

## Single Feasible Source Purchase

**Title:** All-Inclusive Maintenance for Closed Circuit Television (CCTV) Storage and Retrieval Systems

**Description:** The Office of Administration, Division of Facilities Management, Design and Construction desires to establish a contract for all-inclusive maintenance for CCTV storage and retrieval systems, via a single feasible source with Johnson Controls, Inc., the sole authorized service and maintenance provider for this equipment.

All-inclusive maintenance for CCTV storage and retrieval systems is proprietary and only available from Johnson Controls, Inc. According to RSMo 34.044, a single feasible source can be utilized when the product/service requirement is proprietary and only available from a single provider. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.

**Agency:** Office of Administration, Division of Facilities Management, Design and Construction
