

## Single Feasible Source Purchase

**Title:** Information Builders FOCUS/I-WAY Reporting Software & Support

**Description:** Various state agencies require Information Builders, Inc. (IBI) software and maintenance support for IBI software which is a technology standard established by the Information Technology Services Division. IBI is the manufacturer and sole provider of its proprietary software and maintenance support for its software. As the required software and maintenance support services are available only from IBI, the requirements for the software and services represent proprietary requirements that meet the criteria of a single feasible source under RSMo 34.044 and the State is pursuing the acquisition of the support services as a Single Feasible Source (SFS).
