsel in the representation of a criminal defendant have evolved. Where an attorney is found by the court to have failed to meet those standards, any conviction of the defendant must be set aside.
- (2) **Missouri Rules of Professional Responsibility** are established by the Missouri Supreme Court and applicable to every attorney licensed to practice law within the State of Missouri. The Rules set out what is expected from a competent, professional attorney and are enforced by the Missouri Supreme Court through its Office of Chief Disciplinary Counsel. Failure to comply with these rules can result in actions being taken against the attorney's license, ranging from a formal reprimand up to and including permanent disbarment from the right to practice law within the state.
- (3) **MSPD Guidelines for Representation** adopted by the Missouri State Public Defender Commission, which set out the Commission's expectations of its attorneys in order to meet the above standards for effective representation of clients served by Missouri Public Defenders.

If flexibility is being requested among divisions, provide the amount by fund of flexibility you are requesting in dollar and percentage terms and explain why the flexibility is needed.	
DEPARTMENT REQUEST <p>As in previous years, the Missouri State Public Defender is requesting full flexibility in our legal services appropriations. (Appropriation 0911, 0912 and 8727). Due to the turnover of attorney positions, the number of conflicts and the overload of cases, it is frequently necessary to transfer cases from state employees (Appropriation 0911) to private counsel who can be compensated from appropriation 0912 or 8727. It is also necessary to transfer vacancy savings dollars from the personal service appropriation to the expense and equipment appropriation to cover appropriation shortfalls in case litigation expenses and increasing office expenses such as travel, postage, equipment maintenance and network charges.</p>	
2. Estimate how much flexibility will be used for the budget year. How much flexibility was used in the Prior Year Budget and the Current Year Budget? Please specify the amount.	
PRIOR YEAR ACTUAL AMOUNT OF FLEXIBILITY USED	CURRENT YEAR ESTIMATED AMOUNT OF FLEXIBILITY THAT WILL BE USED
\$2,791,230	\$1,500,000
3. Please explain how flexibility was used in the prior and/or current years.	
PRIOR YEAR EXPLAIN ACTUAL USE	CURRENT YEAR EXPLAIN PLANNED USE
\$2,791,230 was transferred from personal service (0911) to expense & equipment (0912). In FY22 most of the transferred money was used for private counsel for conflict and overload cases.	Flexibility will be utilized to best meet the caseload demands of the Missouri State Public Defender. Dollars from personal service vacancy savings could be used to meet the costs of operating the local offices or to contract out cases to private counsel as the need arises or to pay for increasing necessary litigation expenses.

The FY 2024 budget includes appropriation authority for the statewide pay increase for employees, including three components:

- 8.7% pay increase for employees;
- Updated shift differentials for staff working in 24/7 congregate care facilities to \$2 per hour for evening and overnight shifts; and,
- A market-based pay increase for non-commission based executive agency directors (based on the 2019 State of Missouri Compensation & Benefits Study commissioned by CBIZ, aged by 10.7% to July 2022, based on private and public sector data for neighboring states only; or a 4.33% COLA for directors already making the CBIZ rate, based on the lowest percent increase given to directors currently being paid under the CBIZ rate).

Amendment 3 (2022) amended Article XIV of the Missouri Constitution to remove state prohibitions on purchasing, possessing, consuming, using, delivering, manufacturing, and selling marijuana for personal use for adults over the age of twenty-one; require a registration card for personal cultivation with prescribed limits; allow persons with certain marijuana-related non-violent offenses to petition for release from incarceration or parole and probation and have records expunged; establish a lottery selection process to award licenses and certificates; issue equally distributed licenses to each congressional district; and impose a six percent tax on the retail price of marijuana to benefit various programs including services provided by the Missouri State Public Defender (MSPD). This decision item will allow the appropriation of the new resources authorized by the amendment for MSPD services.

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

Missouri State Public Defender seeks funding for a Government Relations and Public Information Officer position. MSPD has relied upon the Director to provide budget and legislative information to the legislature and to handle all public information requests. The Director, however, is required by statute to be an attorney with public defense experience, and is not trained as a legislative liaison or as a communications officer. The addition of this position would allow seamless access for the legislature and the community for information regarding MSPD not only during the tenure of any director, but also during times of transition from one director to the next.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

Missouri State Public Defender has consulted with other departments on the most efficient way to work with the legislature not only on budget issues, but also on legislative issues that effect MSPD clients. Other state departments have informed MSPD that one FTE serves in the role of legislative liaison, but also services a dual purpose with the organization. In addition to legislative liaison, MSPD is in need of a communications officer who is able to provide information in house and externally to other state branches, agencies, and the media. MSPD determined the salary of this position based on what other state agencies are paying similar positions and MSPD's current pay structure.

2. CORE DESCRIPTION

This appropriation was established to cover three types of expenses.

VIOLENT CRIMES: Payment of expenses associated with the defense of violent crimes, including those charged as sexually violent predators and death penalty cases.

LITIGATION EXPENSES: Litigation expenses are also paid out of the appropriation. These would include, but are not limited to, such things as mental health evaluations by experts, depositions, interpreters, medical records, transcriptions, exhibits, immigration consultations, fingerprint experts, handwriting analysis, etc. There has been no increase in funding for litigation expense since fiscal year 1996.

CONFLICT CASES: a conflict requiring a case to be contracted out to private counsel occurs when there are multiple co-defendants charged in a particular incident. The co-defendants each require conflict free counsel who can investigate and negotiate the case independently, including any negotiation of testimony against another co-defendant.

The Missouri State Public Defender (MSPD) is a statewide system that provides legal representation to poor persons who are accused or convicted of state crimes. That representation occurs in Missouri's trial, and appellate courts, as well as in the United States Supreme Court. MSPD's representation of eligible applicants fulfills the state's constitutional mandate to provide counsel pursuant to the Sixth Amendment of the United States constitution and Article I, Section 18 of the Missouri Constitution.

- A market-based pay increase for non-commission based executive agency directors (based on the 2019 State of Missouri Compensation & Benefits Study commissioned by CBIZ, aged by 10.7% to July 2022, based on private and public sector data for neighboring states only; or a 4.33% COLA for directors already making the CBIZ rate, based on the lowest percent increase given to directors currently being paid under the CBIZ rate).

Pay Plan - FY 2024 Cost to Continue DI# 0000012				HB Section <u>Various</u>					

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

The appropriated amount for the Fiscal Year 2024 pay plan was based on an 8.7% pay increase for employees, updating shift differentials for staff working in 24/7 congregate care facilities to \$2 per hour for evening and overnight shifts, and adjustments to department director salaries based on the 2019 State of Missouri Compensation & Benefits Study commissioned by CBIZ.

5. BREAK DOWN THE REQUEST BY BUDGET OBJECT CLASS, JOB CLASS, AND FUND SOURCE. IDENTIFY ONE-TIME COSTS.
