

Single Feasible Source Purchase

Title: Maintenance/Support for ManTech Electronic Vital Records System

Description: The Office of Administration, Information Technology Services Division (ITSD) requires maintenance and support for their ManTech Electronic Vital Records System. The ManTech system is proprietary software maintained solely by ManTech. ManTech is the only authorized source for system maintenance and support, including enhancement of system source code. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
