

Single Feasible Source Purchase

Title: Module Addition to USA Herds System

Description: The OA/ITSD and Department of Agriculture acquired maintenance and support for Computer Aid, Inc.'s NATC AgraGaurd Applications including USAHerds software via CT160745001. Such services are proprietary to and only available from Computer Aid, Inc., the USAHerds maintenance and support provider. Computer Aid supports the software used by the Missouri Department of Agriculture to track livestock, small animals and crops in Missouri and in other states. As a result, this represents a proprietary requirement that meets the criteria of a single feasible source under RSMo 34.044 and the State will be pursuing acquisition of the support services as a Single Feasible Source.

Agency: OA/ITSD Department of Agriculture

Supplier: Computer Aid, Inc.

Buyer: Daniel Engler

Phone No: (573) 522-0001

E-Mail: daniel.engler@oa.mo.gov
