

Single Feasible Source Purchase

Title:	Acquisition of Bentley Systems ProjectWise i-model Composition Server and LEAP Concrete Software and Maintenance Support
Description:	The Missouri Department of Transportation (MoDOT) The Missouri Department of Transportation (MoDOT) requires Bentley LEAP Concrete and ProjectWise i-model Composition Server software licenses and associated maintenance support. Both products are upgrades and/or replacements for existing software included under Missouri Contract C213009001 (Bentley Non-CAD) which is no longer support by Bentley due to the age of the products. The Bentley software is owned by and is proprietary to Bentley Systems, Inc. As result, this represents a proprietary requirement that meets the criteria of a single feasible source under RSMo 34.044; therefore, the State is pursuing this acquisition as a Single Feasible Source.
Contract Period:	November 1, 2016 through October 31, 2017
Renewal Options:	Contract C213009001 has 3 available renewal options during which the products/services identified herein shall be available: November 1, 2017 through October 31, 2018; November 1, 2018 through October 31, 2019; and November 1, 2019 through October 31, 2020.
