

## Single Feasible Source Purchase

Title: Various Natural Resource Stewardship Projects

Description: The Department of Natural Resources requires work crews to perform various projects at state park locations. These projects include constructing fire lines, staff prescribed burns, and ecosystem restoration work involving tree and brush cutting/removal to restore grasslands and glades.

The individuals performing the project must have been trained in standard S-series fire behavior courses as established by the National Wildfire Coordinating Group.

AmeriCorps is part of the Corporation for National and Community Services that was authorized by the National and Community Service Trust Act to address educational, public safety, or environmental needs through services that provide direct benefit to their communities. AmeriCorps' crew have been trained in standard S-series fire behavior courses.

Contract Period: July 1, 2015 through June 30, 2018
