

Single Feasible Source Purchase

Title: eDMR System Maintenance

Description: The Office of Administration, Information Technology Services Division (ITSD) requires maintenance for their Electronic Discharge Monitoring Reports (eDMR) system. eDMR system maintenance is proprietary and only available from EnfoTech & Consulting. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source. It is feasible to continue their services through extension of the contract through the interim period since another contract vehicle is not currently available. This meets the criteria for a single feasible source based on a proprietary requirement pursuant to RSMo 34.044.
