

Single Feasible Source Purchase

Title: Poison Control Ready-Line

Description: MO House Bill 2010, Section 10.740 requires the Department of Health and Senior Services to maintain a Poison Control Hotline. The Missouri Poison Center has the designation of the only Missouri Regional Poison Information Center, as established by Section 190.353.1, RSMo. Therefore, the Department of Health and Senior Services desires to establish a contract with the Missouri Poison Center to handle overflow calls during a public emergency through the Missouri Poison Center as a sole source.
