

## Single Feasible Source Purchase

Title: Tyler Technologies Student Information System (SIS) and Associated Interfaces

Description: The Missouri Department of Elementary and Secondary Education, Missouri Schools for the Severely Disabled (DESE-MSSD) required ongoing support for their existing Tyler Technologies SIS and associated interfaces. Mitel is the manufacturer and sole source for the products and services required to maintain the state agencies existing Tyler Technologies SIS and interfaces.

According to RSMo 34.044, a single feasible source can be utilized when the product/service requirement is proprietary and only available from a single provider. As a result, this represents a requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this action as a Single Feasible Source.
