

# Missouri Office of Administration State Employees Charitable Campaign 2020 NEWSLETTER

## OA MSECC CAMPAIGN PERIOD - SEPTEMBER 9-20, 2019

In the Office of Administration, (OA) employees continue to impress in so many ways — with professionalism, hard work and dedication. OA employees constantly show they are great at giving back, and every year you have a new opportunity to give back even more by contributing to your favorite charities through the Missouri State Employee Charitable Campaign (MSECC). The care and concern you show for others has been evident every year, for many years, in your contributions and support to the campaign. Last year, OA employees had their highest pledges in the history of the campaign for the fourth consecutive year at \$119,749! Like the theme of this year's campaign, you're "helping others rise above!" Each of us has likely been affected personally by a charitable organization or we know someone who has. Please take some time to visit this year's charitable campaign website at [www.msecc.mo.gov](http://www.msecc.mo.gov), to learn more about the charitable organizations which make up the MSECC. Please consider making a donation to this year's campaign. By making a donation through the MSECC, you are helping to ensure needs are being met in our community and our state. Thank you for your support of the 2020 Missouri State Employees Charitable Campaign!
