

Single Feasible Source Purchase

Title: Naturally Occurring Retirement Community (NORC) KC

Description: To assess the service needs and enhance the quality of life for residents within a geographically based retirement community by providing an efficient and effective coordinated program designed for aging in place through a non-profit community based agency.

The Missouri General Assembly appropriated general revenue dollars to further the NORC demonstration project through HB 10, Section 10.600, which specifically states "For the purpose of funding program operations and support to continue a program designed for aging in place through a non-profit community based agency." The General Assembly of the State of Missouri intends to establish a NORC in the Kansas City area with the Palestine Senior Citizens Activity Center, Inc. Therefore, the Palestine Senior Citizens Activity Center, Inc. is considered a single feasible source.
