

## Single Feasible Source Purchase

Title: Polymerase Chain Reaction (PCR) Kits

Description: The Missouri Department of Agriculture Veterinary Diagnostic Laboratory desires to purchase polymerase chain reaction kits for their current system. The lab currently utilizes a TaqMan® Real-Time PCR system. A single feasible source contract with Life Technology Corporation is requested since they are the sole provider for the TaqMan® Real-Time PCR system as well as the reagents/kits used by this system. Life Technologies Corporation does not sell through dealers or distributors.
