

Single Feasible Source Purchase

Title: Integration and System Building on the *Five Domains of Wellbeing*

Description: To use the services of The Full Frame Initiative, Inc. to integrate curriculum on the *Five Domains of Wellbeing* framework, a proprietary copyright of The Full Frame Initiative, Inc. The integration of such framework into trauma-informed care, positive youth development, family systems work, and strengths-based practice will include a train the trainers curriculum focused on running a two-day, in depth training for Division of Youth Services (DYS) personnel on the applications of the *Five Domains of Wellbeing*. The training will include full-day skills building and coaching sessions on clinical and management applications for DHS Central Office and leadership personnel.

The Full Frame Initiative, Inc. is the creator of and therefore, has a proprietary interest in the *Five Domains of Wellbeing*. Furthermore, no other vendor within the United States has a license or the expertise to provide the necessary technical assistance and training in the *Five Domains of Wellbeing*. Therefore, the Full Frame Initiative, Inc. qualifies as a single feasible source procurement.
