I. General Statement

The Office of Administration has adopted this Parental Leave Policy as outlined in Executive Order 17-09. This policy will provide up to 6 weeks of paid parental leave for Office of Administration employees.

The purpose of this policy is to give parents additional time and flexibility to bond with their newest member of the family.

This policy should be interpreted and applied in conjunction with Policy B-11 concerning sick leave and B-35 concerning family and medical leave. In the event that this policy conflicts with State statutes or Code of State Regulations, applicable statutes and codes will control.

Questions regarding application, implementation and interpretation of this policy should be referred to the Office of Administration, Human Resources Service Center (HRSC).

II. Definitions

For the purpose of parental leave, the following words and terms, unless the context clearly requires otherwise, shall have the following meanings:

A. Adoption: the placement of the child(ren) in the temporary legal custody of the employee(s)/parents for the purpose of adoption or in the case of foster parents who have been caring for the child(ren), the time of filing of the adoption petition or at the time of placement in temporary legal custody for the purpose of adoption.

holiday compensation. Part-time employees will be paid based upon the average weekly hours worked within the last twelve months in the employee’s current appointment.
