

## **Single Feasible Source Purchase**

**Title:** Food Management Software Maintenance/Support

**Description:** The Office of Administration, Information Technology Services Division (OA-ITSD) and the Department of Mental Health require ongoing maintenance and support for their existing Food Management Software system from the CBORD Group via a single feasible source procurement, as CBORD is the sole proprietor for these services. As a result, this represents a sole proprietary source requirement that meets the criteria as a single feasible source under RSMo 34.044. Therefore, the state is pursuing this acquisition as a Single Feasible Source.
