

Single Feasible Source Purchase

Title: KLAS On-going Support and Maintenance

Description: The Office of the Secretary of State has a need for on-going support and maintenance for their existing KLAS software. The software is proprietary to and maintenance of the software is only available from Keystone Systems, Inc. This situation represents a proprietary requirement that meets the criteria of a single feasible source under RSMo 34.044. As a result, the State is pursuing this acquisition as a Single Feasible Source.
