

Single Feasible Source Purchase

Title: Long-Term Care Rebalancing Opportunities

Description: To support Missouri citizens who have physical or developmental disabilities and those who are aging to transition from Medicaid-funded institutional care to quality community settings consistent with their individual support needs and preferences.

The Division of Senior and Disability Services offers the Money Follows the Person (i.e. Long-Term Care Rebalancing Opportunities) contracts to Area Agencies on Aging and Centers for Independent Living. The Area Agencies on Aging and the Independent Living Centers are a considered single feasible source because they were named in the grant award by the U.S. Department of Health and Human Services.

Contract Period: January 1, 2016 through December 31, 2016

Renewal Options: Two (2) one-year renewal options

Agency: Department of Health and Senior Services
