(Statewide)

ORDERING

NOTE TO STATE AGENCIES: Prior to making a vehicle purchase, the state agency must complete a vehicle pre-approval form and submit it to Cindy Dixon, State Fleet Manager. The pre-approval form can be found at the following website address: <http://oa.mo.gov/general-services/state-fleet-management/vehicle-preapproval-process-and-vehicle-credits>.

Once the state agency receives approval from the State Fleet Manager, the agency shall issue its own PGQ (Quick Price Agreement) order on an as needed basis. The contractor must not ship until they are in receipt of a hard copy PGQ order.

DELIVERY

Must be made between the hours of 8:00 AM and 12:00 Noon or 1:00 PM and 4:00 PM, Monday through Friday, holidays excepted.

Each vehicle shall be delivered with the proper form to apply for Missouri title and license including the Manufacturer's Statement of Origin and invoice.

Each vehicle shall be delivered with the owner's manual.

In the event the contractor fails to deliver the vehicle by the stated ARO time, the State of Missouri reserves the right to find the same or similar vehicle from another source, and to charge the contractor the difference for the substitution. The State of Missouri reserves the right to exercise this clause on a case-by-case basis, and to consider the degree of contractor responsibility in the delay.

VEHICLE PREPARATION CHARGE AND DELIVERY CHARGE

The vehicle preparation costs (line items 5, 13, 19, 26, 34, 39, 45, 54 and 60) and the round trip per mile delivery charge (line item 61) shall only apply to public (cooperative procurement) entities and all other state agencies making purchases off the contract. These charges shall not apply to the Missouri State Highway Patrol.

FINANCIAL RESPONSIBILITY

The State of Missouri recognizes that dealerships may make financial arrangements that result in a finance company retaining a security interest in vehicles the State of Missouri purchases until such time as the dealership receives payment in full for those vehicles. The contractor shall understand and agree that a separate "Acknowledgement of Security Interest and Assignment" or similar document shall not be necessary and shall not be signed by the State of Missouri.

SUBSTITUTIONS

The contractor shall not substitute any item(s) that has been awarded to the contractor without the prior written approval of the Division of Purchasing.

In the event an item becomes unavailable, the contractor shall be responsible for providing a suitable substitute item. The contractor's failure to provide an acceptable substitute may result in cancellation or termination of the contract.

Any item substitution must be a replacement of the contracted item with a product of equal or better capabilities and quality, and with equal or lower pricing. The contractor shall understand that the state reserves the right to allow the substitution of any new or different product/system offered by the contractor. The Division of Purchasing shall be the final authority as to acceptability of any proposed substitution.

PATROL VEHICLES –MODEL YEAR 2017
(Statewide)

Any item substitution shall require a formal contract amendment authorized by the Division of Purchasing prior to the state acquiring the substitute item under the contract.

The state may choose not to compel an item substitution in the event requiring a substitution would be deemed unreasonable in the sole opinion of the State of Missouri. The contractor shall not be relieved of substituting a product in the event of manufacturer discontinuation or other reason simply for reasons of unprofitability to the contractor.

REPAIR OR REPLACEMENT OF DAMAGED PRODUCT

The contractor shall be responsible for repairing any item or components received in damaged condition at no cost to the State of Missouri. In the event the item cannot be repaired or if the repair would otherwise compromise the integrity of the commodity and the manufacturer warranty, then the contractor must replace the item or component in its entirety at no additional cost to the state. This includes all delivery/transportation costs for returning non-functional items to the contractor for replacement.

NOTE: IF ANY OF THE ABOVE PERFORMANCE REQUIREMENTS ARE NOT MET AND/OR VEHICLE DELIVERED DOES NOT HAVE ALL NECESSARY EQUIPMENT, PLEASE CONTACT TERI SCHULTE AT (573) 522-3296 OR teri.schulte@oa.mo.gov.
