

Single Feasible Source Purchase

Title: Construction Cost Software

Description: The State of Missouri, State Tax Commission (STC) requires building construction cost software programs consisting of Residential Estimator 7 (RE7) for residential building costs, and Commercial Estimator 7 (CE7) for commercial building costs. The software is proprietary to Marshall & Swift-Boeckh LLC. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 as the state is pursuing this acquisition as a Single Feasible Source.
