State and Federal Rap Back Privacy Notice

Applicants submitting their fingerprint images to the Central Repository for a fingerprint based criminal record check are advised that their fingerprint images will be retained in state and federal biometrics databases, pursuant to Section 43.540 RSMo. If the submitting agency participates in the State or State and National Rap Back Programs, fingerprint images will be submitted, searched and retained for the purpose of being searched against future submissions to the State and National Rap Back programs; fingerprint searches will also include latent print searches.

The "Missouri Rap Back Program" and "National Rap Back Program" shall include any type of automatic notification made by the State of Missouri and/or the Federal Bureau of Investigation through the Missouri State Highway Patrol to a qualified entity indicating that an applicant who is employed, licensed, or otherwise under the purview of the qualified entity has been arrested for a reported criminal offense and the fingerprints for that arrest were forwarded to the Central Repository or the Federal Bureau of Investigation by the arresting agency.

By signing the Missouri Applicant Fingerprint Privacy Notice you are acknowledging the receipt of and agreeing to the terms of the State and National Rap Back Privacy Notice, the Noncriminal Justice Applicant Privacy Rights, and the Privacy Act Statement.
